Respected Sir/Madam,

Shivaji University is organising a Joint Programme of MSFDA and IIT Bombay on "Experiential Learning using Field-based Case Study Approach"

The programme provides a societal experience to develop interdisciplinary knowledge and skills of fieldwork, systematic documentation and analysis.

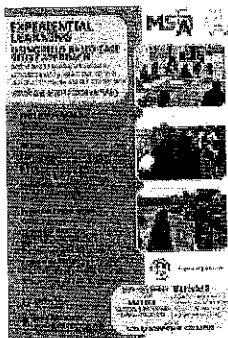

Each college's team (2 faculty members and 4 students) is invited to participate. A limited number of teams will be considered (probably 8 colleges' teams), and the selection will be based on a first-come, first-served basis.

I have attached the detailed brochure of the workshop to this email. Kindly make participation of the team members from your esteemed institute.

Thanks and Regards,

Dr. Kavita Shrikant Vadrale
