### Profile of the College

Mahatma Phule Shikshan Sanstha's Karmaveer Bhaurao Patil College is established in 1961 with an aim to provide the higher education facilities to the masses through quality education. It provides traditional as well as new professional courses and programs. The student of the college successively illuminate the name of the college in academic, sports, cultural and other activities in Shivaji University with starry success. The college is reaccredited with NAAC's "A" (CGPA: 3.17) grade in second cycle of accreditation. Named after the great educationist and social reformer, Padma Bhushan Dr. Karmaveer Bhaurao Patil, the founder of Rayat Shikshan Sanstha, the college continues the legacy of the principles laid down by him. Prof. Dr. N. D. Patil, a luminary and legendary social activist, thinker, and the disciple of Bhaurao Patil, laid the foundation stone of this college.

'Karmaveer Spardha Pariksha Prabodhini' (Center for Competitive Center) is one of the leading centers in the vicinity providing multi facilitated and comprehensive resources with successful results of highest number of government officers like PSI, DYSP, Deputy Collector, STI etc.

The college strives to create vocational and skill based educational facilities on the campus to meet dynamically shifting requirements of Higher Education due to National Education Policy: 2020. To initiate this, the college has introduced more than 31 add-on, skill and value added courses to inculcate communication, vocational and employment skills among the students.

An MoU with ISRO 'Lightning Detection System' is a part of 'National Information System for Climate and Environmental Studies' (NICES) program. The rich resources like library, sports, culture and laboratories make our college a complete place to cultivate the knowledge among the students. Alumni of the college contribute in several fields of the society like education, politics, government services, law, finance and cooperation.

- The research papers will be published in conference proceeding having ISBN.
- The selected papers will be considered for publication in UGC Care listed Journal with applicable charges.

■ Only Students can Participate in poster presentation.

### Concept Note

On the occasion of Azadi ka Amrit Mahotsav Digitalization of Indian society plays a vital role. In the modern age, information has become incredibly important in day-to-day applications involving financial transactions. Data integrity, confidentiality, non-repudiation and authenticity have all become critical elements of information security. Cybersecurity is the protection to defend internet-connected devices and services from malicious attacks by hackers, spammers and cybercriminals.

The aim of the present era of national cybersecurity policies is to promote societal and economic growth while protecting cyber dependent societies against threats. The fact that the Indian business, society and governments now rely heavily on the Internet for many important functions is taken into account via cybersecurity legislation. As a result of this, real-time monitoring of government networks and cybersecurity research and development receives more attention.

In modern era daily life is more dependent on technology than ever before. To make awareness of cybersecurity a national Seminar on 'Digital India through digitalization of Indian society' will be definitely beneficial to each and every part of the society.
