**4th INTERNATIONAL CONFERENCE ON
PHYSICS OF MATERIALS & MATERIALS BASED
DEVICE FABRICATION
(ICPM-MDF-2019)**

January 10-11, 2019

Organized by

Department of Physics
(UGC-DRS-I, DRS-II, ASIST, DSA-I & II, DST FIST- I & II DST PURSE
Sponsored Department)
Shivaji University, Kolhapur-416004, (M.S.), India.

OBJECTIVES OF THE CONFERENCE

Department of Physics ranks 5th in material science research among all Non-agricultural Universities and Research Institutes in India. Sequentially, this is the 4th conference of its kind organized by Department. . The conference is focused on the theme “**Physics of Materials and Materials based Device Fabrication**” (ICPM-MDF 2019) which eventually aims to bring together scientists, technologists, researchers and industrialist across the globe to exchange their views and ideas for better possible scientific collaborations in the subject of interest, ICPM-MDF as a special theme deals with the applications of various tools and techniques in the field of material science. The subject area includes frontiers in physics of materials and their applications in technologies which has societal perspective. The conference will cover experimental and theoretical aspects of subject matter. Specifically, studies of novel, advanced materials along with mechanisms involved will be highlighted together with the applications of these materials in the domain of surface protection and modification, batteries, fuel cells, supercapacitors, actuators, photo-electrochemical cells, sensors, microelectronics and biotechnology. Thus the conference covers the broad spectrum of said theme.

PLACES OF TOURIST'S INTEREST IN KOLHAPUR

Temples & Cloister: Mahalaxmi Temple, Holy Jotiba Hill, Goddess Trymbuli, Narashinhawadi, Bahubali, Katyani Devi, Kashi Vishveshwar, Khidrapur, Kaneri Cloister, Shankaracharya's Cloister

Historical Places: New Palace, Shalini Palace, Bhavani Mandap, Town Hall, Shivaji University.

Hill Stations & Lakes: Panhala Fort & Hill Station, Vishal gad Fort, Dajipur Abhayaranya, Rankala Lake, Kotiteertha.

MODE OF TRANSPORT

Air: Nearest airports to Kolhapur: Pune (236 km), Belgaum (110 km.).

Rail: Kolhapur has a railway station and it's an 11 hour journey from Mumbai or Bangalore to Kolhapur.

Road: Kolhapur is about 450 km south of Mumbai and its 10 to 11 hour journey from Mumbai or Bangalore.

PAYMENT MODE (Debit/Credit Cards/Net Banking)

The details of online payment of registration fee are as:

Account Name : Finance and Account Officer, Shivaji University, Kolhapur

Account Number : 915020055386875

Bank Name and Branch : Axis Bank, Vidyanagar

IFSC/RTGS Code : UTIB0000134

ABOUT SHIVAJI UNIVERSITY

Shivaji University, established in 1962, is named after the Great Maratha Warrior and founder of the Maratha empire Chhatrapati Shivaji. It was inaugurated on 18th November, 1962 by Dr. Radhakrishnan, the then President of India. One of the major objectives behind foundation of this University was to cater the regional needs of South Maharashtra. The jurisdiction of the University is spread over three districts viz. Kolhapur, Sangli and Satara with strength of about 3,00,000 students studying in 271 affiliated colleges. The University has 40 postgraduate departments along with cultural centers spread in the land of 1200 acres. (Web site: <http://www.unishivaji.ac.in>). University has signed number of MoUs with various research institutions of national and international repute. University has started innovative courses like Nano Science & Technology, Social work and Rural Studies. This region of Maharashtra boasts of rich and varied socio-cultural heritage. The University's efforts towards excellence are being recognized by the various funding agencies. The prestigious university has recently been accredited with 'A' Grade by NAAC having CPGA 3.16

TOPICS TO BE COVERED

Photocatalysis	Carbon nanotubes
Nano-materials	Holography
Nano-sensors	Supercapacitors
Solar cells	Bio-materials
Photonics	Bio-sensors
Energy conservation	Molecular devices
Aerogels	Biotechnology
Nano-composites	Biophysics
Materials for space applications	Nonlinear Optics
Thin and thick film devices	Fuel cells
Radiation effects in materials	Nanotechnology
Radiation induced modifications on Materials and Devices	

INSTRUCTIONS TO CONTRIBUTORS

A copy of abstract of original research work confined to A4 size paper having a maximum of 300 words typed with Times New Roman 12 font, 1.5 line spacing giving 2.5 cm margins on all sides, should reach to convener before 30th September, 2018.

Full paper including figures, tables and references, should not exceed more than eight pages for invited speakers and four pages for contributory and poster presentations. Title of paper should be followed by author(s) name with complete address and e-mail. References should be listed alphabetically and cited in the text with first authors name followed by year of publication. Manuscript should be prepared by using MS Word. Soft copy should reach the convener, latest by 30 September 2018. All the communications should be made by e-mail. Selected papers will be published in peer reviewed indexed journal. The prizes will be given for THREE BEST

poster presentations.
