NAAC 'A' GRADE

# Shivaji University, Kolhapur

One Day Workshop on

## Formulation of Research Proposal for the RGSTC Scheme

**“Assistance for S & T Applications through University System”**

Implemented by

**Rajiv Gandhi Science & Technology Commission (RGSTC)  
Government of Maharashtra**

**Date :** 6<sup>th</sup> May 2017    **Time :** 2.30 pm to 5.30 pm

**Venue :** Rajarshi Shahu Senate Hall

Patron:

**Hon'ble (Prof.) Devanand Shinde**

**Vice Chancellor, Shivaji University**

**Member, Rajiv Gandhi S & T Commission**

**Government of Maharashtra**

### **“Formulation of Research Proposals under RGSTC scheme”**

Shivaji University, Kolhapur has signed Memorandum of Understanding (MoU) with Rajiv Gandhi Science & Technology Commission (RGSTC), Govt. of Maharashtra for implementation of the Scheme of “Assistance for S & T Applications Through University System. Under this scheme, Pre-Proposals in the different thrust areas are invited from the Permanent/Regular Teachers of the Colleges, institutions affiliated to University and University Departments throughout a year. The emphasis of RGSTC is on Science & Technology for the socio-economic development. Therefore college and university teachers are expected to undertake projects related to innovative technology applications, linked to local resources, specific studies involving S & T components, surveys and field trials of local innovations.

We are indeed happy to announce that more than 200 pre-proposals have been received under the scheme. The proposal scrutinizing body “Committee of Peers (CoP)” is of the opinion that many of the proposals are not meeting the objectives of RGSTC and found routine as not related to the topics identified by the commission. It was therefore resolved to organize one day workshop for college and university teachers with following objectives.

#### **Objectives:**

- To provide information's on thrust areas and innovative technologies identified by RGSTC
- Guidance on writing the research proposals with emphasis on draft dimensions and to generate awareness about the different categories under which proposals can be submitted.

#### **Invited Resource Persons :**

1. **Dr. A. V. Sapre,**  
*Secretary, RGSTC, Government of Maharashtra*
2. **Prof. V. V. Mahajani,**  
*Consultant, RGSTC, Government of Maharashtra*
3. **Dr. P. P. Wadgonkar,**  
*Scientists, National Chemical Laboratory, Pune*

#### **Eligibility for participation:**

Permanent/Regular Teachers servicing in University Departments, Colleges, Engineering and Management Institutions affiliated to Shivaji University can participate in the workshop.

#### **Registration :**

The format of Registration form is given on the last page of the Brochure. Send the scanned copy of duly filled registration form forwarded by the Principal/Director of Institution/Head of the University Departments should reach on or before **3<sup>rd</sup> May 2017 on the Email: [srp\\_chem@unishivaji.ac.in](mailto:srp_chem@unishivaji.ac.in)**. Registration fees will not be charged. No TA&DA will be given to the outstation participants.

Workshop is a joint venture organized through RGSTC Scheme and Research Colloquium Activity of the University.

**Prof. S. D. Delekar    Dr. P. M. Mane**
