Dear Sir/Madam,

**Subject:** Promoting Menstrual Health of adolescent girls by ensuring availability of quality Sanitary Napkins through Sanitary Napkin Vending Machines & ensuring Safe & Environment Friendly disposal of used Sanitary Napkin through Sanitary Napkin Incinerators.

Female hygiene / sanitation is one of the key aspects of Swachh Bharat Mission. The problem of improper disposal of menstrual waste is also a major roadblock to our achieving Swachh Bharat Mission's goal to create Clean India. It is our responsibility to provide basic necessities for girl students while they are in campus or in hostels. Providing quality Sanitary Napkins is one of the necessities for girl students.

To ensure these, it is recommended to install Automated Sanitary Napkin Vending machines and also Napkin Incinerators in colleges / institutions and hostels.

M/s HLL Lifecare Limited (HLL), a 100% Government of India Public Sector Enterprise under Administrative Control of Ministry of Health & Family Welfare, is one of the implementing agency engaged in this system and is the only one in Govt. sector. HLL is offering end-to-end solution to above problems. HLL's products are also approved by Ministry of Urban Development under Swachh Bharat Mission-Urban, Ministry of Drinking Water and Sanitation under Swachh Bharat Mission Rural and Ministry of HRD

The contact detail of HLL is as under:

Shri.Mohandas Nayar-DivisionHead&DGM/nmohandas@lifecarehll.com/ +91.9873931183

In an endeavor to provide End-to-End solution for girls/women hygiene, I request you to issue necessary instructions to all concerned colleges / institutions to install these technologies in their campus / hostels.

With Regards

Yours sincerely

(Prof. M. P. Poonia)
