COURSE DIRECTORY 2023-2024

From the Vice Chancellor's desk

I am delighted to welcome you all to the lush green and sprawling campus of the Shivaji University, an ideal place for learning.

Our University is a magnificent institute for higher education. It has emerged as a leading centre of Teaching, Learning and Research in South-West Maharashtra.

The prime objective of the University is to impart excellent education to our students and to pay attention to their versatile development and to provide them a nurturing environment.

At present there are forty Departments on University campus which are actively engaged in teaching - learning, research and extension activities. These Departments also offer some need-based Diploma and Certificate courses and some value-addition and bridge courses too. I would like to advise you to benefit from this and to equip yourselves for better placement opportunities.

Two hundred and seventy six colleges that provide higher education in different faculties are affiliated to this University, and I am happy to say that there are twenty-eight colleges which have been accredited with 'A' grade by NAAC, Bangalore, and seven have been identified as Colleges with Potential for Excellence by the U.G.C., New Delhi.

Almost all Departments organizes National and International conferences, seminars, symposia and workshops in order to give opportunity to our students

to get acquainted with the recent trends in the respective areas of study and research as well as to interact with the eminent scholars who have been invited as resource persons. By participating in these academic programmes you will get pronounced exposure to the leading scholars in your chosen field of study.

The University organizes thirty-three lecture series throughout the year to bring about greater social awareness. The University has its unique merit scholarship programme in addition to various scholarships offered by the Central and State Government. The University merit scholarships seek to provide financial assistance to meritorious students who otherwise do not receive such benefits. The 'Earn and Learn' scheme is yet another scheme for both the boys and girls.

Besides academics, the University offers extracurricular facilities in terms of Sports, NSS and NCC. The University has an active Students Welfare Department. I am sure that you will make the most of these facilities during your stay on University campus. The excellent sports facilities, the opportunities and training provided to participate in youth festivals and other cultural programmes as well as in research related activities such as Avishkar, etc., have resulted in the number of national accolades won by our students in state and national awards.

The placement results of the University are also commendable. The University has been taking extra efforts to offer the right training and to arrange campus interviews and the students from all the faculties have received very good packages during these placement drives. On the World Youth Skills Day, 15 July, 2016 University initiated a programme to train 5,700 Youth of affiliated colleges. For this, University organized the Skill Fair to meet the demands of industry and market as well as Mega Job Expo for better placements of students.

Dear Students, I would like you to remember what John Dewey says - "Education is not preparation for life, education is life itself". You are aware that education has become quite dynamic and competitive today. Hence, you should be ready and well-equipped with the required abilities, competencies and skills. The society is expecting responsible citizens who are well trained in skills for employment. The University officers, the teachers and the supporting staff will be with you in your journey to achieve these capabilities and skills.

I am confident that you will feel proud on being associated with us and make us equally proud with your academic excellence.

Prof. (Dr.) D. T. Shirke
Vice Chancellor

Introduction :-

Shivaji University, named after the founder of Maratha Empire Chhatrapati Shivaji Maharaj, was inaugurated on 18th November, 1962 by the legendary philosopher and educationist Dr. S. Radhakrishnan, the then President of India. One of the major and consciously pursued objectives of this University was to cater to the educational needs of South Maharashtra. This was already professed and actively practiced in the Kolhapur State by the great reformist, Chhatrapati Shahu Maharaj (1874-1922). Thus the establishment of Shivaji University was the culmination and fulfilment of the long cherished aspirations of the people of this region. Under the able leadership of Late Dr. Appasaheb Pawar, the first Vice-Chancellor of this University embarked upon the progress which was traversed by his successors. In 1962, the University started functioning with just 34 affiliated colleges and about 14000 students with 5 Post-graduate Departments on campus. Today the number of affiliated colleges has gone upto 286 and students strength upto 2,50,000 with 34 Post-graduate Departments on campus.

In the year 2021, Shivaji University completed the fourth cycle of reaccreditation by NAAC, Bangalore and has been awarded 'A++' grade with CGPA 3.52. The untiring efforts in the new millennium have brought this University a nationwide recognition and honour as it stood in QS World University Ranking 2023 in the rank of 501-550 and 131st rank in the Southern Asia Ranking. As per Stanford University Ranking 2022, 10 faculty members of Shivaji University are ranked among top 2% Scientist of the World. Almost 80 plus faculty and researchers of Shivaji University are in the list of A.D. Scientific Index of 2022. This place is acquired by consistently producing new patents, papers and influencing researchers worldwide. NIRF Ranking is in the Rank Band of 101-150. The University is recognized as ISO 9001-2015 certification. The UGC has granted Shivaji University, Kolhapur as Category-I University under UGC Categorization of

universities (Only) for grant of graded autonomy as per Regulation 2018.

Shivaji University is committed to meet the Educational, Social, Cultural & Economic needs of the region to create a just and Humane Society. The University is dedicated to promote and foster a culture of high-quality teaching and learning and to serve societal needs by encouraging, generating and promoting excellence in research and extension activities. It is abide by uncompromising adherence to values and implementation of high quality educational programmes and healthy practices with a view to creating and developing a large and rich pool of selfless young men and women, capable of ensuing for themselves a decent livelihood and meeting the growing needs of a developing society.

Presently, Shivaji University imparts education in four faculties viz. Science and Technology, Commerce and Management, Humanities and Inter-disciplinary studies. In last few years, new centers, Chairs and Departments were established to start new courses in the frontline areas of knowledge in addition to diversify and enrich the academic content. About sixteen self-financing courses were started in the XI Plan period (2007-12). In the XII Plan period (2012-17) emphasis had been on strengthening the teaching-learning and infrastructure of the newly started Departments. A choice- based credit system is implemented by the University at PG level, since 2013. In the Faculty of Science and Technology, multiple approaches have been initiated to achieve the high standards of teaching and research by finding new avenues in fields of physical, chemical and life sciences. The faculty of Humanities is also taking apt steps to advance, promote and propel the economic, social, political and cultural development of the students through innovative teaching programs. Noteworthy reforms in their pedagogical model by inculcating technology enhanced language teaching has been taken up. The Department of Technology is also geared up by starting undergraduate and postgraduate programmes in the frontier areas of importance and offering competitive academic programmes such as B.Tech., M.Tech. and M.B.A. The University is also keen on harnessing the ICT based instructive strategies by

equipping the faculty members and instituting smart classroom facilities in many Departments. Advanced Technology Centre is established in collaboration with M.S.M.E. Technology Centre-Indo German Tool Room, Aurangabad for Training Research and Development.

Shivaji University has been very active in the research at national as well as international level. The same has been reflected in the research metrics of the University (SCOPUS). The faculty members of the Shivaji University have made significant contributions in various fields of Science and Technology and other faculties. The major areas of research include Nano Technology, Materials Science, Green Chemistry, VLSI techniques, Process Control, Internet of Things, Data Mining, Data Analytics, Energy Technology, Space Science, Agro based Economics, Pollution Control, Nutraceutical Foods, Geo-informatics, Linguistics, e-Commerce, etc.

The research carried out by the University is supported by the leading funding agencies like DST,DAE-BRNS, UGC, CSIR, DRDO, AICTE, MOEF, DBT, ICSSR, NBHM, UNICEF, RUSA, etc. More than 30 MoU's have been signed with reputed International Universities for the collaborative research. Faculty members of the university have already established linkages with researchers working in world ranking universities/ institutes. DST sponsored International Joint collaborative research projects with the countries like Japan, South Korea and Egypt have been undertaken by the faculty members of the University.

The University has scholarly publications as revealed from standard databases are 7474 and 77240 citations (Source: SCOPUS) with h-index 125. It ranks first amongst Indian Universities in research output in Material Science. As per the Webometrics info its global ranking in research is 2028 and global ranking in Materials Science research is 249.

University's Barr. Balasaheb Khardekar Knowledge Resource Center (BBKKRC) is one of the leading university libraries in South Maharashtra. It has over 3.75 lakh printed documents with library members over 6000 which includes

PG students, Researchers, Senior Citizen, Teachers, Administrative support staffs.

In Shivaji University, IT has appeared in all the walks of academic as well as administrative spheres. IT services like Web surfing, website, webmail, online web applications etc. are extensively used by 4000+ users on the campus.

The University has taken substantial efforts in rain water harvesting. Two water storage tanks on the campus have been constructed for this purpose. The water harvesting is made through construction of watersheds. This has made the campus self-sufficient for drinking water.

Shivaji University has consistently focused on the excellence of education, research and student centric approach. It has produced eminent alumni who are contributing not only at National level but internationally, also. The University is committed towards establishment and enhancement of the quality of higher education to meet the international standards.

Placement opportunities :

- 1) The Department has been organizing campus recruitment drives of various Multinational and National Companies.
- 2) Department organizes workshops for MPSC/UPSC/SET/NET examinations
- 3) A good number of students have been placed in reputed companies like CYTEL, TCS, Nielsen, KPIT Technologies, Pivotchain Solution, Capgemini, Kotak Mahindra Life Insurance, Mahindra Integrated Business Solutions, Asset Analytics, Alpha Predictions LLP, Tata Technologies, Tata Capital Financial Services, Tata Motors, Bajaj Fiserv, IBM, SYNTEL, Kotak Mahindra Bank, SAS, GENPACT, Cognizant, Gibbie, NOVARTIS, Inventive Labs, Data Metica, Bank

of England, HSBC, American Express, Johnson and Johnson, nvidia Quantific Business Solutions, Franklin Templeton Investment, Rain Main and many more

- 4) In addition to this good number of students have joined government services through UPSC and MPSC (ISS/DSO/Planning Officer etc).and at Colleges as Assistant Professors.

Salient Features of the Department :

- The Department offers two masters programmes, namely, M. Sc. Statistics and M. Sc. Applied Statistics and Informatics. The demand ratio for both these programmers is about 1:20.
- The success rate of students in SET, NET, and GATE is notably high.
- More than 50% students get scholarships.
- The Department regularly organizes placement drives of various companies in data analytics domain and a good number of students get placed through such drives every year.
- Quality teaching and research, rigorous curricula, healthy working environment, expertise in using advanced statistical software, and well equipped laboratories have been remained the strengths of the Department.
- Statistical Modeling and Inference, and Statistical Process Control and Optimization are the research thrust areas of the Department.
- The Department has been recognized by UGC and DST, and has been provided with UGC-SAP, DST-PURSE, and DST-FIST schemes.
- The Department organizes various outreach activities in association with Shivaji University Statistics Teachers' Association, for strengthening the awareness of Statistics among the under graduate students of the affiliated colleges of Shivaji University and PAH Solapur University.

Placement opportunities

Pharmaceutical companies, Chemical companies, dyes, polymer and Agrochemical industries, Research Field, Teaching Field, Competitive exams (Forensic Science, Food Inspector – Department of Food Corporation), Scientist: CSIR laboratory, Regional Research Laboratories, Department of Water Resources. Opportunities in Doctoral and Post-Doctoral Studies at National and International Level.

Name of industries where student placement

Cipla Pharma Unit, Patalganga, Pune and Goa, US Vitamin, Chiplun, Macleoid, Andheri Mumbai,

Salient Features of the Department :

1. DST and UGC have recognized the Department for FIST and SAP programs
2. Developmentg of experimental skills of students through research project and practical sessions.
3. Advanced teaching methods are used during teaching to enhance the fundamental understanding of theoretical principles.
4. Financial assistance is made available for students from various NGO organizations
5. Recognition of research work For Faculty members globally as a result they are invited to bereciewers and some Name of Faculty members were honoured with awards also.
6. Department provide analytical assistance to the nearby industries in terms of analysis of water samples, chemicals and drugs.

Equipments

Equipments Name	Description / Use
Aromatic Oil Extraction Unit	It is used to extract the volatile oils or to purify the liquids that contain either nonvolatile impurities, such as salts, or very small amounts of higher- or lower-boiling liquids.
Fluorescence Microscope	It is used to study the chromosome structural details with the help of fluorescent dyes
Gel Documentation	Gel documentation systems, also known as 'gel docs' or 'gel imagers,' are used to record and analyze the results of gel electrophoresis and membrane blotting experiments.
Gel electrophoresis apparatus with Trans illuminator.	In the separation of DNA fragments for DNA fingerprinting to investigate crime scenes. To analyze results of polymerase chain reaction. To analyze genes associated with a particular illness. In DNA profiling for taxonomy studies to distinguish different species.
High-performance liquid chromatography (HPLC)	It is needed to study several metabolites, their quantification and characterization.
Light research Microscopes	It is used to study chromosome morphology and karyotype studies. Similarly it is also used for anatomical , embryological and histological studies .
Polymerase chain reaction (PCR)	PCR is a laboratory technique for rapidly producing (amplifying) millions to billions of copies of a specific segment of DNA,. It is commonly used for a wide variety of applications including genotyping, cloning, mutation detection, sequencing, microarrays, forensics, and paternity testing.
Refrigerated centrifuge	A refrigerated centrifuge is a laboratory equipment used for the separation of temperature sensitive macro molecule and cellular structures.
Scanning Electron Microscope (SEM)	Widely used in Biological and Material Sciences for research
Stereo Microscopes	It is used for three dimensional details of biological samples

UV-visible double beam Spectrophotometers	UV-visible Spectrophotometry is used to measure the concentration and purity of an unknown sample.
Ultra low temperature Cabinet – Ultra Freeze	It is used by laboratories for storing drugs, enzymes, biological materials, tissue samples etc. Maintaining a temperature between -30° to -40° Fahrenheit, the low temperature is ideal for storing sensitive materials that have high perishability.

Ph.D Offered : YES

Placement opportunities : Research and Higher Education: Junior Research Fellow, Research Assistant in National Laboratories, Universities and research Institutes for Ph.D.. Academics: Assistant Professor, Teacher etc.

Salient Features of the Department : Over a span of 59 years, the Department has imparted excellence in Education and Research. The faculty members are devoted and brought spectacular achievements in the field of Cell Biology, Animal Physiology, Entomology, Aquaculture and fisheries and Sericulture. To inculcate the Research skills in Post Graduate and Doctoral students, we assign topics in the fields of Cellular and Molecular aspects of Neuro degeneration, Therapeutic potential of Phyto-nanoparticles on Diabetes and Aging, Biodiversity

& Biosystematics, Avian studies, Fish & Molluscan Toxicology, Eco-friendly Pest Management and Sericulture. This Department is blessed with well-equipped laboratories and an Animal House with the State of Art infrastructure. To showcase the biodiversity and conservation, Butterfly Park is established in the campus with 80 species of host and nectar plants. So far 40 species of Butterflies are sighted in the park. For promoting entrepreneurship, we have initiated two job-oriented courses, viz., Diploma in Sericulture and Post Graduate Diploma in Sericulture. Further, to provide a Niche for budding Entrepreneurs and Technocrats for venturing in Sericulture & Apiculture, 'Centre of Excellence & Incubation in Sericulture' is established. To explore the new avenues in marine research, this department also runs 'Centre for Marine Environment' at Malvan, District Sindhudurg.

Other information: Students completing M.Sc. from the Department of Zoology, Shivaji University Kolhapur gained success in SET and NET exams. Many of them qualified JRF. From the first day of teaching, efforts are taken to impart knowledge and training from SET and NET exams point of View. The faculty members are devoted to impart practical knowledge that contributes to skill development in areas such as Animal Cell culture, molecular techniques, Occupational Physiology, Insect taxonomy, biopesticides, Aquaculture and fisheries, Silkworm rearing and production of cocoons etc. Besides regular teaching, value added courses, hands-on training programs, Lecture series of International and National level Scientists are routinely organized for getting maximum exposure to recent developments in the subject.

M.Sc.- Master of Science	Biotechnology	2	0	30	B.Sc Biotech/Biochem/ Chem/Micro/Zoology/ Botany/Foodscience & Tech/Nanoscience & Biotech/LifeScience

Ph.D Offered : YES

Placement opportunities : Biotechnology assimilates in itself a number of disciplines. Further, there is a great demand for biotechnical experts in countless industries and sectors. The following are applications where biotechnological techniques are used extensively:

- Industrial Research and Development
- Quality assurance/regulatory affairs
- Manufacturing
- Clinical research
- Government (Lecturer/Scientist)
- Food, animal, and environmental science

- Sales and technical support
- Business management
- Project management

Salient Features of the Department :

1. The Department has been engaged in the academic and research activities since last 17 years and has highly experienced faculty members having impressive credentials.
2. Innovative research has been carried out in the various disciplines of Biotechnology having access to the advances infrastructure for the research.
3. Industrial utility of the undertaken research has been demonstrated and collaborative programs with other organizations are actively pursued.
4. Recognition of the departments' achievements in the national and international platforms and various awards has been received by department and teaching staff members.
5. Funding by various funding agencies for different post-doctoral fellows.

Equipments

Equipments Name	Description / Use
2 D Gel Electrophoresis	Separation and fractionation of complex protein mixtures from tissues, cells, or other biological samples
Autoclave	Used to sterilize media and labwares and also to Decontaminate certain Biological waste
Automated TOC analyzer for solid & Liquid sample	To estimate total organic carbon in the sample
Balance	Weighing of chemicals to avoid the wastage of costly chemicals
Bath sonicator	Ultrasonic energy to agitate particles in liquids also to study wide variety of processes, such as mixing, cleaning, degassing, cell disruption, and sample preparation.
Clean Room	Used for PTC and ATC lab to avoid the contamination
Color spectrophotometer	To evaluate and obtain measurable factors that describe the color
Cooling Micro Centrifuge	Separation of biomolecules at low temperature
Deep Fridge	Storing biological samples in a large volume and for a longer period of time at very low temp
Digital Electronic Balance	Weighting of chemicals at very fine range
Digital colorimeter	Used to measure the absorbance of wavelengths of light at a particular frequency (color) by a sample.
Dissecting Microscope	To view three-dimensional objects and larger specimens For distillation at water for fine Experiments for ion free water
ELISA Plate Reader	Used for protein and enzyme assay
Electroporator	Used for delivery of a large variety of molecules: From ions to drugs, dyes, tracers, antibodies, and oligonucleotides to RNA and DNA

Fluoride Ion selective Electrode	Detection of chloride, Potassium, Calcium and variety of other ions in samples
Fridge	Storage of chemicals and reagents
Gel Documentation	Widely used in molecular biology laboratories for the imaging and documentation of nucleic acid and protein suspended within polyacrylamide or agarose gels
Gradient PCR	Used for amplification of new DNA
HPLC	Separation and detection of bioactive molecules
KVA 24 cooper make generator	It provides electricity to devices and appliances when you are not connected to the power grid
Karl Fisher Titrator	To determine the amount of water in the sample
Kjeldahl apparatus (Block digestion & scrubbing system)	To digest the bonds that hold poly peptide or other molecules together so that they convert into small molecules
Kjeldahl apparatus (Distillation apparatus)	Used to determine organic nitrogen and protein contents in the sample
LCQTOFMS	Used for the detection of residual chemical compounds, confirmatory identification of small organic molecules, and confirmation and quantitation of contaminants and adulterants in pharmaceutical and food samples
Lab scale fermentor	Used for fermenting microorganisms or biochemical reactions
Mili Q Water purification system	Produces high-quality Type 1 ultrapure water for trace elemental analysis
Orbital shaker incubator	Used for fermentation studies, enzyme reactions and tissue culture and cell cultures in the labs
RT PCR	Amplification of specific DNA targets using polymerase chain reaction. It is primarily used to measure the amount of a specific RNA.
Rotary Evaporator	Used for Efficient and gentle removal of solvents from sample by evaporation
Shaker	To carry out the reactions and to Incubate the cultures

Surface plasmon Resonance	To study binding affinity and kinetics between two molecules
Tissue homogeniser with hard glass cup	The lysing or breaking apart of cells in order to release their contents
UV -Visible spectrophotometer	The standard method for quantification of DNA/RNA/ Protein
Well Washer	Used for wash the microwells as a part of the ELISA testing process
pH meter	To measure acidity or alkalinity of a solution
water chiller	Used to cool the products

Other information: The Department of Biotechnology since its inception in 2003 has made visible and remarkable achievements and the department is located in naturally scenic campus of the University and has become a focal point of active

research. Foundations and innovations accomplishments by this department have encouraged planning meticulously the road map of progress for this department for the next 25 years. Certain targets such as quality education, synergy between research and its practical application, participation by farmers and entrepreneurs have been pursued vigorously. The staff members have impressive track record in academic and research contributions which have been highly appreciated and recognized. The department has spacious space for M.Sc. class rooms and practical laboratories. Research laboratories for Ph. D. students are well equipped with all modern tools and machines. The trust eras of research are Neurodegenerative diseases (AD and PD), and Plant Biotechnology. Department persuade extracurricular activities that are important for the student's overall development.

Ph.D Offered : YES

Placement opportunities : The Food Science and Technology is multidisciplinary course. The pass out students can enter in to different food sectors like fruits and vegetables processing industries, dairy, confectionary, alcoholic /non-alcoholic beverages, bakery industries, spices industries, rice milling, oil milling, dal milling and all other post-harvest processing industries etc. The students will be placed in different sectors like R & D, Production and Quality control departments of the food industries. Along with the private sector opportunities, the students can also enter in government sectors like Food & Drug Administration (FDA), Food corporation of India(FCI), Export Council of India (ECI) and different banks etc. The students can also become an entrepreneur and start his/her own business.

Salient Features of the Department :Well Qualified, Experienced and knowledgeable Teaching Staff is available in the Department Well-equipped laboratories with high end sophisticated equipment's like HPLC, Texture Analyser, Hunter lab Colorimeter etc. Good placements (Alumni's are working in well reputed national and Multinational industries. Department offers experience based teaching. Department is collaboratively working with MCED, Kolhapur Forest Division and Kolhapur District Bachat Gat and arranging a training programs on product development.

15. Vermi-compost - Competitive Examinations: Indian Forest Services / UPSC / MPSC

Environmental Jobs:

1. Environmental officer
2. Environment, Health and Safety officer (with additional Safety Diploma)
3. Environmental Auditor (With additional auditing courses like ISO 14001, ISO 50000, ISO 45000, etc.)

Salient Features of the Department : The Department focuses on Environmental issues and committed to sustainable development Through environment education. Thrust areas for research are Water Quality Monitoring, Air pollution monitoring, Environmental Impact Assessment, Wildlife studies and Biodiversity

Conservation. The department has a centre for air quality monitoring of Kolhapur city under National Ambient Air Quality Monitoring Project (NAMP). One month inplant training and environmental project are important part of curriculum. Guest lectures, Environmental day celebrations, Industrial visits, Nature visits, Excursion, Tours, Seminars, and social extension activities are conducted routinely by the department

Placement opportunities : Kolhapur is the epicenter of industrial corridor in Western Maharashtra. Department of Technology offers systematic and strategic efforts for better placement opportunities to its students in the form of on campus, off campus etc. Separate training programmes are designed and conducted for each year on soft skills, personality development, aptitude techniques, interview skills conducted by Training and Placement Cell of Department. Students obtain internships at well recognized and leading companies and industries. Necessary training programmes are conducted at subsidized fees for imparting various technical skills through industry institute interaction cell. Students are placed in national and international acclaimed companies with different sectors such

as research and development, production and quality control, manufacturing, technical services etc. few students endeavour to become entrepreneur for which all necessary help and expertise is extended to aspiring students. The placement record of last five years can be downloaded from DOT SUK website

Name of industries where student placement

Cipla Pharma Unit, Patalganga, Pune and Goa, US Vitamin, Chiplun, Macleoid, Andheri Mumbai,

Salient Features of the Department :

1. DST and UGC have recognized the Department for FIST and SAP programs
2. Developmentg of experimental skills of students through research project and practical sessions.
3. Advanced teaching methods are used during teaching to enhance the fundamental understanding of theoretical principles.
4. Financial assistance is made available for students from various NGO organizations
5. Recognition of research work for Faculty members globally as a result they are invited to bereciewers and some Name of Faculty members were honoured with awards also.
6. Department provide analytical assistance to the nearby industries in terms of analysis of water samples, chemicals and rugs

Ph.D Offered : YES

Placement opportunities : There is an increasing demand for gender sensitive professionals at the national and international level. Successful candidates will be better equipped to avail those opportunities. The candidates will be able to work effectively on the Internal Complaints Committees constituted as per the Act of 2013 about sexual harassment at workplace.

Salient Features of the Department : The Centre's role in the prevention of sexual harassment was spelt out in Shivaji University's Rules of 2001 and since then the Centre has been fulfilling this mandate relentlessly. The Centre's faculty has extensive experience of fighting irregularities in dealing with sexual harassment, which culminated in the action research on this theme. This is the first and so far the only UGC Centre in the whole country that offers courses on the issue of sexual harassment at workplace. The Centre for Women's Studies has contributed to policy making at the national as well as international level. Over half a dozen prestigious international honours and fellowships, including the Fulbright Fellowship are bestowed on the Centre's faculty. The Centre's faculty has been appointed as an Expert by the United Nations. This is the only University Department in India whose faculty has testified before both the Parliamentary Committees on the Women's Reservation Bill.

Placement opportunities : As the job market continues to recover from the pandemic, in the current year YCSR MBA Contributed 75% towards the student's placements. Moreover the placement opportunities for the academic year 2023-24 look promising for students. Many industries are expected to see growth, which could result in increased job openings. This includes finance, healthcare, e-commerce, and renewable energy. Additionally, remote work has become more prevalent during the pandemic, which means that students may have access to job opportunities beyond their geographic location. Student should also consider the potential for internships and co-programs as these can lead to full- time job offers after MBA. However, it is important to note that competition for jobs will still be high, and as the responsibility of department we will advise students

should take proactive steps to prepare themselves for the job market, such as Marketing, Operations, H R, Finance, Agri business to gaining relevant experience, and developing their skills,

2.1 Central Placement and Career Counselling Cell

Contact Person: Dr. G S. Rashinkar, Co-ordinator, Central Placement Cell

Mobile: 919823113269

Email: placementcell@unishivaji.ac.in

Central Placement Cell was established in 2006 to cater the needs of students to face the competitive job market. The main objective of the Central Placement Cell is to bridge the gap between eligibility and employability by providing necessary training so that students are recruited in renowned National and International Companies/Organization. The Coordinator in consultation with the University authorities, Departmental Placement Officers (DPO's), Teacher Placement Officers (TPO's), Placement office staff and the students handles various crucial tasks of Central Placement Cell. The Placement Cell is the team of DPO's & TPO's along with Training and Placement Officer who primarily co-ordinates activities on two paths: Campus placements by co-ordination with industry/organization & company HR and student employability enhancement by providing them necessary training. The placement office is well equipped with excellent infrastructure as mentioned below to support every stage of the placement.

In the academic year 2022-23, Central Placement Cell has organized Technical and Domain specific Skills Training, Employability and Communication Skills Training Programs, Employability Assessment Program, On Campus Interviews, Off Campus Interviews

University-Industry Interactions, Career Guidance Seminars, Internship fares, Trainers training programs, Alumni Peer Talks and Campus to Corporate Program.

Central Placement Cell conducted 28 campus drives in which reputed organizations like ACC Industries, Akash Byjus, State Street HCL, United Phosphorus Limited, Laxmi organics Industries LTD, Piramal enterprises, etc participated. There was participation of 2023 students in these drives.

Central Placement Cell in collaboration with Naandi Foundation's Mahindra Pride classroom has organized 40 hours offline Employability Skills training program in which 200 girl students of various departments actively participated. The students will get placement assistance from Naandi Foundation's for getting high quality sustainable jobs. Central Placement Cell in collaboration with Wadhwani Foundation has designed Employability Skills I and II as non-CGPA Skills enhancement Programs for post graduate students of Shivaji University and these courses are approved by Board of Studies. A large number of students have joined this program. In addition, Central placement cell and TATA strive have organized Google Scholarship Program in which students were given training in IT Support, VX Design, Data analytics and IT automation. A large number of training programs concerning training on soft skills have been organized in Campus to corporate week.

Central Placement Cell in collaboration with Wheebox has organized Employability Assessment test which helped students to identify interest areas in various domains, and career options that can help them in career planning. A large number of students participated in the Employability Assessment test.

A large number of students after post-graduation prefer career in research as well as in academia. Considering this, Central Placement Cell, Department of Education and Equal Opportunity Cells have conducted workshop for NET/SET preparation. The workshop helped a large number of students to qualify NET/SET. In addition, workshop on Careers in Defence, Biomedical sciences, Chemical Sciences and Scholarships for perusing Research abroad were conducted.

Central Placement Cell, Department of Computer Science and IT association of Kolhapur have jointly organized State Level Internship Fair in which more than 1200 students from various places in Maharashtra participated enthusiastically. There was participation of 30 IT-based industries that gave internships to 126 students.

Discipline

J) In-campus Discipline

At Shivaji University, Kolhapur, International Students are expected to **abide by all the rules of the University and the code of conduct as applicable to Indian Students doing the same course**. Any act within the campus that may violate or spoil the academic atmosphere in the University (e.g. Plagiarism, cheating on exams, other dishonesty, abuse of electronic resources, Acts or threats involving the safety of others, Damaging property, Sexual or other harassment, Abuse of alcohol or illicit drugs, Ragging, Smoking etc.) will not be appreciated and the student found guilty of such offence will be dismissed and sent back to their country without any cost to Shivaji University, Kolhapur.

Outside the campus

Any complaint or reporting of misbehavior, violence, anti-social, anti-national, unethical and immoral activities involving International students will be dealt with in accordance with state and central laws that are in force. Shivaji University will not take any responsibility for any criminal or non-criminal acts done outside the campus, when the students are in the rolls of the University.

K) International Affairs Cell

All activities related to extracurricular programs, forums, clubs, community service, and entrepreneurship cell and students council are managed by the International Affairs Cell, Shivaji University, Kolhapur. The students can approach the Director, International Affairs Cell for guidance and share personal issues.

L) Housing and Dining

Accommodation for foreign students is on the campus at **International Students Hostel** and will be provided on first come first serve. There are separate hostels for men and women on the campus, with all facilities for study and recreation. Kitchen facilities are provided in the hostel for foreign students. Besides, there is a consumer store, food outlets and cafes too, within the campus.

M) SUPPORT SERVICES

(i) Student Support Services

1. International students wishing to avail pick-up facilities from the airport or nearest stations would be arranged on request, the expenses for which will be borne by the student.

2. Help would be rendered to the students in availing the Health Insurance at competitive premiums.

(ii) Campus life

Atmosphere in Shivaji University campus is friendly, lively and safe. Diversity of the campus is justified from the fact that students from all parts of India and different countries study on the campus. Most of the students and working class speak in English, Marathi and Hindi. Nearly 70% of the students stay on-campus in hostels and the remaining outside the campus, in nearby private residences or commute daily from the city. Indian students are very sociable, friendly and helpful in nature among the student community. The campus is self-sufficient with department stores, health center, gymnasium, sit outs, eateries, restaurant, food courts, book stall, banks and ATMs, Post Office, bus shuttles (public transport), and security services. There is a huge auditorium for weekend entertainments. Kolhapur is a historical place and the campus is well connected. Students prefer to do week end shopping and entertainment at the downtown. Personal counseling is available to all students to enhance mental health, interpersonal relationships, academic performance, and career development.

Security Registration

It is part of the normal mandatory process that within the stipulated timeframe of arrival in India, the student has to register his/ her name with the police in the Foreigner Regional Registration Office (FRRO). The timeframe may vary from 24 hours to 14 days on arrival, depending on the country of origin. A student with a PIO card also must register at the FRRO. Only OCI card holders need not register. Director, International Affairs, Shivaji University would only provide necessary assistance in this regard. The applicable immigration processing fees and other related expenses have to be additionally borne by the student.

४.१० विविध संवर्गातील मागासवर्गीय भारत सरकार शिष्यवृत्ती / फ्रिशिप अर्ज भरण्याबाबतची सविस्तर माहिती.

पदव्युत्तर प्रवेश विभागामार्फत विद्यापीठ अधिविभागामध्ये नियमित अभ्यासक्रमास प्रवेश घेतलेल्या केंद्र सरकार व राज्य सरकार मार्फत दिल्या जाणाऱ्या भारत सरकार शिष्यवृत्ती व फी सवलतचे (फ्रिशिप) अर्ज, कर्नाटक शिष्यवृत्तीचे अर्ज व अन्य शासकीय विविध शिष्यवृत्तीकरीता अर्ज करणाऱ्या विद्यार्थ्यांकडून शासनाच्या विहीत नमुन्यात व आवश्यक त्या कागदपत्रांच्या पूर्ततेसह अर्ज स्विकारले जातात. यासाठी पुढील अटीचे पालन करणे बंधनकारक आहे.

१. सन २०११.२०१२ या शैक्षणिक वर्षापासून भारत सरकार मागासवर्गीय शिष्यवृत्ती/फ्रिशिपचे अर्ज हे शासनाकडून पुरविण्यात आलेल्या संगणक प्रणालीद्वारे ऑनलाईन पद्धतीने व शासनाने दिलेल्या विहीत मुदतीमध्येच भरण्याची प्रक्रिया सुरू करण्यात येते. त्यानुसार शासनाने दिलेल्या विहीत मुदतीत सदर शिष्यवृत्तीचे ऑनलाईन अर्ज आवश्यक त्या कागदपत्रांसह भरणे आवश्यक आहे.
२. सन २०१५.२०१६ या शैक्षणिक वर्षापासून विद्यापीठात नियमित अभ्यासक्रमास प्रवेश घेणाऱ्या मागासवर्गीय विद्यार्थ्यांना आधारकार्ड काढून घेणे अनिवार्य आहे. त्याचप्रमाणे विद्यार्थ्याने त्याच्या बँक खात्याला सदर आधार कार्ड लिंक करणे अनिवार्य आहे.
३. विविध मागासवर्गीय शिष्यवृत्ती/फ्रिशिप योजनांचा लाभ घेण्यासाठी आवश्यक कागदपत्रांची (जातीचा दाखला, उत्पन्नाचा दाखला, नॉन क्रिमिलेअर दाखला इ.) यांची पूर्तता जुन/जुलै महिन्यात करून ठेवण्यात यावी.
४. कोणत्याही शिष्यवृत्तीचा लाभ घेण्यासाठी संबंधित अभ्यासक्रमास विद्यार्थ्याची ७५: हजेरी आवश्यक आहे.
५. विद्यार्थ्यास केंद्र अथवा राज्य सरकारकडून दिल्या जाणाऱ्या कोणत्याही एका शिष्यवृत्तीसाठी अर्ज करता येईल. जर एका पेक्षा अधिक शिष्यवृत्तीसाठी अर्ज केला असेल तर तो शासन नियमानुसार अपात्र ठरविण्यात येतो. अशा विद्यार्थ्यांनी त्या वर्षातील संपूर्ण शैक्षणिक शुल्क भरणे आवश्यक आहे.
६. संबंधित शिष्यवृत्तीचा अर्ज हा ज्या त्या शैक्षणिक वर्षाकरीता भरण्यात यावा.
७. पदव्युत्तर पातळीवरील भारत सरकार शिष्यवृत्ती मंजूरीचे अधिकार शासनाने विद्यापीठास दिलेले आहेत. तर फी सवलतीचे अधिकार शासनाने त्यांच्याकडे राखून ठेवलेले आहेत.
८. शासन निर्णयानुसार शिष्यवृत्तीकरीता संबंधित विद्यार्थ्यांनी राष्ट्रीयकृत बँकेत आपले झिरो बॅलन्सवर खाते

उघडणे आवश्यक आहे. सदर खाते उघडून आपला खाते क्रमांक, मायकर कोड, आयएफएससी कोड नंबरची नोंद ही शिष्यवृत्तीच्या अर्जावर करणे बंधनकारक आहे. बहिस्थ विद्यार्थी सदर शिष्यवृत्तीस अपात्र आहे.

९. संबंधित विद्यार्थी मागील वर्षी पास अथवा ए.टी.के.टी. असेल तर तो शिष्यवृत्ती/फ्रिशिपकरीता पात्र ठरू शकतो परंतु तो विद्यार्थी दोन्ही सेमिस्टरमध्ये नापास असेल तर भारत सरकार शिष्यवृत्तीच्या नियमानुसार अपात्र ठरतो त्याचप्रमाणे एखाद्या विद्यार्थ्याने विद्याशाखा बदल करून विद्यापीठ अभ्यासक्रमांना प्रवेश घेतला असल्यास सदर विद्यार्थी भारत सरकार शिष्यवृत्ती/फ्रिशिप करीता अपात्र ठरतो उदा. बी.एड. अथवा एम.एड.वरून एम.ए./एम.कॉम./एम.एस्सी./एल.एल.एम.
१०. विद्यापीठ विविध अधिविभागामध्ये मागासवर्गीय विविध संवर्गामधून नियमित अभ्यासक्रमास प्रवेश घेणाऱ्या विद्यार्थ्यांना भारत सरकारकडून तसेच महाराष्ट्र शासनाकडून वेळोवेळी निर्गमित करण्यात येणारे शासन निर्णय हे बंधनकारक आहेत.
११. भारत सरकार मागासवर्गीय शिष्यवृत्ती/फ्रिशिपही नियमित प्रवेशित असलेल्या विद्यार्थी विद्यार्थीनीस दिली जाते. मागील शैक्षणिक वर्षात अनुत्तीर्ण असलेला विद्यार्थी सदर योजनेस पात्र ठरत नाही.
१२. मागासवर्गीय शिष्यवृत्ती/फ्रिशिप या योजनेचा लाभ घेण्यासाठी फक्त शासनाची प्रवेश परीक्षा (C.E.T.) उत्तीर्ण होणे आवश्यक आहे.

४.११ शैक्षणिक वर्ष २०२२-२०२३ पासून शिवाजी विद्यापीठ, कोल्हापूरच्या वतीने सीमा भागातील विद्यार्थ्यांसाठी विद्यापीठ परिसरातील अभ्यासक्रमासाठीची योजना

३. सीमा भागातील विद्यार्थ्यांकरीता वसतिगृहाची प्रवेश प्रक्रिया स्वतंत्रपणे राबविण्यात येईल. सदर विद्यार्थ्यांसाठी अधिविभागवार कोट्याची अट ठेवली जाणार नाही.
४. विद्यापीठातील विविध अधिविभागाकडील भाग-१ च्या नियमित अभ्यासक्रमांसाठी सीमाभागातील विद्यार्थ्यांकरीता अभ्यासक्रमांच्या प्रवेशासाठी एकूण प्रवेश क्षमतेच्या १० टक्के जागा अतिरिक्त (Over & Above) राखीव ठेवण्यात येतील.

५. विद्यापीठ अधिविभागात सीमाभागातील जे विद्यार्थी (भाग २, ३ व ४ इत्यादी साठी) प्रवेशित असतील तेही वरील अटी व शर्तीच्या अधीन राहून सवलतीस पात्र राहतील. या अनुषंगाने विद्यार्थ्यांनी अधिविभागप्रमुखांच्याकडे विहीत कागदपत्रे जोडून स्वतंत्रपणे अर्ज करणे आवश्यक आहे.
६. सीमा भागातील जे विद्यार्थी विद्यापीठातील सर्टिफिकेट, डिप्लोमा, पीजी डिप्लोमा या अभ्यासक्रमांना, तसेच दूरशिक्षण केंद्राकडील अभ्यासक्रमांना प्रवेश घेतात त्यांना सदर योजना लागू नाही.
७. सीमा भागातील विद्यार्थ्यांना पीएच.डी.साठी प्रवेश मिळाल्यानंतर ३ वर्षे वसतिगृह मोफत उपलब्ध होईल.
८. ज्या अभ्यासक्रमांना महाराष्ट्र शासनमार्फत व केंद्र शासनमार्फत (All India Level) सीईटी घेवून प्रवेश निर्धारित होत असतो अशा विद्यार्थ्यांसाठी प्रवेश मिळाल्यानंतरच उपरोक्त सवलती अटी व शर्तीच्या अधीन राहून योजना लागू होतील.
९. शिवाजी विद्यापीठ अधिविभागातील नियमित अनुदानित व विनाअनुदानित पदवी व पदव्युत्तर अभ्यासक्रमांसाठी सीमा भागातील विद्यार्थ्यांसाठी खालील अटी व शर्तीच्या अधीन राहून सदर योजनेचा लाभ देण्यात येईल.

अ) मराठी भाषिक उमेदवारांनी ते महाराष्ट्र शासनाने दावा केलेल्या ८६५ गावातीलच रहिवाशी असल्याबाबतचा त्यांच्या १५ वर्षे वास्तव्याचा सक्षम प्राधिकाऱ्याचा विहीत नमुन्यातील दाखला सादर करणे अनिवार्य राहील.

ब) सीमा भागातील गावातील पुढील विद्यार्थ्यांसाठी प्राधान्य मिळेल.

- १) १० वी पर्यंत ज्यांचे शिक्षण मराठीत झाले आहे.
- २) ज्यांचा १० वीला मराठी विषय आहे.
- ३) जे आर्थिकदृष्ट्या दुर्बल आहेत.

१०. ज्या विद्यार्थ्यांसाठी या योजनेचा लाभ मिळणार आहे अशा विद्यार्थ्यांसाठी केंद्र व राज्य सरकार यांच्याकडून दिल्या जाणाऱ्या शिष्यवृत्ती/सवलती योजनांचा लाभ घेता येणार नाही.
११. सीमा भागातील ज्या विद्यार्थ्यांना सदर सवलतीचा लाभ मिळेल त्यांनी सदर अभ्यासक्रम विहीत मुदतीत पूर्ण करणे आवश्यक आहे.
