OUR INSPIRATION

Krida Maharshi
Late Meghnath Nageshkar

Birth: 02\textsuperscript{nd} Aug 1910
Died on 21\textsuperscript{st} Dec 1987.

He was a leading renowned sports personality of Kolhapur. He not only remained an extra-ordinary player of Cricket, Football, Hockey and Athletics, but he has dedicated his entire life for the promotion of sports and physical culture in Kolhapur and in its vicinity. He has played a major role in developing the Sports Department and establishing major part of existing sports infrastructure and facilities in our university. He took initiative to introduce Compulsory P.E. Exam at 1\textsuperscript{st} year of the Degree Course in this University.

Olympian Bronze Medalist
Late Khashaba D. Jadhav

Birth: 15\textsuperscript{th} Jan. 1926
Died on 14\textsuperscript{th} Aug 1984.

He was an Indian wrestler, who won the first bronze medal for India since 1900 in the Individual sports - Wrestling in Men’s Freestyle Bantam weight category at the 1952 Summer Olympics held in Helsinki.
He has received the Arjuna Award for Wrestling in 2001.
In 1955 he joined the police force as a Sub-Inspector and after serving for 27 years he retired as Asst. Police Commissioner. He has also won several competitions held within police department.
Message from
Hon’ble Vice-Chancellor

Prof. Devanand Shinde

Vice-Chancellor

I have a great pleasure in releasing this Brochure containing the Profile and the Report of achievements of the Department of Sports of this dynamic University.

Shivaji University was established in Kolhapur on 18 November 1962 and we have celebrated its Golden Jubilee just three years back. In the past tenure of 53 years, this University has achieved a tremendous success in all fields of Higher Education, Research, Sports and many other extra-curricular activities.

The vision of this University is set to become a unique centre of excellence in the field of higher education and to meet the educational, social, cultural, economical, industrial and corporate needs not only of this region and our nation, but also of all parts of the globe through its dedicated endeavors. Due to various reasons, the 21st Century is becoming very competitive and full of challenges day by day. Thus, it has become necessary for us to prepare and develop sufficient health, toughness and confidence in our children and the youth to meet forthcoming cut throat challenges of this modern era. Keeping this view in mind, we are committed to the implementation of innovative, professional, academic and extra-curricular programmes supported by various courses for personality and skill development and placement orientation. In this entire mission, we place the student community at the centre of all our activities. I am sure, our efforts will definitely lead to the creation of the fittest, morally responsible and knowledgeable society geared up to survive in today’s world.

In the light of above background Physical Education and Sports plays a vital role in the process of Education right from School to Post-graduation levels. With this view the Sports Department has been established in every University and this Department in our University is very active, sincere and hard working. The Directors of Physical Education working in various colleges affiliated to this university are also very dynamic and enthusiastic and they take lots of pains to produce good sports persons in many sports disciplines and also they extend their total cooperation to this University. Ultimately through this joint venture, more than two hundred sports persons so far have given their excellent performances in their respective games and sports at Zonal, All India level Inter-varsity competitions and Tournaments and brought many credentials to this University.

Till date this University has established excellent Infrastructure and facilities at our sports complex, which is known as 'Krida Maharshi Meghnath Nageshkar Krida Sankul'. It includes a standard mud track and well maintained Football and Cricket grounds with
pavilion, cemented Basketball courts, well equipped Gymnasium, Wrestling and Kabaddi mats, all clay play fields of other games such as Kabaddi, Kho-kho, Volleyball, Softball, Handball, etc. We have sports hostels separately for Ladies and Gents and few other accommodation arrangements close to the complex. We have recently constructed a separate Synthetic track of International level in the campus. However, presently my efforts are on to overcome few of the lacuna in the existing facilities by construction of Swimming Pool, separate well equipped Modern Gym, Yoga centre etc. and establishing Coaching centers in few games and sports with the help of Aurangabad Centre of SAI. To initiate my action plan, I have already made a provision of 1.5 Crores for the purchase of modern sports equipment for the department in the proposal submitted to Government of Maharashtra under RUSA scheme. I am sure that my dreams will be achieved at the earliest and the student fraternity will definitely benefit and fetch many more feathers into the glorious crown of this University.

In the past decade the Association of Indian Universities (AIU), New Delhi has entrusted us the responsibility of conducting few West Zone and All India Inter Varsity Tournaments, which we have conducted very successfully and enthusiastically. In the future also it will remain our sincere efforts to conduct many such mega events in Sports in our university and in its affiliated colleges.

On this occasion, I wish all the success and the “BEST OF LUCK” to the Department of Sports, all the sports persons and Directors of Physical Education in the colleges of this University.

Prof. Devanand Shinde
Vice-Chancellor
This is a proud moment for me and to my University, that the Sports Department of Shivaji University is releasing its brochure containing the Profile and the Report of achievements of our department for the year 2015-16.

In fact, from the past century Kolhapur District is very famous for Wrestling especially and other sporting events like Football, Swimming, Shooting and Hunting, as it was liberally patronised by the late King of Kolhapur Sansthan Chhatrapati Shahu Maharaj. However, the people of Kolhapur District are very healthy, wealthy, fit and sportive, so we observe that they play a number of different modern games since the past few decades. A similar situation exists in other districts in its vicinity also. Hence, this university receives a lot of buds naturally talented in different sports and games and it helps us to mold and polish them in a short period and participate in Inter-varsity competitions and tournaments where they perform extraordinarily and bring laurels for this University. Thus, Department of sports has produced more than 200 sports persons of national and International repute.

I take this opportunity to propose my heartfelt gratitude to all the office bearers of this University and those who have supported me in all the ways directly or indirectly to conduct various activities of sports and games in the university and also to participate in Inter Varsity competitions and Tournaments,

Thank you,

Shri. P. T. Gaikwad
HOD, Dept. of Sports
Shivaji University, established in 1962, is named after the Great Maratha Warrior and founder of the Maratha empire Chhatrapati Shivaji. It was inaugurated on 18th November, 1962 by Dr. Radhakrishnan, the then President of India. One of the major objectives behind foundation of this University was to cater to the regional needs of South Maharashtra. The jurisdiction of the University is spread over three districts viz. Kolhapur, Sangli and Satara with strength of about 3,00,000 students studying in 271 affiliated colleges and recognised institutes. This region of Maharashtra boasts of rich and varied socio-cultural heritage. Under the innovative and socially reformist leadership of Chhatrapati Shahu Maharaj, the princely ruler of Kolhapur, the city had become at the beginning of this century, a focal point of educational opportunities for all classes and communities of South-Western Maharashtra, and northern parts of neighbouring Karnataka. This is also land of Karmaveer Bhaurao Patil, who struggled for taking education to the masses by his innovative ‘Earn and Learn’ scheme. When the University was founded by the Shivaji University Act of 1962, the objectives set before the University included making opportunities of higher education accessible to rural youth, conducting fundamental and applied research in the field of science and humanities to ensure regional growth and development.

In 1962 the University started functioning with 34 affiliated colleges and about 14000 students with 5 Post-graduate Departments on the campus. Today the number of affiliated colleges has gone upto 280 and students strength upto 3,00,000 with 34 Postgraduate Departments on campus. The University imparts education in 10 major faculties of Arts, Social Science, Science, Commerce, Education, Fine Arts, Law, Medicine, Ayurvedic Medicine, Engineering and Technology.

During initial two decades the efforts were concentrated on expansion of higher education and foundation of new colleges in different parts in the four districts under its jurisdiction. The University consolidated its base in this phase by ‘taking education to the people’. The decade of 1980s saw a major expansion, especially the growth of professional faculties like Engineering, Education, Management and Medicine. The recent phase of the University can be termed as “a pursuit of academic excellence”. Since last 4-5 years, several
attempts are being made to overcome the image of University as a regional University. Several steps have been taken to raise the standards of teaching and research so as to measure up to global standards. This is being achieved by exploring new areas of higher learning and research in rapidly emerging fields like Industrial Chemistry, Space Science, Environmental Science, Bio-Chemistry, Sericulture, Polymer Chemistry and Computer Science, in addition to basic science disciplines. The University Department of Physics has been recently identified by UGC for its Special Assistance Programme and recognised as Department of Research Support. New research areas in these departments are Superconductors Energy, Biodiversity and Bio-technology. The University has also established the University-Industry Interaction Cells in three districts.

The faculties of Arts and Social Sciences are also gearing up to meet the demands of changing time. Establishment of Centre for Women’s Studies and extension activities through Adult and Continuing Education and Shramik Vidyapeeth are indicators of this change. Department of Economics has been selected by UGC for its Special Assistance Programme. Departments of Sociology, Education, Geography, Physics and Economics are offering special courses in emerging areas like Environmental Science is also functioning actively.

The University is encouraging merit by introducing an unique scheme called ‘Shivaji University Merit Scholarship’ offering 500 scholarships to meritorious students in affiliated colleges. It has also instituted research fellowships for Ph. D. students in the Post-Graduate Departments of the University. The University has made a budget provision of about Rs. 45 Lakhs for these scholarships out of its own funds. This University can proudly claim to be the first University in India to initiate such a scheme.

The University’s efforts towards excellence are being recognised by the substantial grants received from funding agencies like UGC, DST, DBT etc. The another indicator of recognition of University is collaborations with premier institutes in the country. Shivaji University has recently signed MOU with Bhabha Atomic Research Centre, Mumbai for research in Material Science. It has also joined hands with Indian Institute of Geo-Magnetism, Mumbai and industries like Phyto-Pharma. Prestigious institutes like Maharashtra Police Academy, Nashik and Centre for Social Studies, Surat have sought affiliation with the Shivaji University. Shivaji University has been re-accredited by National Assessment and Accreditation Council (NAAC) Bangalore, with “A” Grade (CGPA-3.16) (2014). Quest of academic enrichment and pursuit of excellence of the University are facilitated by efficient administration. The smooth conduct of about 200 examinations per year of about 2,00,000 students, has been time and again appreciated by the Hon. Chancellor also. The University has maintained the high standards of general administration, prudent financial management and a cordial rapport with funding agencies. The future plans of the University include establishment of School of Rural Management, Research Institute of Bio-Technology and Advanced Centre of Information Technology.

To sum up, the University which was founded primarily to cater to the regional aspirations has now geared up to transcend this regional image and emerging as one of the premier institutes of higher education and research in India.
DEPARTMENT OF SPORTS

Our Vision:
We are committed to meet all the physical and mental health and fitness needs required for the all round development of personality of the students and to have a transformative impact through diverse programmes that inspire leadership, teamwork, wellness, and resilience and offer students, staff and faculty the opportunities to develop the intellect, ethics, moral and character needed to lead a meaningful life in the society.

Our Mission:
We are dedicated to promote and foster sports and physical culture of high quality through proper training and coaching, serve the needs of the society by encouraging, generating and promoting excellence in sports performance, research and extensive activities in the field of various Games and Sports.

A Brief Profile:

Shivaji University was established on 18th November 1962 at Kolhapur and has been named after Chhatrapati Shivaji Maharaj, the great Indian Maratha warrior king. It was inaugurated at the hands of the great educationist and the then President of India Dr. S. Radhakrishnan

In the Initial stage, the jurisdiction of Shivaji University was spread over five districts, namely – Kolhapur, Sangli, Solapur, Satara and Ratnagiri. This university was started with 34 colleges situated in these five districts. But later Ratnagiri District was included in the jurisdiction of University of Mumbai and the Solapur University was established in the year 2004. Hence the affiliation of the colleges situated in those separated districts was automatically ceased and finally its jurisdiction was limited to only three districts namely, Kolhapur, Sangli and Satara. However, the number of colleges in these three districts gradually increased and presently more than 270 colleges and institutions are affiliated to this university and about 2.5 lacs of students are being enrolled every year in this University.

The campus of this university has spread over 849 acres of land. Presently we have about 39 post-graduate departments in the faculties of Arts, Commerce, Science, Engineering, Social Sciences, Technology, Management, etc. There are about 20 internal Administrative Departments and Sports Department is one of them. The Department of Sports was established in 1991 in the Shivaji University, Kolhapur it was greatly helped in conducting the various sports activities time to time and spread the scope and importance of Sports among the youngsters.

Main functions of the Sports Department of the University are - (1) to organize various programmes and coaching camps to promote different Games and Sports amongst the students enrolled in various Graduation and Post-graduation level courses in the university, (2) To prepare, maintain and provide sports Infrastructure and facilities to its students throughout the year as and when necessary, (3) To conduct Zonal and Inter-zonal Competitions and Tournaments in about 34 Sports disciplines as scheduled earlier. (4) To prepare the University Teams in about 34 Sports disciplines through selection procedure and train them for participating in Inter Varsity Competitions and Tournaments every year.

Since the past decade, the Sports Department of Shivaji University is strongly focusing on upgrading the physical and mental health of the players of individual sports as well as team games, which ultimately results in the development of dynamic personalities. It further leads an individual to create a special place in the society. The sports persons of this university who have so far achieved success in various sports activities have been helped to
secure better job opportunities in government offices, public and private sectors.

The tournaments at Zonal and Inter Zonal levels were conducted through the Department of Sports successfully. For these tournaments the financial support is provided by Department of Sports. The special coaching is being given to the players selected for different events to participate in the West Zone/All India Inter University Tournaments/Competitions.

Along with above important sports activities, Inter University Tournaments of various events like Kabaddi, Basketball, Table-Tennis, Wrestling and Handball have been organized successfully by the Department of Sports.

Shivaji University has a huge sports complex which is known as “Krida Maharshi Meghnath Nageshkar Krida Sankul”. Existing pavilion, dressing rooms are available for practice, coaching and conducting different sports activities. The Sports Complex is provided with Athletics Track, Basketball Cement Courts, Cricket Ground, Kho-Kho Courts, Hockey, Volleyball Courts etc. Recently well equipped 8 Lane Athletics Synthetic Track with all equipments has been constructed at Sports Complex.

In addition to above facilities, there is a separate Gymnasium Hall. The hall serves as multipurpose hall, in which the indoor games like physical conditioning unit, Table-Tennis, Gymnastics, Wrestling, Judo, Weight Lifting, Power Lifting and Best Physique and Chess etc. are conducted. The unique feature of open air theater is available where cultural programmes are held.

The separate facilities are provided to the students of P. G. Gymkhana of the University. Teams of P.G. Students are sent for Zonal, Inter Zonal tournaments and selection trials for the selection in the University team. The Department of Sports has its own special importance in Shivaji University, Kolhapur. The Department is provided with achievements in various sports activities like Athletics, Cross-Country, Shooting, Kabaddi, Kho-Kho, Football, Malkhamb, Rope Malkhamb, Weight Lifting, Power Lifting, Best Physique. It has developed many renowned sports personalities.

The achievement of the sports personalities were highly honored by the Department of Sports. The awards like Krida Maharshi Meghanath Nageshkar Rolling Trophy is being distributed every year to the best performance in the academic year.

University has produced many National International Players for India and they have shown excellent performance at the National and International levels.

Shivaji University Shooting Team has secured Chaudhary Charansingh Memorial General Championship Trophy for the year 2008-09 and this trophy has been achieved first time by a University in Maharashtra State.

The Sports Department is focusing strongly and improving coaching techniques, modern scientific approaches and the development of infrastructure.

In future more attention shall be given to generate sportsman to complete the Inter National Competition.

COLOUR AWARDING PROGRAMME

University Colour:-
It is a tradition that those who perform extraordinarily in sports are rewarded by offering them the colour of the alma mater. Accordingly in our university normally the colour is awarded in the mark of one’s distinction in the form of a coat or a blazer in Reddish Maroon Colour with a crest on the top left hand pocket & bring unique honour to the alma matter. The crest consists the emblem of the University which contains a profile of Shivaji Maharaj, the great warrior; shield with crossed swords signifying valour, an open book representing knowledge, a lamp with five flames signifying five district included in the jurisdiction of University and the motto of the University “Kkuesoke’re” meaning "Knowledge alone is Nector".

This colour of the University is awarded to every individual or a member of the team who secure 1st, 2nd or 3rd position in the All India level Inter Varsity Competitions/Tournament in a academic year. It is also awarded to the Coach and Manager who accompanies the team.

On the occasion of awarding the colour the winners will have to take an oath that they alone will wear it on auspicious occasions & retain the honour of the University Colour.

Cash Prizes:-
Those individual players who secure 1st, 2nd or 3rd position in the All India level Inter Varsity Competitions/Tournament are given the cash prizes worth of Rs.3000/- for Gold Medal, Rs.2500/- for Silver Medal & Rs.2000/- for Bronze Medal.

New Provision:-
After Dr.Devanand Shinde took over the charge of Hon. Vice Chancellor of the University has made a new provision of Rupees Two Lacs for every individual who perform extremely well and secure same position at Inter National level, towards meeting the expenditure of his travelling, visa, hospitality charges etc.
