Shivaji University's students, professors and others in the field of work offered a helping hand to rehabilitate the lives of people in Kolhapur and Sangli district affected during the floods in the year 2019. The efforts taken by them are truly praiseworthy.

Observing the condition and occurrence of Natural Disasters globally we are taking small measures towards conservation of nature. As a small effort Shivaji University planted 13,000 trees; under the governments' tree plantation campaign at university campus in the presence of Revenue and Home (Urban) Minister jointly with Forest Department and Social Forestation department. We were overwhelmed by the act of plantation of trees as our social responsibility towards nature. Internal Quality Assurance Cell, NAAC, Lead Colleges Information

Introduction :

'Continuous development in the higher education is a basic and prime need of every nation, especially for a developing country like India. As per the proposal at National Education Policy 1986, and according to the UGC Act, 1956, Clause 12, National Assessment and Accreditation Council (NAAC) was established at Bangalore in 1994.

To improve the quality of higher education, and to accept the challenges raised by the entry of the Foreign Universities in India, Shivaji University established NAAC Cell in 2002.

NAAC has advised to all the higher education institutions to establish Internal Quality Assurance Cell (IQAC) in every college, to plan and implement policies related to quality in teaching, learning and research. Accordingly Shivaji University started IQAC Cell; and regular meetings of the Committee members are conducted as per the directions of NAAC.

Shivaji University faced the first NAAC in 2004, the second visit of NAAC Team in 2009 and the third visit in 2014. Shivaji University obtained 'A' Grade in 2014.
