## Retrospection

Shivaji University, Kolhapur is named after the great Maratha ruler Chhatrapati Shivaji Maharaj who shaped the epoch. This university proudly claims the intellectual heritage of Mahatma Phule, Rajarshi Shahu Maharaj and Dr. Babasaheb Ambedkar. It was the dream of Chhatrapati Rajaram Maharaj of Kolhapur and Prin. Dr. Balkrishna to establish a university in Kolhapur. The eminent personalities like Hon. Yashwantrao Chavan, Shri Balasaheb Desai, Dr. S. R. Tawade and other dignitaries from surrounding area took efforts in fulfilling this dream. After the establishment of the Shivaji University, the first Vice Chancellor Hon. Dr. Appasaheb Pawar took great efforts in establishing the standard and reputation of the university. I remember them all on this occasion and sincerely pay my homage to them.

The Golden Jubilee celebrated Shivaji University has already acquired 'A' Grade from NAAC with 3.16 CGPA score. In the last two years university has sustained the 28th rank in the National Institutional Ranking Framework (NIRF). 'The U.S. News and World Report', an eminent organization from U.S. has provided 21st position to our Shivaji University. It is again on the Second position in the country in using extensive online references as per the survey conducted by the famous 'Nature Research Journal'. As per recently published (5th February 2018) 'Current Science' Journal, Shivaji University has bagged Eighth position in the country as well as First place amongst the Non-Agriculture Universities of India for its extensive research activities.

The Prime Minister of India Shri Narendra Modi had declared that Twenty Educational Centres shall be enhanced to the level of International standards with an allocation of funds of Rupees One Thousand Crores in addition to other relevant facilities. I feel extremely proud to mention that the Central Government has shortlisted 32 educational institutions and Shivaji University is one of them. This emphasizes the constancy in research activities carried out in the last two to three years in the university.

The academic territory of Shivaji University incorporates three districts – Kolhapur, Satara and Sangli with total number of 281 Affiliated Colleges and 13 Research Institutes, out of which 14 colleges have obtained 'A' Grade from NAAC and three colleges have secured 'A+' grade. Two Engineering Colleges have become autonomous. In this way 8 colleges have so far obtained autonomy. This has improved the reputation of the university.

There are 39 Post-Graduate Departments in the university. Around 2.75 lakh students are taking higher education at graduate, post-graduate and research levels through 8 different academic faculties. Around 40,000 students are getting education through University's Distance Mode of Learning while earning their livelihood.

Shivaji University has received Rs. 2,47,98,774/- as funds from various funding agencies and apex bodies for its development and research activities. Based on the national level research activities, the 'h' index of the University has increased to 86 causing noteworthy progress in its reputation in the country.

The 'RUSA Centre for Natural Product and Alternative Medicines' under RUSA (Rashtriya Uchhatar Shiksha Abhiyaan) was established by the Bio-technology Department of the University. It was inaugurated by the Human Resource Development Minister Shri Prakash Javadekar through e-launching on 17th April, 2017. The department has unceasing worked for the last 15 years especially for the Research in Diabetics for which the University has signed a MoU for its industrial production. This shall help in diagnosing diabetics at a primary level. The speciality of this research is that the formula of this medicine is totally based on Ayurved.

The Department of Nano-Science and Technology is making quite a good progress. The students of this department have visited South Korea, Taiwan, Germany and United Kingdom for research and advanced knowledge. Eight students of the department have been appointed as Science-Writers in Springer-Nature Science Publication House. Miss. Nilam Yadav, B.Sc. III year student has obtained prestigious Erasmus-Mundus Scholarship of France.

In order to develop research activities and to augment the quality of research, Shivaji University has signed MoUs with various organizations like Myongji University, South Korea; Portsmouth University, U.K., Wollongong University, Australia; Ariel University, Israel; National Institute of Oceanography, Goa; Directorate of Finance and Statistics, Govt. of Maharashtra; Maharashtra State Board of Marathi Encyclopedia, Mumbai; Jamnalal Bajaj Institute of Management Studies, Mumbai; Indian Sugar Institute, Pune, Quick Heal, Pune; Indo-German Tool Room, Aurangabad and Infosys.

'Advanced Technology Centre' is established under MoU with Indo-German Tool Room, Aurangabad. University plans to work for Training, Research and Development of Human Resource in the coming years through skill-based training programmes and socially-oriented research programmes. Such programmes at affordable fees will benefit the students who have minimum passed SSC examination.

Under the Third Stage of Central Government's Technical Education Quality Improvement Programme (TEQIP-III), Shivaji University has been selected as Mentor and it will function as an Advisory Institution (mentor) for Himachal Pradesh Government's Rajiv Gandhi Government Engineering College, Kangra. It will also guide the other North-Eastern States of India.

Shivaji University has already signed MoU with Infosys and under its agreement the first batch of fifty teachers from Affiliated Colleges was given training at Bangalore. The second stage of this programme: 'Train the Trainers' was conducted in the University campus in which 45 teachers actively participated. To carry out such huge programmes, extensive agreement with Infosys was signed on 16th November 2018.

I wish to proudly announce that under Govt. of India's 'Global Initiative of Academic Networks (GIAN- X;ku)' scheme, experts from various fields from America, South Korea, Thailand, Italy and France visited our Shivaji University and amply guided the students. This scheme has helped the university to strengthen its bonds with international educational institutions. It is a proof that our Shivaji University is becoming global.

I want to mention here about two programmes initiated by the Department of Zoology. 'Silk-Farming Project' programme has been started in which farmers who have passed 7th standard can also be admitted. Add-on course on Silk Farming for the M.Sc. students has been started which will help to generate self-employment.

The Department of Environmental Science continuously run its usual activities like 'checking and controlling of sound and air pollution, humidity measurement, survey of the Panchganga river pollution and avoiding of water pollution especially during Ganesh Festival etc. The department has noted down observations during the most important religious festival: the 'Sun-Ray Festival' (Kiranotsav) at Ambabai Temple, Kolhapur and has provided useful suggestions. I feel proud to highlight these activities.

Similarly the activities carried out by the Social Science Departments and the Language Departments have also been quite remarkable. Shivaji University is the first university to start Skill-based programmes in Hindi. This proves that one can make a good career by studying languages. Department of Political Science has organized Two-day Special Workshop for Women Sarpanchs. Similarly Marathi Wikipedia Editing Workshop was organized by the Dept. of Marathi.

UNICEF, after thoroughly making a six-months study of finance and accounts departments of all other universities of the State, selected only Shivaji University fit to receive its grants. It is definitely a matter of great pride for our University. We received a grant of Rupees Ten Lakh under the project of 'UNICEF Partnership with Shivaji University for Media and Communication Activities'. A very important workshop on 'Media's Role in Protecting Child Rights' was arranged under this project.

The Resource Centre for Inclusive Education was started this year in Barr. Balasaheb Khardekar Library which has helped the disabled students. The family of Ex-Vice Chancellor Prin. R. K. Kanbarkar donated 4,000 books for the library. Our Central Library has also donated 268 books to the Matoshree Vruddhashram (Home for Aged) as per their demand.

Consumer Store of the University has changed its old look and has become modern with a mall-like structure. I request you to make good use of this facility on this occasion.

I had an opportunity to visit the historical Oxford University as a visiting scholar which is a rarest opportunity for any sitting Vice-Chancellor. I could get this opportunity because of the kind favours of Hon'ble Chancellor and my dear colleagues. I also had an opportunity to serve as the Officiating Vice-Chancellor of Savitribai Phule Pune University, Pune and Mumbai University, Mumbai.

The Royal Couple of Belgium visited India in November 2017. On this occasion 'Academic Round Table' was organized in which only the Vice Chancellor of Shivaji University was invited to attend. I was given the honour to welcome the Hon'ble Queen of Belgium at the Academic Round Table.

As declared in the previous year, University's Mobile App; Payment Gateway and Employees Corner facilities have already been started. Similarly to strengthen the cashless transactions, as per the Central Government guidelines, Point of Sale (POS) machines have been installed in the Cash Section of the University. This year collection of Convocation Fees was done online using above facilities and it was totally successful.

The various activities like registration at Seminars and Workshops, paying of such registration fees through payment gateway, issuing of certificates in digital form etc. are done online only. The registration, correspondence, issuing of certificates etc. of National Service Scheme (NSS) Camp – CHALLENGE-2017 as well as that of All India Inter-University Youth Festival – ‘SHIVOTSAV 2017’ were done online and also with android applications.

The workings of the various executive committees of the University are being carried out online, i.e. on paperless basis. Presently the Finance and Accounts Department has adopted total paperless policy and gradually it will be implemented to the workings of other departments and sections. All meetings and their minutes and proceedings will be made available online.

My dear friend, you know well that we conduct many socially-oriented programmes through NSS. This year too we conducted Cleanliness Drive at the famous Rankala Reservoir, Shri Mahalaxmi Temple, at various statues in Kolhapur city, Central Bus Station and Chh. Shahu Maharaj Railway Station, Kolhapur.

This academic year a State-level Disaster Management Camp – CHALLENGE-2017 was organized successfully in the University campus under NSS. In this camp 42 Training Officers, 36 Programme Officers, 1173 student volunteers including 376 Girl volunteers took part from 14 universities. They were trained by the NDRF soldiers.

All India Inter-University Youth Festival – ‘SHIVOTSAV 2017’ was very neatly and successfully organized by the Board of Students Development, Shivaji University. Our University team presented Quawwali very impressively. Many other noteworthy events were also arranged, like ‘Talk with Passion Crazyies’ in cooperation with Sakal Media Group; other events like ‘Yoga Shakti’, ‘Yoga Yadnya’, ‘NGO Compassion 24’, ‘Group Singing of National Songs’, ‘Blood Donation Camps’, ‘Rally for Unity’ etc. were successfully organized with the cooperation of Maharashtra Times Group and Kaneri Math, Kaneri.

Along with traditional education, various skill-based programmes were started to develop and inculcate different skills among students through ‘Centre for Skill and Entrepreneurship Development’ in affiliated colleges as well as on University campus. University’s ‘Skills on Wheels’ project provided trainings to citizens and youths from different villages of Kolhapur district. Job Fares were organized on the University campus for both University students as well as for undergraduate students. This has created job opportunities for many students.

Central Government’s various projects like Cleanliness Drive, Water Conservation, Skill Development, Digital India etc. have been spread, canvassed and supported through University’s National Service Scheme (NSS), Yashwantrao Chavan School of Rural Development and Department of Electronics by adopting villages and carrying out various socially-oriented programmes in those villages.

There are talks about examination systems of all State universities. But as per our usual practice Shivaji University has excelled in its tradition of declaring examination results in time. In the previous year Examination Section of the University distributed the Question Papers of the Professional Courses through e-mode, i.e. through Secured Remote Paper Delivery (SRPD). Now the scope of SRPD has been further improved to other courses. Similarly examination of 24 papers of Computer Science and IT Section is being conducted online with good and notable success.

The university has started a pilot project of making available the scanned copies of the evaluated answer sheets of B. Pharmacy and M. Pharmacy courses in e-mode and it is showing positive results. This has helped in saving the expenses of printing and postage.

The national level CDSL institution, under Digital India Mission, has taken up the project of saving degree certificates, mark sheets and other educational documents in e-mode. Shivaji University has signed a MoU with CDSL and provided the data of 52000 students for e-saving. Since previous year's Convocation Ceremony, all the passed out students' are informed and instructed either online or through SMS which has helped in saving the expenses.

The Examination Section from this Winter Term has started sending messages to students' about their absence in the examinations on their registered mobile numbers by collecting the information from the concerned junior supervisor and the junior clerk at respective examination centers. This has helped in detecting accuracy in their Exam Seat Numbers. Moreover it will help in the preparation of final e-mark sheets. From this term, on experimental bases, 456 Pharmacy students will receive PDF photo copies of their answer sheets on their e-mail id. We expect the saving of around rupees 15 Lakhs from this experiment.

All the degree programmes from this academic year will be started on Choice Based Credit System (CBCS). The manual of 'Open Elective Courses' under post-graduation CBCS programmes has been uploaded on University website. I request all teachers to instruct the students about the importance of CBCS.

Thank you all.

Jai Hind! Jai Maharashtra !!

## FOREWORD OF PRO-VICE CHANCELLOR

It gives me enormous pleasure to present the 55th Annual Report of Shivaji University, Kolhapur. This Annual Report provides educational progress and information about other significant activities of the University for the academic year 2017-18.

Shivaji University, Kolhapur is started in the name of the great Maratha ruler Chhatrapati Shivaji Maharaj. This university proudly claims the intellectual heritage of great social reformer and pioneer of Womens education Mahatma Phule; the true follower of social justice Rajarshi Shahu Maharaj and the architect of Indian Constitution Dr. Babasaheb Ambedkar. Chhatrapati Rajaram Maharaj, Shri Yashwantrao Chavan, Shri Balasaheb Desai and Dr. S. R. Tawade took efforts to establish Shivaji University in Kolhapur. After the establishment of the Shivaji University, the first Vice Chancellor Hon. Dr. Appasaheb Pawar took countless efforts in establishing the standard and reputation of the university.

The continuous indulgence of the Department teachers in research activities has increased the 'h' index of the University to 86 causing noteworthy improvement in its reputation in the country. The University has signed number of MoUs with various international and national educational and industrial institutions to enhance research. University is carrying out skill-based training and socially-oriented research along with human resource development enterprises. Add-on courses have also been started to increase self-employment. Performance by Social Science and Language Departments is also noteworthy. Shivaji University is one of the first to start skill-based courses in Hindi. Nano Science and Technology Departments are also doing very good progress.

Resource Centre for Inclusive Education has been started in the Barr. Khardekar Library and it has proved very useful for the disabled students. The proceedings of the various committees of the University are carried out on paperless basis using online software.

Students are provided skill-based courses along with tradition education. The youths of Kolhapur district are getting skill-based training through our 'Skill on Wheels' project.

The Choice Based Credit System (CBCS) will be implemented for all degree programmes from next academic year 2018-19. Day by day University's functions and activities are expanding; and along with that reputation of the Shivaji University is also growing. All this is reflected in this Annual Report.

University is trying its best to enhance the socially-oriented research attitude of its students. University aims to benefit all its stake holders. All the Departments of the University, Study Centers, Affiliated Colleges, and all the assisting institutions are making their huge contribution in the progress of Shivaji University. The students are enhancing the standard and reputation of the University through their success.

**Prof. (Dr.) D.T. Shirke**

Pro-Vice Chancellor

## Chairperson's Foreword

I am extremely happy to present before you Shivaji University's Annual Report. It reflects the educational progress as well as many other remarkable activities taken up by the University during the academic year 2017-18.

Shivaji University has acquired the prestigious status by obtaining 'A' grade from NAAC with 3.16 CGPA score. Teachers from all the departments of the university are constantly engaged in research and development activities which have resulted in seeking handsome funds from various apex bodies for the development. The increasing quality in the overall functioning of the University has caused enhancement in its reputation which is reflected in this Annual Report.

Shivaji University constantly works in socially-oriented areas and simultaneously maintains the quality of its research activities. The aim of the research is to benefit maximum number of its stakeholders and other elements of the society. Various University Departments, Study Centers, Research Centers, Affiliated Colleges and other supporting agencies have been immensely contributing in this work. Students are adding fame to the esteemed reputation of the University with their remarkable success in various fields.

I express my sincere gratitude to Hon'ble Vice-Chancellor, Hon'ble Pro-Vice-Chancellor, the Registrar, Members of the Management Council, all Administrative Officers, all Heads of Departments and the Principals of all Affiliated Colleges for their valuable guidance and support in making this Annual Report.

All the members of the Annual Report Committee have helped significantly in editing process. They have helped me significantly in drafting the matter and their guidance and co-operation have been precious. I would like to thank Deputy Registrar of Seminar Section Shri G. S. Rathod, Superintendent Shri R. I. Shaikh, Shri S. M. Patil, Sr. Assistant, Smt. V. V. Kumbhar, Jr. Assistant and all the staff of the Seminar Section who have provided great assistance in gathering necessary information.

Shri AkhalaqTade, Asst. Professor, Department of English, Chintamanrao College of Commerce, Sangli is appointed as a Translator for the English version of the Annual Report. I am very much thankful to Shri AkhalaqTade for his sincere and meticulous contribution in preparing the English version of this report. Shivaji University Printing Press has done the DTP and Printing work quite smartly. I am thankful to Dr. Nandkumar More and the staff of the Printing Press. Finally I express my thanks to all those who have helped me in preparing and editing this Annual Report.

**Internal Quality Assurance Cell, NAAC, Lead Colleges Information****Introduction :**

‘Continuous development in the higher education is a basic and prime need of every nation, especially for a developing country like India. As per the proposal at National Education Policy 1986, and according to the UGC Act, 1956, Clause 12, National Assessment and Accreditation Council (NAAC) was established at Bangalore in 1994.

To improve the quality of higher education, and to accept the challenges raised by the entry of the Foreign Universities in India, Shivaji University established NAAC Cell in 2002.

NAAC has advised to all the higher education institutions to establish Internal Quality Assurance Cell (IQAC) in every college, to plan and implement policies related to quality in teaching, learning and research. Accordingly Shivaji University started IQAC Cell; and regular meetings of the Committee members are conducted as per the directions of NAAC.

Shivaji University faced the first NAAC in 2004, the second visit of NAAC Team in 2009 and the third visit in 2014. Shivaji University obtained ‘A’ Grade in 2014.

NAAC Accredited Colleges									
	A++	A+	A	B++	B+	B	C++	C+	C
1st Cycle	--	01	20	15	25	49	33	11	15
2nd Cycle	--	--	19	01	04	89	-	-	04
3rd Cycle	--	05	12	05	03	05	-	-	-

**\* Internal Quality Assurance Cell (IQAC)**

Shivaji University submits its Annual Quality Assurance Report (AQAR) every year to NAAC as per the directions of NAAC. Regular meetings of IQAC members are conducted and various important points relating to quality in every aspect are discussed, planned, implemented and also objectively evaluated.

The IQAC of Shivaji University is constantly in touch with its all affiliated colleges and institutions. They are informed about any changes in NAAC policies; and are encouraged to proceed with NAAC accreditation process. Workshops and Conferences are arranged for the benefit of affiliated institutions.

Many affiliated colleges and their Principals and IQAC members regularly visit University.

**• Academic and Administrative Audit (AAA Committee)**

Every year Academic and Administrative audit is carried of every Department/ Centre /Chair/ Support Services to check, improve and enhance the quality of work. A questionnaire is prepared as per the requirement of NAAC, and is sent to every Department/ Centre/ Chair and Support Service. After collecting the data from each, Domain Specific Audit is carried out.

External experts, who have experience of working under NAAC Peer Teams, are invited to carry A & A audit. The suggestions of the AAA committee members are considered seriously and steps are taken accordingly.

**Lead College Scheme**

Most of the colleges affiliated to the University are in rural area. Students in the rural area should get an access to latest technology in the urban area and students in rural area should get well acquainted with the issues in the rural area. With this intention in mind Lead College Scheme was implemented in the year 2005.

Directive principles for the implementation of this scheme have been laid down and the scheme works accordingly.

The Apex Committee has been established and its meetings are regularly conducted. The scheme organises various activities in favour of students, teachers and non-teaching staff of the college.

The Lead Colleges are selected every three years; and accordingly the lead colleges are selected for the period of 2016-17 to 2018-19. Accordingly the following selected Lead Colleges were allocated with the 90% of the amount collected under Lead College heads for the academic year 2017-18.

- **Dr. Appasaheb Pawar Vidyarthi Bhavan**

The “Earn & Learn” Scheme for the post graduate students in Shivaji University campus was instituted by late founder Vice-Chancellor of Shivaji University Dr. Appasaheb Pawar in 1968 under the title Vidhyarthi Bhavan. The students who have taken regular admission in the various post-graduate departments in the university but whose family economic background is extremely weak generally inducted in this scheme. Every year 50 boy students and 25 girl students are enrolled in this scheme. The boys students have a separate 2 storeyed hostel named after the founder Vice-Chancellor of Shivaji University as “ Dr. Appasaheb Pawar Vidyarthi Bhavan”. It has 54 rooms which can accommodate around 100 students. At present, there is no separate hostel facility for girl students and hence they are accommodated in ladies hostel along with regular girl students.

The students who are enrolled under “Earn & Learn” scheme get free accommodation, food, concession in tuition & examination fees and free medical facility in the University Health Centre. In order to compensate the cost of above, it is expected that every student will have to work for 100 hrs. per month, i.e. 3 hours daily. The remuneration/ hononarium of the work is credited in the Vidhyarthi Bhavan’s various budget heads and utilized for the above expenses.

The following activities carried out under 'Earn and Learn Scheme.'

1. Xerox Center
2. Library & its allied units.
3. Various Administrative Sections of University Office.
4. Catering Services to N.S.S. students etc.
5. Sports & Garden Section.
6. Internet Hall.

During the Ganesh Festival the following dignitaries delivered lecture :

| Co-ordinator         | : | Dr. M. J. Joshi         |
| Technical Assistance | : | Shri. K. S. Deorukhakar |

The Internet Unit is divided into three sections : Network Cell, Website Cell and Library Internet Hall. Network Cell has been established to provide computer network and internet service in the University campus. 27 Departments and the main administrative building are connected by Optical Fibre Cable. Internet facility has been provided since July 2001 everywhere in the campus.

Presently 220 mbps Leased Line has been taken from BSNL. National Knowledge Network has provided 1 GBPs leased line. Dr. M. J. Joshi is working as the Co-ordinator with the technical support of Shri Deorukhakar.

University's website [www.unishivaji.ac.in](http://www.unishivaji.ac.in) was designed on 20th May, 2002 and it is managed by the Website Cell. The Website contains more than 400 Web pages. University uploads the Results of Examinations, Circulars to Affiliated Colleges, Invitation letters of various Programmes, Tenders of items, Appointments and Admission Notifications etc. information on its Website.

More than 10 online schemes have been successfully started by Internet Unit. The feedback system from students is being carried out since six years and it has been highly appreciated by NAAC. Similarly the proceedings of Academic Council, the syllabi of all the curricula are made available on University Website. This has helped in saving time, money and labour. The online magazines of the University 'Shivsandesh' and 'Internet' are also regularly run by the Department. In this way the internet facility is used by the students in the campus as well as by the affiliated colleges students.

A spacious Internet Hall consisting of 40 computers with internet service has been established with the financial assistance from University Grants Commission. This Internet Hall is kept open from 10 a.m. to 6 p.m. for all teachers, students and research scholars. Around 350 to 400 students and teachers make use of this facility. Students have been provided with the facility of photo-copying, CD-writing and printing by the Internet Unit.

#### **Dept. of Technology**

1. In the year 2006, the University launched its new endeavor on the campus in the form of inception of its own Department of Technology imparting technical education in various specializations in Engineering and Technology. The University started this Department with four M. Tech. courses at the establishment year and five B. Tech. courses were launched in 2008. Today the Department has been successfully operating 5 M. Tech. Programmes and 6 B. Tech. Programmes. While establishing this Department, the University followed the same basis that it did not seek for any separate grant as such from the State Government and very good establishment of this department has taken place through University's own funds. All the Programmes at the Department of Technology are approved by AICTE and recognized by Maharashtra State government. The student's enrollment to these programs is as per the norms laid down by AICTE, New Delhi and Directorate of Technical Education, Mumbai, Government of Maharashtra.
2. Former Vice Chancellor, Prof. Dr. N. J. Pawar and the former Deputy Registrar, Shri. Balasaheb Nichite have contributed tremendously in the development and growth of this department. The Department is spread over around 30 acres land on the opposite side of the main campus of the University. highly qualified Teaching Staff caters to the educational needs of the students with the help of fully equipped laboratories with latest instruments.
3. Department has initiated Programmes like B. Tech; M. Tech. and Ph. D. with the financial aid from TEQUP.
4. 1500 students are obtaining technical education from the department. Recently Prof. Dr. Jaykumar Bagi has been appointed as the Director of the Department. The Department is on the verge of establishing itself as a unique brand in the field of Engineering and Technology.

## Shivaji University Affiliated Colleges Magazine Competition-2017-18

In order to give scope to the born instincts and to bring up the creativity of the students, every year the colleges publish magazines. University organizes colleges magazine competition regularly. This tradition has been started by the University from 1970, so that colleges may bring out best quality magazines and students are encouraged. Presently the scheme is known as 'Shivaji University Affiliated Colleges Magazine Competition'.

77 Non-professional and 23 professional colleges participate in the competition in 2017-18 in which 308 students won individual prizes for their articles out of which were 138 male and 170 female students. The following colleges bagged the General Championship.
