DIAMOND JUBILEE
RESEARCH STRENGTHENING SCHEME
GUIDELINES OF THE SCHEME
(w.e.f. academic year 2022-2023)

Preamble : Shivaji University has taken a decision to support faculty working in University Departments to undertake research projects in their areas of interest under “Research Strengthening Scheme”. The support will be given through the University funds for purpose. The very objective of the scheme is to strengthen research activity among the Research and Development faculty. Under the scheme, research proposals will be invited from the eligible teachers every year. These proposals will be considered for the support as per guidelines approved by University authorities.

Eligibility : The scheme is open to all the permanent teachers working in Departments / Schools / Centres on University campus. **Teacher’s can avail the benefit of these scheme only once in his/her service tenure.**

Research Grant : The selected project will be given support maximum upto Rs. 3,00,000/- (for teachers from Science and Engineering) and Rs 2,00,000/- (for teachers from all other faculties). It will have recurrent and non-recurrent components. A total of 100% grant towards non-recurring component and 50% grant towards recurring component will be released through 1st installment. The second installment of 50% (balance of recurring component) will be released in second year of the project, provided annual progress report (Annexure-C) is submitted by the Principal Investigator on or before the end of the first year of the project. The effective date of start of the project should be the date on which grant is credited to the Principal Investigator.

Application Procedure: Research proposals will be invited once in a year in the prescribed format (Annexure- A), which will be made available on University website www.unishivaji.ac.in

The soft copy of the project proposal in pdf format should be submitted to University to stats@unishivaji.ac.in.

Period of the Research Project : The total period of the project will be **two years** and extendable by six-months without any financial burden on the part of University.

Project Selection Procedure: The research proposal submitted by the teacher will be scrutinized and evaluated by the expert committee to be constituted for the purpose. The committee consists of the Dean of the concerned faculty and two subject experts nominated by Pro-Vice Chancellor. The committee will evaluate the proposal considering, importance of the problem, methodology to be used, benefits from the outcome of the project and competency of the Principal investigator. The decision of University regarding acceptance/rejection of the project and amount sanctioned for the project under the scheme

will be final. The decision regarding number of projects to be supported under the scheme will exclusively rest with university administration.

A list of selected projects will be put on University website and teachers concerned should submit acceptance certificate (Annexure-B) to University office in the prescribed format given in Annexure B within stipulated period.

Transfer of the Project: The approved project is not transferable to any other individual teacher. Under special circumstances the transfer of project to the Co-Investigator (if mentioned in the original proposal) will be considered by University.

Assets: All assets generated out of the fund for the project including equipment, books and journals will become the property of the universities Departments.

Final Report : The final report in the prescribed format along with in Annexure- C **must be submitted with plagiarism certificate. Moreover the** audited utilization certificate should be submitted within two months after completion of the project. A copy of the “Final Report” of the work done should also be kept on University website and in the Department / Knowledge Resource Centre of the University. **While submitting the final report of project Principal Investigator should submit the project outcome report which is in Google form template available on the university website.**

Publication: Principal Investigator should publish at least two Research Papers in the Scopus Journal for Science Faculty and two research papers in the UGC care listed journals for Non-Science Faculty with acknowledgement to the Scheme.
