प्रत :: डॉ. पी. ही. अनुबूले, Coordinator, Research Initiation Scheme,
(Mobile No. 9423717717, Email- pvanbhule@gmail.com)
Preamble: Shivaji University has taken a decision to support young faculty working in affiliated colleges/institutions and University Departments to undertake research projects in their areas of interest under “Research Initiation Scheme”. The support will be given through the fund established by University for the said purpose. The very objective of the scheme is to promote research activity among the college teachers at the entry level itself. Under the scheme, research proposals will be invited from the eligible teachers every year. These proposals will be considered for the support as per guidelines approved by University authorities.

Eligibility: The scheme is open to all the permanent teachers working in affiliated colleges/institutions, and post-graduate Departments on University campus who have not completed five years of service as a fulltime permanent teacher. Teachers having ongoing research scheme, funded by Government funding agency will not be considered for the scheme.

Research Grant: The selected project will be given support maximum upto Rs. 3,00,000/- (for teachers from Science, Engineering and Pharmacy faculty) and Rs 2,00,000/- (for teachers from all other faculties). It will have recurrent and non-recurrent components. A total of 100% grant towards non-recurring component and 50% grant towards recurring component will be released through 1st installment. The second installment of 50% (balance of recurring component) will be released in second year of the project, provided annual progress report (Annexure-C) is submitted by the Principal Investigator on or before the end of the first year of the project. The effective date of start of the project should be the date on which grant is credited to the Principal Investigator.

Application Procedure: Research proposals will be invited once in a year in the prescribed format (Annexure- A), which will be made available on University website www.unishivaji.ac.in

The soft copy of the project proposal in pdf format should be submitted to University to stats@unishivaji.ac.in.

Period of the Research Project: The total period of the project will be two years and under no circumstances it will be extended further.

Project Selection Procedure: The research proposal submitted by the teacher will be scrutinized and evaluated by the expert committee to be constituted for the purpose. The committee consists of the Dean of the concerned faculty and two subject experts nominated by Hon. Pro-Vice Chancellor. The committee will evaluate the proposal considering, importance of the problem, methodology to be used, benefits from the outcome of the project and competency of the Principal investigator. The decision of University regarding acceptance/rejection of the project under the scheme will be final. The decision regarding number of projects to be supported under the scheme will exclusively rest with university administration.

A list of selected projects will be put on University website and teachers concerned should submit acceptance certificate to University office in the prescribed format given in Annexure B within stipulated period.
Transfer of the Project: The approved project is not transferable to any other individual teacher. Under special circumstances the transfer of project to the Co-Investigator (if mentioned in the original proposal) will be considered by University provided the Co-Investigator fulfils the eligibility criterion. If the PI is transferred from his/her original place of work to another college/institution, which is affiliated to Shivaji University, a No Objection Certificate should be furnished for the transfer of the project from both the institutions stating that necessary facilities will be provided by the institution to which the teacher is transferred for the smooth running of the project. If a teacher is transferred to a college/institution, which is not affiliated to Shivaji University, a decision will be taken by the University on case to case basis.

Assets: All assets generated out of the fund for the project including equipment, books and journals will become the property of the host institution on completion of the project. However, in case of transfer of the project, assets (or a part of it) generated out of the funds of concerned project, may be transferred to the concerned Institution on request, with prior approval of the University.

Final Report: The final report in the prescribed format as given in Annexure- C along with audited utilization certificate should be submitted within two months after completion of the project. A copy of the “Final Report” of the work done should also be kept in the Library of the respective College / Institute.

Publications: Principal Investigator is encouraged to publish the outcome of the project in an approved journal. The investigator should acknowledge the support received from the University and the college/institution and should also mention Shivaji University as affiliating university in the address of author(s).
SHIVAJI UNIVERSITY, KOLHAPUR  
RESEARCH INITIATION SCHEME  

GENERAL GUIDELINES FOR RESEARCH PROPOSAL

Research Initiation Scheme is an opportunity to the teachers provided by Shivaji University to start or continue their research work in the College / Institute / Departments. Director/Principal/Head of the institute/colleges/University Departments should encourage these teachers and provide available facilities as per the requirement of Principal Investigator. It should be observed that, the research proposals help in developing research culture among the teachers.

Following are some of the general guidelines applicable for the Research Proposals sanctioned under the Research Initiation Scheme of Shivaji University, Kolhapur.

1) Procurement of equipments/books/journals should be made following norms of the college/institution/University. College/Institution/University should provide required space for installation of equipment and should provide other infrastructure like electricity, water etc, if required.

2) The sanctioned amount shall be transferred to a separate account operated jointly by Principal Investigator and Principal or his nominee. In case of teachers from University Department no such provision is required. The Principal Investigator will have the responsibility for auditing the accounts.

3) Duty leave (maximum upto 10 days & within the pre scribed limits as per University/ State Government norms) be sanctioned to Principal Investigator / Co-Investigator as per the requirement of the Project work.

4) The Principal Investigator shall present the outcome of the project in Regional/State level/National level conference.

5) The mid-term evaluation of the project based on the 1st annual progress report submitted by the PI will be done by the expert committee. The committee consists of two subject experts nominated by Hon. Pro-Vice chancellor. The release of funds as a second Installment will depend on quality as well as the performance of the work done during the first year.

6) Parent college/institution shall not charge any overhead charges.

7) The final report of research project should include
   i) Detailed Report along with conclusions/ recommendations (two hard bound copies) along with published/presented/accepted paper(s), if any. (Annexure-C)
   ii) Utilization certificate (Annexure – D)
   iii) Statement of accounts (Annexure – E)
   iv) Documents as per (Annexure – F and Annexure- G)

8) Completion Certificate for the completed project will be issued after submission of all the required documents by Project Investigator to University (Annexure – H)

   vi) Address  
      Office :  
      Residence :  
   vii) Date of joining the service as a teacher  
   viii) Date of confirmation  

5) Co – Investigator(s) (If any) :  
   i) Name  
   ii) Sex Male /Female  
   iii) Date of Birth  
   iv) Qualification  
   v) Designation  
   vi) Address  
      Office :  
      Residence :  

6) Details of the College/Institution where the project will be undertaken:  
   a. Department:  
   b. Name of the College:  
7) Teaching and Research Experience of Principal Investigator  
   a. Teaching experience  
   b. Research experience  
   c. Title of Ph.D./M. Phil. thesis if PI has been awarded  
   d. Publications  
      i. Papers Published  
      Accepted  
      Communicated  
   ii. Books Published  

(Please enclose the list of papers and books published and/or accepted during last five years)
**Part II**

**Proposed Research work**

8) i) Project Title
   ii) Introduction
      • Origin of the research problem
      • Interdisciplinary relevance
      • Review of Research and Development in the Subject:
      • Significance of the study
   iii) Objective
   iv) Methodology
   v) Year wise Plan of work and targets to achieve.
   vi) Details of collaboration, if any intended

9) Financial Assistance required
