Organized by

**Department of Sociology,
UGC-Scheme for Persons with Disabilities,
Center for Study of Social Exclusion and Inclusive Policies
and
Internal Quality Assurance Cell
Shivaji University, Kolhapur- India**

Concept note

Two Day National Conference:

National Education Policy 2020 and Persons with Disabilities in Higher Education

Inclusive education is the need of the hour for growth and development. Education should be made accessible to each and every individual in every corner of the country. Over the years, the Government of India has framed various policies on inclusive education such as the RPwD Act 2016. All the policies emphasize the rights of the children from diverse backgrounds and abilities to access formal education but still, the disparities continued. National Education Policy 2020 is in line with the RPwD act 2016 which defines inclusive education as a “system of education wherein students with and without disabilities learn together and the system of teaching and learning is suitably adapted to meet the learning needs of different types of students with disabilities“.

In this context, Shivaji University Kolhapur under UGC-Scheme for Persons with Disabilities is going to organize two day National Conference on “**National Education Policy 2020 and Persons with Disabilities in Higher Education**” on 24th and 25th **November 2022** in association with Department of Sociology, Center for Study of Social Exclusion and Inclusive Policies and Internal Quality Assurance Cell

The objectives of the conference:

1. Discuss the concept of disability and its Indian perception with different models, approaches and categories.
2. Discuss various policies, programmes, schemes and facilities available for providing inclusive and equitable education to the persons with disabilities.
3. Analyze the issues concerning Persons with Disabilities in Higher Education system.
4. Analyze the steps taken by Shivaji University for the education of the persons with disabilities and suggest implementation strategies as per NEP 2020.

The sub-themes of the conference include but are not restricted to:

1. Understanding of Disability: Models, Approaches and Categories in India.
2. Disability related Laws and Policies.

3. National Education Policy 2020.
4. Persons with Disabilities and New Education Policy: Implementation and Strategies.
5. Any other issues related to theme.

We welcome original, unpublished papers that address the above subtheme and any other issues related to theme. We look forward to papers from all parts of the India. Only very high-quality and relevant papers will be chosen to be presented at the two-day conference. Interested authors may send a **300-word abstract** covering the thematic area, research objectives, methodology, findings, and the email of the author to disabilityconference2022@gmail.com by **15 November, 2022** and full paper before **20th November, 2022**. Selected full papers will be published in edited book with ISBN.
