Subject: Invitation for the '108th Indian Science Congress 2023' and encouraging Teachers and Students to participate.

Dear Sir,

We feel privileged and proud to inform you that the '108th Indian Science congress' will be held at Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, Maharashtra, India during 03-07 January 2023. This is a prestigious international meet of more than 15,000 delegates including Students, Scientists, Technocrats and Policy makers from all over the world. As per tradition the congress will be inaugurated by the Hon'ble Prime Minister of India on 3rd January 2023. The scientific programme includes public lectures, plenary lectures, panel discussions in addition to the sectional programme devoted to different streams of Science. The theme of the congress is "SCIENCE AND TECHNOLOGY FOR SUSTAINABLE DEVELOPMENT WITH WOMEN EMPOWERMENT". This congress will focus on application of Science and Technology for achieving sustainable development. There are 14 sections on different disciplines of Science & Engineering and apart from these sections, 07 more activities are organised for popularizing Science & Engineering as well as for welfare of the Society. The exhibition of models of Govt. agencies like CSIR, DRDO, ICAR, ICMR, DST, NCSM, GSI etc. will also be displayed which will be life time experience for students.

The R T M Nagpur University is one of the oldest Universities of Central India established in 1923 and is celebrating its centenary year. The University is one of the premier educational Institution spread in 373 acers which consist of heritage building, 7 lush green campuses with gardens, enriched biodiversity and spiritual antecedence of Tukadoji Maharaj.

In this regard, as the Chairman of Organising Committee of 108th Indian Science Congress 2023, I feel a great pleasure to invite for your gracious presence during 3-7 January 2023. Further, I would request you to nominate/ encourage faculty members as well as students for participating in this mega event. The participation of faculty members and students will provide them an exposure about current trends of research in different discipline of Science and Engineering and an opportunity to interact with international Scientists.
