5. BOT will ask for PRN no to start using BOT.
6. Once Student provides correct PRT No, BOT will ask if He/she want to ask any question.
7. Click on 'Yes' will show the issue category which can lead student to respective question resolution.
8. Once student will get answer, he/she can ask another question or exit the BOT.

### For Use on iPhone

1. Launch "Safari" Browser. This does not work from the "Chrome" browser.
2. Enter into the address field the URL of the website you want to create a shortcut to. Tap "Go."
3. Tap the icon featuring a right-pointing arrow coming out of a box along the top of the Safari window to open a drop-down menu.
4. Tap "Add to Home Screen." The Add to Home dialog box will appear, with the icon that will be used for this website on the left side of the dialog box.
5. Enter the name for the shortcut using the on-screen keyboard and tap "Add." Safari will close automatically and you will be taken to where the icon is located on your iPad's desktop.

## **For Use on Desktop**
