**INVITATION**

## Dear Sir/Madam,

We cordially invite you for the one day Multidisciplinary International seminar to be organized by our college on Saturday, 16<sup>th</sup> February 2019.

## ABOUT THE CITY:

Kolhapur is a city on the banks of Panchaganga river in Maharashtra. It is also known as 'Dakshin Kashi'. Goddess Mahalaxmi's temple is known as one of the Shaktipeethas. This vicinity is also well-known for the illustrious, historical personalities like Her Highness, brave Queen Tararani and His Highness Chhatrapati Shahu Maharaj who had given new dimensions to the history of Kolhapur. Historical fort Panhala, Jotiba Temple, Royal Residence and Museum, New Palace, Juna Rajwada, Rankala lake enhance the glory of Kolhapur. The city is also famous for Kolhapuri Chappals, Jaggary, Jewellery and cuisine. It is an important educational, business and industrial centre in the western region of the state.

## ABOUT THE COLLEGE:

Tararani Vidyapeeth is the only women's educational institute having K.G. to P.G. classes in the city of Kolhapur. It was established in the year 1945 by late Dr. V.T. Patil. Kamala College is one of the branches of Tararani Vidyapeeth which was established in 1984 with the unceasing vision of 'Empowerment of Women'. Since its inception, the college has been striving hard to cater to the needs of women's education to give them a separate identity of their own by promoting and enhancing the potentialities in their personality so that they would be strong enough to face global challenges. Our college offers undergraduate courses in Arts, Commerce streams and M.A. in Home Science, Yoga and English. Over a period of time college provides professional courses like B.C.A., B.Voc., P.G. Diploma in Yoga Therapy, seven Career Oriented Courses and Short Term Self Financing Courses. The college is awarded with the 'Best YCMOU Centre Award'. The college is honoured with College with Potential for Excellence (CPE) by UGC, New Delhi in 2016 and reaccredited (Third cycle) by NAAC with Grade 'A' (3.12 CGPA) status in 2017.

## ABOUT THE THEME:

India is predominantly an agrarian country. Agriculture has a significant role in the socio-economic structure of India as most of the population is directly or indirectly connected with agriculture. Yet the very major component of the Indian economy and identity, the Indian farmer, is going through hellish condition today. Indian farmer is facing endless problems; droughts, crop failures, worst price falls, indebtedness, exploitation by middlemen and moneylenders, low productivity and low quality of food grains, etc. Unfortunately these crises are leading the farmers towards a tragic catastrophe, suicide.

The present seminar will serve as a forum for discussing the Plight of Indian Farmers, Current Issues and Challenges before agriculture sector. It offers platform to discuss and decode the agonies of Indian farmers from literary, social, political, economic, psychological, environmental, commercial etc. perspective. It is a sincere effort to have deep musings on the most agonizing and pathetic issues related to the farmers' condition causing suicides and to find out certain solutions.
