Date- 10/11/2022

<u>NOTICE</u>

All the registered research students of 2017-18, 2018-19, 2019-20 & 2021-22 batches are herewith informed that the department is organizing RAC meeting on Monday dated 21/11/2022 at 12.30. P.M. In this connection, you are informed to attend and present your six monthly progress reports before RAC. The research student has to present their progress reports through Power Point Presentation. The presentation should be brief and precise including following points :-

- Title of the research work along with researchers and guide name, progress report number and the period.
- Progress report (Make one slide for one progress report.)

The presentation will be followed by committee's remarks and suggestions etc. As instructed earlier it's mandatory for the research students to submit the hard copies of their progress reports duly signed by student and his guide to the department on or before 18 th November 2022. Failing to do so the concerned researcher (s) will not allowed to present his/her report before RAC.
