Notice for M.Sc. I Chemistry Admissions:

All candidates called for the online admission round are requested to compulsorily upload all relevant original documents through their student login portal.

Instructions:

1. Submitting preferences for the desired specialization/center is mandatory. If a student does not submit preferences, provisional admission will be allotted online to an available specialization/center as decided by the Admission Committee.
2. After the provisional admission letter is allotted online, students must pay the admission fee online within the prescribed time to confirm admission to the allotted specialization/center.
3. Being called for the online admission round does not guarantee admission. Seats will be allotted strictly on the basis of merit and reservation rules (wherever applicable).
