ii) Application complete in all respect shall be submitted to the Head of the Institution being attended or last attended by the candidates and shall be addressed to an officer specified for this purpose by the Government of State/Union Territory to which the student belongs in accordance with the instructions issued by them from time to time.

XII. 'FUNDS-LIMITED' NATURE OF THE SCHEME AND PROCEDURE FOR CAPPING

Under the PMS-EBC Scheme, due to budgetary constraint, in practice, it may not be possible for the Central Government to provide assistance for giving scholarship to all eligible students. Therefore, a procedure, as per broad outlined below will be followed:-

- i. At the beginning of the financial year, notional allocation (NA) of funds of States/UTs will be made by this Ministry, from the overall annual outlay of the Scheme, on the basis of population of each State/UT.
- ii. States/UTs will sub-allocate their NA, district-wise and group-wise, for all non-professional courses. However, such sub-allocation would not be necessary for professional courses, as institutions of professional education tend to be concentrated in major cities/centres. The State Government is expected to lay down criteria for selection for award of scholarship under both types of courses, professional and non-professional, to the extent of available funds, based on merit-cum-means.
- iii. States will earmark at least 25% of the total outlay under the Scheme for Group D courses which include Class-XI and XII and all other post-matriculation level non-degree courses, diploma courses in polytechnics etc. Such earmarking would encourage more EBC students to join entry-level courses of tertiary education which would enable them subsequently to take up courses leading to higher qualifications.
- iv. States/UTs will incur expenditure under the Scheme at least to the extent of "Central assistance or NA plus their committed liability", and should normally limit the number of scholarships accordingly. However, they would be free to allocate funds from the State-Plan, over and above the level of their committed liability plus the Central Assistance received, for funding additional scholarships under the Scheme. Any such additional expenditure will have to be borne by the State Government/UT Administration itself, over and above their committed liability, and will generally not be eligible for reimbursement from the Centre. However, additional expenditure incurred by a State/UT beyond the level of Central Assistance may be considered for reimbursement by the Central Government, to the extent of availability of

- . savings (mainly from States which are not able to fully avail of their notional allocation, for any reason), towards the end of a financial year.
- v. Central assistance given to a State/UT would have to be first utilized to cover renewal cases (i.e. students already awarded scholarships during the previous years against Central Assistance), and only the balance amount left may be utilized to cover new cases.

The above lays down the broad principles and procedure for implementing the "Capping" feature. Each State Government may work out its State-specific detailed modalities for implementing the Capping feature of the PMS-EBC Scheme, keeping in view the above broad principles/ procedure and its own circumstances, and send to this Ministry guidelines issued and any amendments thereto, in this behalf to the implementing agencies.

XIII. FUNDING PATTERN OF THE SCHEME

The Scheme will be implemented by the State Governments and Union Territories, which will receive 100% central assistance from Government of India under the Scheme. 1% of the funds will be utilized for administrative expenses.

XIV. MONITORING

The monitoring of the financial and physical performance of the Scheme will be done through seeking detailed information from the Agencies implementing the Scheme. On the physical aspects the Agencies implementing the Scheme will be required to furnish Quarterly Progress Reports regarding the number of beneficiaries receiving award under the Scheme, both class-wise and gender-wise. On the financial side, details of actual expenditure incurred during the last financial year and expenditure proposed for the present financial year will be submitted by the Agencies concerned. The Agencies implementing the scheme will also be insisted upon to submit the latest audited accounts.

XV. EVALAUTION
