To,  
Director,  
Department of Higher Education,  
Government of Maharashtra, Pune

Dear Dr. Shailendra Deolankarji,

Warm Greetings!

**In collaboration with TIFR Homi Bhabha Centre for Science Education (HBCSE) Mumbai, we are very happy to announce a 6-day Capacity Building Program for faculty members at the UG level from any branch of science.**

The program will delve into teaching-learning of science. It will include some plenary sessions on the nature, history and philosophy of science, and also incorporate design & technology education. There will be group-wise sessions on disciplinary content, pedagogy and conceptual pitfalls, with hands-on inquiry based modules in Physics, Chemistry and Biology.

**Dates:** March 11-16, 2024 (residential)

**Venue:** Homi Bhabha Centre for Science Education (HBCSE), Mumbai

**Eligibility:** Faculty members teaching any Science discipline in higher education.

We have attached a flyer for the program as well as a detailed letter to college Principals.

It is requested that this information is disseminated to various colleges across Maharashtra at your earliest.

Thanking you, and looking forward to your continued cooperation.

Dear Principal,

Greetings from Maharashtra State Faculty Development Academy (MSFDA), Pune - a sec. 8 company created by the Dept. of Higher Education for capacity building of stakeholders in Higher Education Institutions (HEIs). With particular focus on faculty members, we offer professional development programs in various domains to members of HEIs.

***In collaboration with TIFR Homi Bhabha Centre for Science Education (HBCSE), we are very happy to announce a 6-day Capacity Building Program for Teachers teaching any branch of science at UG level who would like to hone develop their discipline-specific teaching skills.***

**About:** The program will delve into teaching-learning of science subjects. There will be some common sessions about various aspects of science as well as subject-wise sessions for physics, chemistry and biology, including hands-on experiments.

**Highlights:**

- Plenary sessions on the nature, history and philosophy of science
- Explore design and technology education
- Group-wise sessions on disciplinary content and pedagogy, conceptual pitfalls
- Hands-on inquiry based modules in Physics, Chemistry, Biology

**Dates:** March 11-16, 2024 (residential)

**Venue:** Homi Bhabha Centre for Science Education (HBCSE), Mumbai

**Eligibility:** Faculty members teaching any Science discipline in higher education.

**To register:** Fill in the registration form at <http://tinyurl.com/HBCSE-MSFDA24> on or before **March 01, 2024**. Selected registered participants will receive a payment link for registration fees. **Participation will be confirmed only after payment.**

**Registration fees:** Rs. 1000/- (Non-refundable, includes stay, food and training costs. Participants have to make their own travel arrangements to reach HBCSE, Mumbai from their place of residence.)

**Please note:**

1. **REGISTER SOON** as the number of seats is limited!
2. All programs of MSFDA are valid for fulfilling CAS and API requirements.

For any queries regarding the program you can contact  
Ajay : **8275440896** (ajay.msfga@gmail.com)

We hope to hear from you soon!
