Subject: Creating database of institutions of Higher Education in Maharashtra

Dear Sir/Mam,

We write to request you to add your esteemed institution to the Maharashtra State database by using the android based mobile application attached as a zip file to the email.

We are planning to put this database online for the benefits of students, teachers, job seekers and anyone who may be interested in finding out about your college/institution.

You would be aware that it is difficult for students to access reliable information about academic institutions. This database addresses that gap. In case you are interested in reaching out to the students and teacher community, we are sure this would help you.

In addition, in the coming years, the National Assessment of Accreditation Council (NAAC) is planning to use IT tools to assess colleges/institutions. So being in the database would also help you to improve your rating.

The process of downloading the app, installing it and its usage has been detailed in the handbook attached herewith.

Kindly please go through the details and do the needful. We are always available to answer any queries on the following:

Phone Number: 022-22160959 / 22160943
Email Id: spdrusamah@gmail.com

Thanks & Regards

Your Sincerely,

(Sharad Patil)
