D.O.No.2-95/2022 (CPP-II)

Subject: National Tuberculosis Elimination Programme (NTEP) - Ni-kshay 2.0 web-portal

Respected Madam/Sir,

As you are aware, National Tuberculosis Elimination Programme (NTEP) is being implemented throughout the Country under the National Health Mission (NHM) by the Ministry of Health and Family Welfare (MoHFW), Government of India. Under NTEP, all TB patients, notified by public and private sector health facilities/doctors, are provided free diagnostics and treatment and Rs.500/month for nutrition support through Direct Benefit Transfer (DBT).

To facilitate enhanced community engagement in achieving TB elimination by 2025, MoHFW has recently launched 'Pradhan Mantri TB Mukh Bharat Abhiyaan (PMTBMBA)' as a part of NTEP.

To ensure its effective implementation, Ni-kshay 2.0, an exclusive web portal for registration of Ni-kshay Mitra (Donors) and online link-up of such Ni-kshay Mitras with TB patients, has been developed. Interested officers/ Organizations can register themselves as Ni-kshay Mitra and select:

1. The area/number of TB patients they are interested to adopt & support.
2. Type of support (Nutritional /vocational/additional diagnostics),
3. And the duration (minimum duration being six months & maximum being three years).

The higher educational institutions and their affiliated colleges/ institutions are requested to disseminate the information about the programme and encourage the stakeholders to actively support and participate in this initiative by registering themselves as Ni-kshay Mitra at www.communitysupport.nikshay.in For any further information and assistance in this regard, you may kindly approach. MoHFW. The action taken in this regard is to be e-mailed (as per the attached format) to soar.edu@nic.in.

With kind regards,

Yours sincerely,

(Rajnish Jain)
