RETROSPECTION

It is my privilege to present the 61st Annual Report of Shivaji University, Kolhapur. Established on 18th November 1962, the University was inaugurated by the then President of India, Dr. Sarvepalli Radhakrishnan. Over the past six decades, Shivaji University has made significant strides and distinguished itself in the fields of education, research, arts, sports, and employability. These successes have been made possible through the unwavering support and goodwill of all stakeholders, faculty, staff, students, and well-wishers, who have contributed to our growth and progress.

Since its inception, the university has remained deeply committed to its social responsibilities and has made significant contributions to the advancement of higher education in South Maharashtra. Each Vice-Chancellor of the university has played a crucial role in implementing strategic plans to propel the university forward. Through their dedication and foresight, the university's reputation has grown, extending beyond national borders to achieve international recognition.

The jurisdiction of Shivaji University extends across three districts: Kolhapur, Satara, and Sangli, with a total of 297 affiliated colleges. The University comprises 34 academic departments, 2 dedicated schools, 19 study and research centers, and 10 specialized departments, along with 19 affiliated research institutes. Together, these entities contribute to a robust academic and research ecosystem that supports interdisciplinary learning and innovation. Approximately two and a half lakh students are enrolled for undergraduate, postgraduate, and research-level education across four faculties. During the reporting year, autonomy was granted to three departments — Physics, Botany, and Zoology—further strengthening the academic framework of the university. Additionally, 15 autonomous colleges are affiliated with the university, with 3 of them being newly authorized to award joint degrees from both the university and the college.

Shivaji University has successfully implemented the new National Education Policy and has emerged as a leading university in the state. The university has made significant strides based on the five key principles of higher education internationalization, industrialization through research, innovative and impactful research, quality education, and a future-oriented, skill-based curriculum.

In an effort to promote awareness about the National Education Policy, the University organized a series of initiatives. Aligned with the directives of the Government of

Maharashtra, 'National Education Policy Week' was observed in July 2023, featuring various academic and outreach activities. The university organized workshops for principals, administrators, and teachers of affiliated colleges, along with a special poster exhibition and student competitions.

Special interviews with the Hon'ble Vice-Chancellor were broadcast on various private FM channels, as well as on Akashvani and Doordarshan. A comprehensive seminar titled "Maharashtra's Mahasankalpa: New Education Policy" was also aired on TV-9, organized by the University's Public Relations Department. The program featured distinguished educationists from across the country, offering valuable insights into the policy's vision and implementation. This event benefited 200 participants in person, and an impressive 56,000 individuals benefited online. A special seminar was also hosted on the university's 'Shiva-varta' YouTube channel, further spreading awareness and engagement.

The Department of Lifelong Learning and Extension at Shivaji University has introduced a new M.A. in Yoga, marking a significant expansion in the university's academic offerings. Additionally, the university launched a new three-year B.A. (Sports) degree course in the academic year 2023-24, further strengthening its commitment to promoting sports education. A B. A. Degree Course in 'Film Making' and an M.A. in 'Mass Communication' have also been introduced in the respective departments, diversifying the academic options available to students. Moreover, the university is set to launch MOOC (Massive Open Online Courses) on 'Life and Legacy of Chhatrapati Shivaji Maharaj,' aimed at providing accessible, high-quality learning opportunities for a wider audience.

Shivaji University, certified with ISO 9001:2015, has achieved an outstanding milestone by receiving an 'A++' accreditation from NAAC (Bangalore) with a remarkable 3.52 CGPA in the fourth cycle of re-accreditation. The University Grants Commission has also conferred 'Category-1' status to the university, further cementing its reputation. During the reporting period, 26 affiliated colleges of the university secured prestigious 'A++', 'A+', and 'A' grades, highlighting the university's academic excellence.

In the QS BRICS University Ranking 2024, Shivaji University has been ranked 601-650 in the South Asia region. Furthermore, the university continues to maintain its position among the top two hundred universities in the country in the NIRF Ranking 2023, a testament to its consistent commitment to quality education and research.

Pro-Vice-Chancellor Dr. Pramod Patil has been appointed as the Honorary University Chair Professor at National Dong University, Taiwan, marking a significant international recognition of his academic leadership. Dr. Tukaram Dongle from the School of Nanoscience and Biotechnology at Shivaji University was awarded the prestigious 'Prof. Manmohan Sharma Science-Technology Award-2023' by the Marathi Vidnyan Parishad. Dr. Dongle, at a young age, became the first teacher-researcher from Shivaji University to receive this esteemed award. Furthermore, 22 students from the Department of Education participated in the Student Mobility Program at various European Universities from April to September 2023 under the EU's 'Edureform' project, further enriching their academic experience and global exposure.

Over the past year, Shivaji University has signed several significant Memoranda of Understanding (MoUs) with renowned national and international institutions, enhancing

its academic, research, and industry collaborations. Notable among these are MoUs with the Indian Institute of Tropical Meteorology (IITM), Pune – a premier institute under the Ministry of Earth Sciences; Sardar Vallabhbhai National Institute of Technology, Surat (Gujarat); Rani Channamma University, Belagavi; the Confederation of Real Estate Developers Association of India (CREDAI), Kolhapur; Lawrence & Mayo India Pvt. Ltd., Mumbai; the Kolhapur District Urban Banks Co-operative Association; Tamil University, Thanjavur (Tamil Nadu); the Saraswati Mahal Library; and Mahatma Phule Agricultural University, Rahuri.

On the international front, Shivaji University has signed a MoU with the Camões Institute of Lisbon, Portugal. Notably, Shivaji University is the first and only university in Maharashtra to introduce Portuguese language courses, marking a pioneering step in linguistic and cultural exchange. Moreover, an advanced Census Information Research Work Center has been established in the Department of Statistics through a MoU with the Directorate of Census Operations, Maharashtra—furthering the university's research capabilities in demographic studies.

The university has made commendable strides in expanding access to education through its distance and online learning initiatives—particularly for working professionals and those unable to participate in regular on-campus programs. In a significant achievement, 12 courses offered by our Distance and Online Learning Centre have received five-year approval from the University Grants Commission (UGC).

This year, the UGC has further granted approval to launch four new online postgraduate programs: MBA, M. Com., M.Sc. in Mathematics, and M.Sc. in Computer Science. These additions reflect our commitment to academic excellence, flexibility, and inclusivity. Moreover, in alignment with the revised curriculum, we have successfully developed self-study materials for a total of 328 subjects across M.A. and M.Com. programs, ensuring quality content and learner support for our distance education students. During the academic year 2022–23, a total of 566 students were awarded the prestigious Shivaji University Merit Scholarship. Financial assistance amounting to ₹10.50 lakhs was extended to seven economically weaker colleges under the university's Financial Aid Scheme, reaffirming our commitment to equitable access to quality education.

A comprehensive five-year Master Plan, covering the period from 2024-25 to 2028-29, has also been formulated to guide the university's strategic growth and development. The State Government's incentive initiative, Perisparsh Yojana, aimed at supporting colleges yet to undergo NAAC accreditation, has been actively implemented and is receiving an encouraging response. Furthermore, under the Career Advancement Scheme (CAS), 25 faculty members from university departments and 359 teachers from affiliated colleges were promoted during the reporting period—an important step in recognizing academic excellence and fostering faculty development.

From April to October 2023, the Student Development Department, under the Shivaji University Students, Parents, Teachers, and Administrative Staff Welfare Fund Scheme, extended financial assistance to 123 beneficiaries. This initiative underscores our continued efforts to support the welfare of our academic community.

In the realm of cultural achievements, the university proudly sent two performing troupes—Folk Dance and Folk Orchestra—to represent us at the International Youth Festival organized by Lovely Professional University, Phagwara (Punjab). A contingent of 26 talented students participated in this prestigious event. Notably, for the first time in the 36-year history of the Yuva Mahotsav, the vibrant folk traditions of Karnataka's Dholu Kunitha and our university's folk orchestra were showcased on an international platform—marking a significant milestone in our cultural outreach and student engagement. The 43rd Youth Festival of the university was successfully organized in October 2023 across the Kolhapur, Sangli, and Satara districts, bringing together the vibrant cultural spirit of our academic community. The Central Youth Festival was hosted at Dahiwadi College, Dahiwadi, with enthusiastic participation from approximately 2,000 students representing 131 affiliated colleges.

It is particularly heartening to note that 1,100 of these participants were female students, reflecting a strong and growing presence of women in extracurricular and cultural activities. In the team competition category, Vivekanand College, Kolhapur, secured the prestigious rotating trophy. In individual categories, Dahiwadi College (Dahiwadi) excelled in folk arts, Kisanveer College (Wai) in folk dance, and Mudhoji College (Phaltan) in individual performances, each winning the rotating trophies in their respective categories.

On the historic occasion of the 350th Shivrajyabhishek Day, 350 dedicated volunteers from the University's National Service Scheme (NSS) participated in a special university-level camp held at Raigad Fort. Demonstrating their commitment to environmental stewardship, more than 13,000 kilograms of waste were collected as part of the Raigad Swachhta Mohim, organized during the event. In addition, NSS volunteers actively supported pilgrimages along the Ashadhi Wari pilgrimage route by implementing impactful campaigns such as Swachh Wari, Swasth Wari – Harit Wari, Nirmal Wari and the Plastic-Free campaign.

Throughout the year, the university also led and participated in several important national initiatives, including the 100 Second Tribute Activities, National Integration Camp, International Yoga Day, and a mass tree plantation drive with 300 saplings under the Miyawaki method on the university campus. Key social initiatives such as the Drug-Free India Campaign, National Republic Day Parade Selection Camp, Blood Donation Drives, Fire Safety and Emergency Medical Care Camps, Shram Sanskar camps, Ektamata Daud (National Unity Run), and the Election Literacy Forum Empowerment program were also actively conducted. The university enthusiastically implemented the Meri Mitti, Mera Desh campaign across all affiliated colleges. As part of this initiative, Amrit Kalash (sacred soil urns) collected from Satara, Sangli, and Kolhapur districts were respectfully sent to New Delhi, symbolizing unity and national pride. Furthermore, on the occasion of the G-20 Summit, the University and its affiliated colleges organized a wide array of activities to align with the national discourse and celebrate India's global leadership.

To commemorate the International Year of Millets, Shivaji University, in collaboration with the Food Safety and Standards Authority of India (FSSAI, Western Division), the Union Ministry of Health and Family Welfare, Jubilant Foods Pvt. Ltd., and

Perfetti Van Melle, organized the Eat Right Millet Mela on campus. The event featured an exhibition and sale of nutritious millet-based recipes, promoting the health benefits and cultural significance of whole grains. Students from various affiliated colleges actively participated, showcasing culinary creativity and raising awareness about sustainable food choices. As part of the celebration, a special Walkathon attracted the enthusiastic participation of around 1,500 citizens, further reinforcing the university's role in promoting public health and community involvement.

Shivaji University's Centre for Innovation, Incubation, and Linkages—established as a Section 8 Company—has earned the distinction of being recognized as an 'Emerging Centre' by the Maharashtra State Innovation Society, Government of Maharashtra. This recognition reflects our growing impact in fostering innovation and entrepreneurship across the region. Under this initiative, a series of dynamic and forward-thinking programs were successfully implemented, including the 'Innovation and Startup Yatra', 'Monthly Innovation Challenge', the 'Startup Sutra' lecture series, and an 'Innovation Meet'—all of which received an enthusiastic response from students, faculty, and aspiring entrepreneurs. The centre has enrolled 21 promising start-up projects across diverse domains such as Computer Science, Food Processing, Agriculture, Health, Chemical Technology, Sericulture, Transportation, the Internet of Things (IoT), Construction, and Education—demonstrating a broad and inclusive approach to innovation and societal advancement.

The year was marked by exceptional accomplishments in the field of sports, reflecting the growing excellence and competitive spirit among our student-athletes. For the first time in Shivaji University's history, six of our athletes were selected to represent the Indian University Team at the prestigious World Inter-University Games held in Chengdu, China—a proud moment for the entire University community.

In another historic achievement, our athletics team clinched the overall championship title at the 82nd All India Inter-University Athletics Championship held in Chennai—an unprecedented milestone for the university. The inaugural Shivspandan Sports Festival-2023 was successfully hosted on campus, fostering greater student engagement in sports. The Department of Technology emerged as the overall winner of the festival. The Shivspandan Marathon, organized as part of the festivities, saw enthusiastic participation from students and staff alike. Additionally, a Mini Marathon held on the occasion of National Sports Day witnessed the spirited involvement of over 400 participants. In team sports, our Men's Lawn Tennis team made history by securing the gold medal at the Western Regional Inter-University Tournament and earning a place in the National Inter-University Championship. In the field of Yogasana, both our boys' and girls' teams won gold medals at the South-West Regional Championship held in Tamil Nadu, and were subsequently selected for the All India Inter-University National Competition. Adding to these successes, the university's Men's Taekwondo team earned silver and bronze medals at the All India Inter-University Taekwondo Tournament hosted by JJT University, Rajasthan.

As part of the joint celebration of Shivaji University's Hirak Mahotsav and Azadi Ka Amrit Mahotsav, the university launched its official YouTube channel 'Shiv-Vani' on 15th August of last year, under the initiative of the Department of Public Relations. A landmark

digital initiative, the channel featured a year-long daily series titled 'Abhivadan Swatantra Sainikanna', which honored the contributions of both renowned and unsung heroes of India's freedom struggle. The program aired every morning at 9:00 AM and concluded on 15th August, 2023 with its 366th episode—a special tribute to veteran freedom fighter Hon'ble Shri. Madhavrao Mane, who graced the concluding ceremony in person. The series reached and inspired more than 75,000 listeners, becoming a valuable resource in preserving and disseminating the legacy of India's independence movement. In addition, a thoughtful review series on Mahatma Gandhi's autobiography *My Experiments with Truth* was also broadcast, deepening public understanding of Gandhian philosophy and values.

This year, the university began the construction of dedicated buildings for the Department of Commerce and Management, as well as the Yashwantrao Chavan School of Rural Development. The groundbreaking ceremony (Bhumipujan) for these important projects was graciously performed by the Honourable Chief Minister of Goa, Dr. Pramod Sawant, in the presence of distinguished alumni and university officials. In a heart-warming gesture, the former Assistant Registrar of the university, Shri. Pandit Marulkar, and his wife, Mrs. Rajni, donated ₹35 lakh to the University in memory of their late daughter, Asmita. This generous contribution enabled the University to construct a dedicated hostel for research students, which was completed and inaugurated within just one year—further enhancing the campus infrastructure and supporting the academic community. The university has proposed the creation of the 'Loksmriti Vasatigriha' (Hostel) for female students, designed to be built through public participation and to preserve the memories of loved ones. The concept allows individuals to contribute a specific amount in honor of a family member or loved one, with the opportunity to name a residential room in their memory. For donors contributing a minimum of ₹3.25 lakh, a memorial plaque of the honoured individual will be placed in the respective room. This innovative initiative has garnered a remarkable response. Notable philanthropists such as Mr. Sachin Menon, a renowned businessman from Kolhapur, and former Member of Parliament Shri Ramsheth Thakur, have made generous donations of ₹6.50 lakh and ₹25 lakh, respectively, supporting the realization of this noble project.

Shivaji University has long been a leader in environmental conservation, with its sprawling campus playing a vital role in sustaining the ecological balance of the region. Home to more than 13,000 trees, the university campus is rightly referred to as the 'Lungs of Kolhapur'. The campus is also a sanctuary for over 1,500 peacocks and 125 species of birds, making it a rich haven for biodiversity. The university has undertaken significant water conservation initiatives, ensuring that it is self-sufficient in terms of water usage—a commendable achievement in sustainability. This year, as part of the ongoing campus beautification efforts, Krantivan has been completely transformed. The area now boasts enhanced facilities for senior citizens, including walking tracks, benches for rest, and the planting of native tree saplings, creating a peaceful and accessible space for the community. This initiative has been greatly appreciated by citizens who visit the campus for morning and evening walks, providing them with a serene environment to connect with nature.

During the year under review, several significant books were published by the

university, contributing to the body of academic and literary work. Notably, the Russian and Italian translations of Shahu Charitra, written by Jaisingrao Pawar, were published under the auspices of Shrimant Shahu Chhatrapati Maharaj. In addition, notable works by distinguished authors were also released: *Mahatma Gandhi and His Tales* by senior journalist Dashrath Parekar and Dr. Nanda Parekar, *Illustrious Followers of Mahatma Gandhi: Goparaju Ramchandra Rao* by Vijay Tambe, and *The Social Reform Movement and Dr. Ambedkar's Intellectual Justification for Human Equality and Justice* by Dr. Dinkar Khabde. Furthermore, a collection of research papers was published by the Beti Bachao, Beti Padhao Abhiyan. A special booklet containing the 1976 lecture Survey Research in Political Science in India by V. N. Shirsikar was also released, contributing to the field of Political Science research.

Throughout the year, the university organized a series of important conferences and seminars on a wide range of contemporary and academic topics, fostering intellectual exchange and professional development. Notable events included a one-day seminar on 'New Education Policy 2020: Role of Entrepreneurs and Human Resource Managers' organized by the Centre for Skill and Entrepreneurship Development for entrepreneurs and HR professionals from the Kolhapur, Satara, and Sangli districts. Additionally, the university hosted a special one-day workshop on 'New Education Policy (Higher Education): Objectives and Implementation' organized by the Internal Quality Assurance Cell for management representatives and Principals of the educational Institutes. In collaboration with the Department of Political Science, Centre of Gandhi Studies, and Com. Datta Deshmukh Adhyasan, the University organized a 'Two-day National Seminar on Dr. Punjabrao Deshmukh: Person, Thought, and Work'. The Department of Statistics conducted an insightful 'One-day International Conference on Non-Parametric Statistical Methods', while the Department of Economics, in association with the Indian Society of Agricultural Marketing (ISAM) from Hyderabad, successfully organized a 'Three-day National Conference on Agricultural Marketing'.

The university also co-hosted an 'International Conference on Competitive Sports and Global Opportunities' in association with Shivaji University and Midwestern State University, along with a 'Webinar and National Conference of Translators' organized in partnership with the Marathi Department and Indian Translation Literature, Bhubaneswar, Odisha. Furthermore, the university was actively involved in the '13th India-Japan Science and Technology Conclave', where the 'International Science Technology Conference' was successfully conducted, reinforcing our commitment to global academic collaboration.

The University has implemented several significant reforms in its examination system to enhance transparency and convenience for students. Since last year, the provision for issuing duplicate mark sheets has been fully digitized through the Student Facility Centre, allowing students to access their documents online. A total of 21,133 documents of various types have been distributed through this system. Additionally, the facility to obtain Provisional Degree Certificates online has been introduced, with 5,760 certificates successfully distributed during the reporting period. In line with the University's commitment to transparency, carbon copies of answer sheets for the Entrance

Examination for Postgraduate Courses in the academic year 2023-24 are now available in OMR sheet format, ensuring that there is no ambiguity for the examinee. Furthermore, efforts are underway to develop 'Online Evaluation Software' within the university, aimed at streamlining the evaluation process at the Central Evaluation Centre in the Examination Department.

To further enhance the efficiency and dynamism of the examination department, various computer systems have been successfully developed and implemented by the IT Department. These systems include tools for generating statistical reports, accomplishment reports, cap status reports, managing grievances, issuing provisional degree certificates, and facilitating convocation registrations, all aimed at streamlining operations. In keeping with the University's tradition of timely results, this year, Shivaji University has once again demonstrated its commitment to efficiency. All results for 680 examinations from the March-April 2023 summer session were declared within the prescribed timeframe of 30 days, with an impressive average result declaration time of just 14.61 days. Similarly, the results for 119 courses from the October-November 2023 winter session were also announced on time, with an average declaration time of 10.21 days.

The National Academic Depository (NAD) cell was launched at Shivaji University in 2020, marking a significant step towards digitizing academic records for greater transparency and accessibility. To date, a total of 9,14,325 certificates, covering degrees and postgraduate courses from 2001 to 2023 (37th to 59th convocation), have been successfully uploaded to the NAD portal. Additionally, 1,03,127 mark sheets for the academic year 2022-23 (October session) have been made available online, ensuring easy access for students and stakeholders. In line with the implementation of the Academic Bank of Credit (ABC), a total of 1,80,740 student IDs have been prepared for seamless credit transfer and academic tracking.

The traditional processes of examination are being modernized and accelerated through the implementation of computer systems at Shivaji University. The university has developed 'Examiner Appointment System' and 'S.R.P.D.' System, both of which have significantly streamlined operations. Additionally, the introduction of an online payment gateway facility has made it possible for students to pay all types of fees electronically, eliminating the need for them to visit the university in person. Students can now conveniently check the status of their applications at any time, from anywhere, through their personal login accounts.

This address has sought to highlight the key milestones and significant developments over the past year. However, the annual report offers a more comprehensive overview of the university's ongoing progress and achievements. We trust that this report will provide a clear reflection of the university's forward momentum, and we are confident that it will be well-received and appreciated by all.

A WORD FROM THE PRESIDENT OF BOARD OF DEANS

It is with great pride and satisfaction that I present the 61st Annual Report of Shivaji University. Since its establishment, the university has made significant contributions not only in the field of education but also in the development of arts, sports, culture, and social engagement across the region. Among these, the university's accomplishments in research and development are especially noteworthy, as it continues to make commendable progress across all academic faculties.

At the national level, Shivaji University has demonstrated commendable research performance. The university has achieved an H-index of 132, with a total of 9,221 published research papers garnering 1,36,639 citations — a testament to the quality and impact of its academic output. These accomplishments have significantly enhanced the University's research standing at the National Level. In the realm of innovation, the university has secured 71 Intellectual Property Rights (patents) across various disciplines. During the reporting period alone, 6 patents were granted and 8 new patents were registered — a notable outcome of the university's vibrant research culture. Additionally, Shivaji University continues to translate research into societal benefit through active efforts in technology transfer, innovation development, and consultancy.

In the World Scientist and University Ranking-2023, published by Alper-Doger (AD) Scientific Index, a total of 96 scientists and researchers from Shivaji University were featured—an achievement that highlights the institution's growing global academic footprint. Furthermore, ten researchers from the university have earned a place among the top two percent of scientists worldwide, as identified by a comprehensive global analysis conducted by Stanford University. These recognitions affirm the high calibre of research and scholarship being carried out at Shivaji University.

Since the academic year 2020-21, Shivaji University has introduced an incentive scheme to recognize affiliated colleges celebrating milestone anniversaries. Under this initiative, colleges marking their Silver, Golden, Diamond, and Centenary jubilees are awarded grants of ₹2.5 lakh, ₹5 lakh, ₹7.5 lakh, and ₹10 lakh respectively. In line with this scheme, a total incentive fund of ₹30.50 lakh was disbursed to seven colleges during the reporting year.

Shivaji University has successfully implemented its own 'Online Receipt Portal' for

fee collection from students, affiliated colleges, and other entities. With this system in place, all financial transactions are now conducted digitally, and cash transactions have been completely discontinued. This move has significantly improved transparency, efficiency, and financial management across the university.

The Finance and Accounts Department of the University has regularly organized workshops to keep the administrative staff informed about new government initiatives and systems. These included sessions on procurement of goods and services through the Government e-Marketplace (GeM) portal, the updated Income Tax framework, and the online Goods and Services Tax (GST) system. Additionally, PRAN (Permanent Retirement Account Number) cards were distributed to employees enrolled in the National Pension Scheme (NPS), who joined service after 1st November, 2005.

In recognition of the dedicated research efforts by faculty and researchers across various departments, Shivaji University has secured substantial funding from leading financial and academic institutions in India to support its development and R&D initiatives. Between April and November 2023, the university received ₹32.50 lakhs from the Indian Council of Social Science Research (ICSSR), New Delhi. Under the DST-Inspire scheme, an additional ₹10,87,840 was granted, while ₹6.08 lakhs were provided by the Indian Institute of Technology for conducting a GIAN workshop. Furthermore, a significant grant of ₹16,95,190 was received from the Directorate of Archaeology and Museums, Mumbai for organizing a national and International symposium on Maratha Historiography and New Perspectives. The symposium covered topics such as the economic, social, cultural, military, naval, artistic, and maritime history of the Marathas in commemoration of the 350th anniversary of Shivrajyabhishek Day. Additionally, the Kolhapur Museum sanctioned ₹13,72,810 for the development of a mobile application dedicated to an objective museum based on the life and legacy of Rajarshi Shahu Maharaj. The Padmashri G.G. Jadhav Journalism Centre has been awarded a significant grant of ₹4 crore 29 lakh 34 thousand by the Kolhapur District Planning Committee to support its initiatives.

In an effort to cultivate research interest and curiosity among young faculty members in university departments and affiliated colleges, Shivaji University launched a Research Promotion Scheme in 2017-18 using its own funds. During the reporting period, ₹17,93,480 was allocated for research projects led by 8 teachers from affiliated colleges. Under the Research Strengthening Scheme, ₹29,27,000 was provided for projects by 14 teachers within the university departments. Additionally, under the Research Initiation Scheme, ₹59,22,000 was sanctioned to support the research initiatives of 56 teachers across both university departments and affiliated colleges.

Shivaji University has emerged as a leader in sample analysis, thanks to the highest number of researchers registered on the national 'i-STEM' portal. Researchers at the University's Yashwantrao Chavan School of Rural Development have successfully developed a 'Virtual Reality Technology System for School Education.'

Former Governor and Shikshan Maharishi, Dr. D. Y. Patil, has donated ₹11,51,000 to the University to establish awards recognizing significant contributions in the field of Saint Literature. Additionally, in memory of the scholar and Saint literature expert, Sadguru Dr.

Gurunath Mungale, Dr. Gauri Kahate has donated ₹7,00,000 to the university to start the 'Spiritual Philosophy Literary Award'. Cooper Corporation Pvt. Ltd. Satara has donated ₹12,27,000 to the University's Department of History for a research project on the life and work of Sir Dhanjeesha Bomanji Cooper. Additionally, the company has contributed ₹7,00,000 to the university to establish two prizes in memory of Sir Dhanjeesha Cooper. The campus of Shivaji University, divided into eastern and western parts by the old Pune-Bangalore highway, is set to be reconnected through a subway and service road project for which the Government of Maharashtra has sanctioned ₹8,41,81,000, with ₹2,50,00,000 already disbursed.

Shivaji University has set a remarkable example by achieving water self-sufficiency and has now taken a significant step towards energy self-sufficiency. The DST-SAIF Center, equipped with state-of-the-art, cutting-edge equipment, proves to be of immense value to students, faculty, researchers, and professionals in the industrial sector. For the first time, Shivaji University has established a 'Clean Room Facility' designed for high-quality research. Additionally, a laboratory has been set up at the Space Research Centre in Panhala, featuring the latest telescopes provided by the Physical Research Laboratory in Ahmedabad.

This annual report provides a comprehensive overview of the university's progress, and it is hoped that all stakeholders will receive it with enthusiasm and appreciation.

Dean, Faculty of Humanities

A WORD FROM 61st ANNUAL REPORT SUBCOMMITTEE PRESIDENT

It is with great pleasure that I present the 61st Annual Report of Shivaji University, documenting the significant milestones and achievements of the University during the academic year 1st July 2023 to 30th June 2024. This report serves as a comprehensive record of the University's progress and impact across a wide spectrum of domains, including academics, research, social outreach, culture, sports, and other key areas. It reflects the collective efforts and dedication of our academic community in furthering the University's mission of excellence and societal contribution.

In accordance with Section 136(1) of the Maharashtra Public Universities Act, 2016, this Annual Report is being published following the final approval of the Management Council and the Senate of Shivaji University. The report has been compiled and edited based on information submitted by the University's affiliated colleges, as well as its various academic departments and administrative sections. While the completeness of the data is subject to the accuracy and timeliness of the responses received from these entities, every reasonable effort has been made to ensure the report's accuracy, reliability, and comprehensiveness. It is anticipated that the information presented herein will serve as a valuable resource for government authorities, regulatory bodies, academic stakeholders, and interested parties.

It is noteworthy that Shivaji University has made significant strides in implementing the National Education Policy (NEP) 2020 across all departments and postgraduate courses in affiliated colleges, starting from the academic year 2023-2024. In addition, to raise awareness among teachers about this policy, the University has organized a variety of seminars, conferences, and workshops both within the University departments and in affiliated colleges.

This report would not have been possible without the valuable support and guidance provided by the Hon. Vice-Chancellor, Hon. Pro-Vice-Chancellor, Hon. Registrar, Senate Members, Management Council members, and the heads and members of other departments and sections. Their continuous assistance and direction have been instrumental in the preparation of this report.

I would also like to extend my sincere gratitude to all the members of the report committee for their unwavering support in ensuring the timely completion of this report. Special thanks go to the dedicated staff of the Seminar Department for their invaluable assistance throughout the process. The printing of this report was carried out meticulously by the staff at Shivaji University Press, and I express my heartfelt appreciation to them. Finally, I am grateful to all the known and unknown individuals who have contributed and cooperated in the publication of this report.

Position of the University regarding NAAC assessment:	
	<p>Quality assurance in higher education is crucial, particularly in light of educational development within higher education systems, as well as the challenges faced by developing countries. In accordance with the recommendations of the National Education Policy (1986) and under Section 12 of the University Grants Commission (UGC) Act of 1956 (CCC), the National Assessment and Accreditation Council (NAAC) was established in Bangalore in 1994 by the University Grants Commission.</p> <p>In November 2002, the NAAC department was established at the university with the aim of enhancing the standards of higher education. This was in response to the growing competition from foreign universities due to globalization and the need to improve the quality of community-oriented education and student-centric research.</p> <p>To ensure consistency in the quality of higher education, in line with the Academic Development Policy, guidelines were set for universities, affiliated colleges, and recognized institutes accredited by NAAC, Bangalore to establish an Internal Quality Assurance Cell (IQAC). In accordance with these guidelines, the university formed a Quality Advisory Council (QAC) committee under the IQAC. Over time, as per the changing guidelines, a revised committee has been formed, with regular meetings organized for its members.</p> <p>The university underwent its first NAAC accreditation in 2004, followed by a re-accreditation in 2009, a third re-accreditation in 2014, and a fourth re-accreditation in 2021. In these assessments, the university received the ratings of 'B+', 'B', 'A', and 'A++' respectively.</p>
NACC / NBA related College Status	
	The number of affiliated colleges and recognized institutes under the university that have undergone accreditation or re-accreditation by NAAC, along with the respective grades received, is reported below:

Internal Quality Assurance Cell (IQAC)

The preparation of the Annual Quality Assurance Report (AQAR) for the university is managed by the Internal Quality Assurance Cell (IQAC). This report is submitted to NAAC, Bangalore annually. Regular meetings of the IQAC committee are conducted in accordance with the guidelines set by NAAC.

Efforts are continuously made to address the issues identified during evaluations, and necessary improvements are communicated to the administration or relevant authorities for timely resolution. All affiliated colleges of the university are regularly updated on NAAC evaluations and re-evaluations. In addition, guidance is provided through workshops organized for principals and directors by various university departments. Furthermore, all government directives related to NAAC evaluation for colleges are promptly communicated to the concerned institutions.

The University IQAC's Documentation Center is regularly visited by principals, teachers, or the college-level committees responsible for NAAC accreditation at affiliated colleges and recognized institutions. During these visits, attendees are provided with guidance on how to effectively present key documentation to the NAAC Peer Review Committee and are advised on the necessary preparations for the accreditation process. Additionally, representatives from other universities also visit to observe the documentation practices followed by our institution.

Shivaji University underwent evaluation through the Internal Quality Assurance Cell (IQAC) as part of the National Institutional Ranking Framework (NIRF) assessment. As per the NIRF 2024 rankings, the university has been placed in the 151–200 rank band in the Overall University Category and in the 51–100 rank band among State Public Universities.

Lead College Scheme	
	Most of the colleges affiliated with Shivaji University are located in rural areas. The Lead College Scheme, initiated in 2005, aims to bridge the gap between rural and urban educational experiences. The objective is to provide students from rural areas exposure to the resources and technologies available in urban colleges, while also encouraging students from urban areas to

	<p>gain insights into the rural education system.</p> <p>The guidelines for the scheme have been developed, and all activities are carried out accordingly. Under this initiative, there is a Leading College Apex Committee, which organizes regular meetings to oversee the progress and implementation of the scheme. Additionally, a variety of activities are conducted in colleges under this scheme, benefiting students, faculty, non-teaching staff, and the wider community.</p> <p>In the financial year 2023-24, 90 percent of the fees collected by the affiliated colleges were allocated to the leading colleges to support and carry out various activities under the Lead College Scheme.</p>

Activities of Special Cell:

1) Name Registration Scheme for Backward Class Candidates:

To enhance employment opportunities and ensure adequate representation in the teaching posts, a Name Registration Scheme was implemented for qualified candidates belonging to backward classes. This initiative aims to facilitate the recruitment process for backward class teaching positions across all affiliated colleges and recognized institutions. During the academic year 2023–2024, a total of 18 qualified backward class candidates successfully registered under this scheme for teaching positions across various subjects. This effort reflects the institution's ongoing commitment to social equity and inclusive education.

2) Scrutiny of Reservation Rosters:

(A) In accordance with the (1) Government of Maharashtra's directives dated 07/04/2022 (2) Notification by the Higher and Technical Education Department Government Decision No. Miscellaneous-2019/P.No.94/19/Vishi-1 dated 11/04/2022 (3) Government Decision No. 1513/Pro.No.125 (Part-8) M.S.5 dated 25/03/2023, (4) Government Circular No. 1513/P.No.125 (Part-8) M.S.5 dated 27/03/2023, and (5) Government Decision No. BCC 2021/P.No.387/16-B (A) based on the revised reservation roster point list effective from 06/07/2021, to ensure compliance with reservation policies in direct recruitment, the scrutiny of reservation rosters was undertaken during the year 2023.

In October 2023, preliminary scrutiny of the reservation roster (*Bindunamavali Tapasani*) was conducted for a total of 10 affiliated non-government aided colleges concerning the recruitment of Directors of Physical Education and Librarians. In addition, six non-government aided autonomous colleges underwent scrutiny as part of this process. Further, under the provisions of Government Decision No. Review-1513/P.No.125/M.Shi.5 dated 24/07/2023, preliminary roster verification was also conducted for three colleges in connection with the recruitment of faculty for professorial posts. This exercise reflects a continued commitment to transparent and policy-compliant recruitment practices across higher education institutions.

(B) In accordance with the (1) Government of Maharashtra's directives, including the Notification dated 07/04/2022, (2) Government Decision No. Miscellaneous-2019/P.No.94/19/Vishi-1 dated 11/04/2022, (3) Government Decision No. 1513/Pro.No.125 (Part-8) M.S.5 dated 25/03/2023, (4) Government Corrigendum No. 1513/P.No.125 (Part-8) M.S.5 dated 27/03/2023, and (5) General Administration Department Government Decision No. BCC-2024/P.No.75/16-C dated 27/02/2024, as per the revised reservation roster point list for direct service recruitment prescribed under (6) Government Decision No. BCC 2021/P.No.77/16-C dated 06/03/2024, the preliminary reservation point list scrutiny was approved for a total of 12 colleges. This scrutiny pertains to the recruitment of Physical Education Directors and Librarians in affiliated non-government aided colleges/educational institutions and is scheduled during April-May 2024.

3) Approval of Advertisements:

(A) In accordance with the directives issued by the (1) Higher and Technical Education Department, Government of Maharashtra, and in compliance with the (2) Maharashtra Educational Institutions (Reservation in Teaching Cadre) Act, 2021, advertisements for teaching positions in affiliated non-

government aided colleges and institutions are approved while ensuring that posts are reserved as per the prescribed percentage. These advertisements are aligned with the (3) Government Decision dated 08/12/1997 and 24/08/2015, (4) Government Decision No. Miscellaneous-2019/P.No.94/19/Vishi-1 dated 11/04/2022, (5) Government Decision No. BCC-2021/Pro.No.387/16-B(A) dated 06/07/2021, as per the revised point list for direct service recruitment, and (6) Government Decision No. BCC-2021/Pr.No.835/16-B dated 25/02/2022. In the year 2023-2024, eight draft advertisements were received from colleges for the filling up of teaching posts, particularly those reserved for small backward classes, following the prescribed procedures.

(B) In accordance with (1) Government Decision No. BCC-2021/Pr. No. 835/16-B dated 25/02/2022, (2) General Administration Department Government Decision No. BCC-2024/Pro.No.75/16-C dated 27/02/2024, and (3) Government Decision No. BCC-2021/Pro.No.77/16-C dated 06/03/2024, the subject-wise reservation point list for teaching posts in colleges located in the Kolhapur, Sangli, and Satara districts was scrutinised. This was done in compliance with the prescribed procedure for filling up posts reserved for small backward classes in all affiliated unaided colleges and institutions. Additionally, a total of six advertisement drafts received from colleges concerning the filling of teaching posts were reviewed and subsequently approved.

(C) In accordance with the Government Decision No. Miscellaneous-2021/Pro.No.181/21/Vishi-1 dated 17/10/2022 issued by the Department of Higher and Technical Education, and as per the non-cancellation certificate regarding the vacancy from the Divisional Joint Director, Higher Education, Kolhapur Division, a total of 77 advertisement drafts were received from colleges for the filling of teaching posts on an hourly basis. These advertisements, pertaining to the year 2023-2024, were reviewed and approved for all affiliated aided colleges and institutions.

4) The grievances of backward class teachers and non-teaching staff are addressed and resolved by the Special Cell upon receipt.

5) In accordance with the directives from the University Grants Commission, a Prevention of Caste-Based Discrimination Committee has been constituted. The committee's details are made available on the university website for public reference. The committee, which has been constituted for the term 2020-2024, is as follows:

As per the directives of the University Grants Commission (UGC), a register of complaints has been maintained in the office of the Hon. Registrar for recording grievances related to caste-based discrimination. Additionally, an online complaint facility has been made available through a dedicated link to ensure easy and accessible grievance submission.

6) The University Grants Commission (UGC) has approved various guidance and support programs aimed at the academic and personal development of students belonging to Scheduled Castes (SC), Scheduled Tribes (ST), and minority communities. In alignment with these directives, the University, through its Special Cell, has implemented the following UGC-approved schemes for the benefit of backward class students during the reporting period:

(a) NET Examination Guidance Scheme for Backward Classes:

The NET Exam Guidance Scheme, approved by the UGC, is designed to provide academic support and coaching to backward class students aspiring to qualify for the National Eligibility Test (NET).

(b) Remedial Coaching Scheme for Backward Classes:

The Remedial Coaching Scheme, also approved by the UGC, offers additional academic support to students from backward classes to strengthen their foundational knowledge. Dr. K. D. Kuche from the Department of Mathematics is the coordinator for this scheme.

(c) Equal Opportunity Centre for Backward Classes:

The Equal Opportunity Centre, a UGC-approved initiative, ensures inclusive academic support and services for socially and educationally disadvantaged students. Initially coordinated by Dr. (Smt.) P. S. Patankar from the Department of Education, the responsibility was later taken over by Dr. (Smt.) Chetna Prahlad Sonkamble following Dr. Patankar's retirement.

(d) Scheme for Persons with Disabilities:

The Scheme for Persons with Disabilities, approved by the UGC, focuses on promoting awareness and addressing issues related to differently-abled individuals. Dr. (Smt.) Pratibha Desai from the Department of Sociology serves as the coordinator. Through various activities and support programs, a total of 490 beneficiaries, including students, teachers, and parents, have been served under this scheme.

(e) Pre-Service Recruitment Competitive Examination Guidance Scheme for Backward Classes:

The Pre-Service Recruitment Competitive Examination Guidance Scheme is aimed at preparing backward class students for government and other competitive recruitment exams. The scheme was coordinated by Prof. Dr. P. S. Kamble until January 2024 and subsequently by Prof. Dr. J. H. Karade from February 2024 onward. Under this initiative, 111 students from backward classes and 12 students from the open category benefitted during the report period.

Important Events

1. National Science Day 2023:

Department of Agricultural Chemicals and Pest Management Shivaji University, Kolhapur, celebrated National Science Day 2023 from 24th to 28th February 2023, centered on the focal theme: "Global Science for Global Wellbeing." The event was organized in collaboration with the Bharat International Science and the Departments of Agrochemicals & Pest Management, Biochemistry, Biotechnology, Microbiology, and Environmental Sciences, Shivaji University.

2. Guest Lecture by BASF India Ltd.:

On December 19, 2023, a special guest session titled "Suraksha Hamesha – Pesticide Handling Safety" was conducted by BASF India Ltd.

2	Dr. S. A. Sankpal	Development of greener methodologies using magnetically separable catalyst for the synthesis of novel quinolone-triazole hybrid molecules and their anticancer evaluation.	28,35,210/- SERB, New Delhi

International/National/State Level Awards/Honours:

Sr. No.	Name of the Teacher	Name of the Award
1	Prof. K. M. Garadkar	Listed in Top 2% Scientist in 2023 based on the survey of Stanford University and Elsevier
2	Prof. A. V. Ghule	1) Award for International Joint Research & Journey Workshop 2) President NTHU Alumni Associate
3	Prof. P.V. Anbhule	Fellow of Maharashtra Academy of Sciences

Important Events

1. The professors in the Chemistry Department have made significant advancements in cancer research and have successfully developed effective countermeasures. This achievement represents a meaningful contribution to the growing body of advanced research in the field, offering new insights and potential pathways for future therapeutic development.
2. Prof. A. V. Ghule has developed a novel substance capable of bonding bones, marking a breakthrough with promising applications in orthopaedic treatment and regenerative medicine. This innovation holds significant potential to improve recovery outcomes and enhance the quality of life for patients worldwide.
3. Prof. K. M. Garadkar has developed an innovative catalyst that effectively purifies water by breaking down harmful pigments, utilizing sunlight as a sustainable energy source. This advancement paves the way for large-scale production of potable water, offering a practical and eco-friendly solution to global water scarcity challenges.

Important Events

1. The Association of Indian Universities (AIU), New Delhi, in collaboration with the Department of Computer Science and the Department of Students Development, Shivaji University, Kolhapur (SUK), Maharashtra, successfully organized *ANVESHAN 2023*—a Student Research Convention for the West Zone—on 28th and 29th December 2023. *AIU ANVESHAN* serves as a platform for university students from across the globe to collaboratively develop and present innovative ideas alongside their counterparts in India, fostering a spirit of academic exchange, creativity, and cross-cultural research collaboration.

Significant Events:

1. MoU Between Shivaji University and The Coish Institute, Lisbon, Portugal

The Department of Foreign Languages, Shivaji University, Kolhapur, signed a Memorandum of Understanding (MoU) with The Coish Institute for Cooperation and Language, Lisbon, Portugal, on November 6, 2023. This agreement marks a significant step in international academic collaboration for the university. A delegation from Shivaji University, led by Vice-Chancellor Dr. D. T. Shirke, visited Panaji, Goa, to formalize the signing. Accompanying him were Dr. S. B. Sadle, Director of the International Affairs Cell, and Dr. Megha Pansare, Head of the Department of Foreign Languages. During the visit, the delegation met with Mrs. Isabel Raimundo, the Consul General of Portugal in Goa.

The MoU includes provisions for the promotion of the Portuguese language and culture, teacher training, and cooperation in the implementation of scientific and cultural projects. It aims to foster academic and cultural exchange between the two institutions. Also present during the signing ceremony were Dr. Delphine Correia de Silva, a representative of the Portuguese Embassy Cultural Center, Ana Fernandes, Chairperson of the Board of Directors of The Coish Institute, and Portuguese language teacher Aishwarya Chavan. This partnership is particularly notable as Shivaji University is the first and only university in Maharashtra to introduce Portuguese language courses under such an agreement. The MoU represents a valuable opportunity for the university to expand its global outreach and academic horizons, and it holds great importance for the state of Maharashtra.

Department: Space Research Centre

Programme Coordinator: Dr. R. S. Vhatkar

Organizer: Space Research Centre, Panhala Date 23rd August, 2023

Live Telecast of Chandrayaan-3 Lunar Landing:

On August 23, 2023, a live telecast of the Chandrayaan-3 lunar landing was organized in collaboration with the Department of Physics and the Space Research Centre, Panhala. This historic day marked a major milestone for India, as the Chandrayaan-3 mission successfully achieved a soft landing on the lunar surface. Prof. K. Y. Rajpure and Dr. R. S. Vhatkar were present at the event and provided insightful commentary on the mission's objectives and scientific significance. The primary audience comprised Master's degree students, who witnessed the event live in the Physics Department Auditorium, where approximately 180 participants were in attendance.

Simultaneously, a separate live telecast was arranged at the Space Research Centre, Panhala, for local space science enthusiasts. Around 20 individuals attended this parallel event. Security personnel were deployed at the centre to ensure smooth coordination and safety during the program. The event at Panhala was efficiently organized by Mr. Nagesh Kothavle, along with other research scholars and M.Sc. Part II Space Science students, who contributed to its successful execution.

Geminids Meteor Shower Observation Event – December 13, 2023:

On the nights of December 13 and 14, 2023, the Space Research Centre, Panhala, organized a successful observation event for the Geminids meteor shower, one of the most spectacular meteor showers of the year. At its peak, the Geminids display up to 120 meteors per hour, offering a breathtaking celestial show. These meteors, known as "Geminids", appear to radiate from the constellation Gemini, hence their name.

The event was coordinated by Dr. R. S. Vhatkar and involved enthusiastic participation from M.Sc. Part II students, research scholars, and local astronomy enthusiasts. The clear night sky, with only minimal cloud cover, created ideal viewing conditions. Attendees were treated to a stunning display of bright, fast-moving meteors streaking across the sky, as well as fainter, graceful trails, resulting in a visually rich and serene observational experience.

The program provided not only a rare opportunity to witness a natural astronomical

phenomenon but also served as a valuable educational platform, enhancing participants' understanding of meteor science and observational techniques. Approximately 40 individuals, including students, researchers, and local villagers, attended the event at the Space Research Centre, Panhala.

Zero Shadow Day (ZSD) Observation – May 6, 2024, Organized by: Space Research Centre, Panhala, Location: Kolhapur

The Zero Shadow Day (ZSD) 2024 was observed in Kolhapur on May 5 and 6, with a special event organized by the Space Research Centre, Panhala on May 6, 2024. ZSD is a rare and fascinating celestial phenomenon that occurs when the Sun is exactly overhead at the local meridian, causing the shadows of all vertical objects to momentarily disappear.

The event was organized with the aim of educating students about the scientific significance of Zero Shadow Day and creating awareness about celestial mechanics. School students from Kolhapur actively participated in the program, showing great enthusiasm and curiosity.

The clear sky and precise timing allowed students to experience this unique event first-hand. The program successfully fostered scientific interest and provided an engaging learning experience centered around one of nature's lesser-known yet awe-inspiring occurrences.

Visit of International Students – June 24, 2024, Organizer: Space Research Centre, Panhala, Event Date: June 24, 2024, Department: Space Research Centre, Panhala Program Coordinator: Dr. R. S. Varkar

On June 24, 2024, the Space Research Centre, Panhala welcomed a group of international students from Shivaji University, Kolhapur. The purpose of the visit was to familiarize the students with the state-of-the-art research facilities and ongoing projects at the Centre.

During the visit, students were introduced to a range of advanced technologies, including the IRNSS system, GPS system, and 12-inch and 5-inch telescopes. They also had the opportunity to explore specialized equipment such as the PRL Airglow, infrared spectrographs, multiwavelength imaging spectrographs using Achelle gratings, and CCD-based multiwavelength airglow photometers.

The students were guided through the research facilities by Mr. Nagesh Kothawale and Shri Kiran Patil, who provided in-depth insights into the ongoing research projects and the cutting-edge equipment used for space exploration. The students expressed their sincere gratitude for the opportunity to observe firsthand the pioneering work being carried out at the Centre.

A total of 15 students participated in the visit at the Space Research Centre, Panhala.

Business Guidance and Psychological Counseling Centre:

The **Career Guidance and Psychological Counseling Center** at Shivaji University plays a crucial role in supporting students' mental health and career development. This report provides a comprehensive overview of the activities and initiatives conducted during the academic year 2023–2024.

With growing academic and personal pressures, the demand for accessible counselling services has increased significantly. The Center is dedicated to helping students address a wide range of psychological and career-related concerns, including academic stress, anxiety, depression, relationship challenges, emotional regulation, and career planning.

The Centre offers both **individual counselling sessions** and **group workshops**, actively promoting mental health awareness and career preparedness among students.

Review of Counselling Services:

Individual Counseling Sessions:

During the 2023–2024 academic year, the Center provided a total of 117 individual counseling sessions to support students facing a range of personal and academic challenges. These sessions primarily addressed issues such as academic stress and performance-related anxiety, emotional concerns like anxiety and depression, and interpersonal conflicts involving peers and romantic relationships. Counselors also assisted students dealing with career-related uncertainty and future planning, as well as those struggling to manage intense emotions such as anger or frustration.

Common Concerns Identified:

The most frequently addressed issues during the academic year included:

1. **Academic stress** due to workload and high expectations
2. **Emotional challenges**, particularly anxiety and depression
3. **Interpersonal and peer conflicts**, including romantic relationship issues
4. **Career uncertainty**, with students seeking direction and goal clarity
5. **Emotional regulation**, especially in managing anger and frustration

Group Counseling Sessions:

In addition to individual counseling, the Center conducted a series of group counseling sessions and workshops across various departments and schools during the 2023–2024 academic year. A total of 36 group sessions and workshops were held, reaching 1,460 student participants. These programs focused on enhancing personal well-being, resilience, and career readiness. Key topics included stress management, emotional regulation, effective communication, and career planning and decision-making. Through these sessions, students gained greater self-awareness, emotional flexibility, and the ability to make informed choices—skills essential for both personal growth and professional development.

Group Counseling:

1. During the counseling awareness sessions, students were provided with valuable information regarding the availability and significance of counseling services at Shivaji University.
2. The Career Planning Group Session offered collective guidance on effective career planning strategies, essential tools, and valuable advice tailored to students in need. This session aimed to equip students with the knowledge and resources necessary to make informed decisions about their future career paths.

Results of Counseling Services:

The Career Guidance and Psychological Counseling Center at Shivaji University has made a profound impact on students' mental health and career development during the academic year 2023–2024. By offering tailored mental health support, including addressing challenges such as academic stress, anxiety, and emotional regulation, the center provided essential resources to help students manage personal struggles. Additionally, through both individual and group career counseling sessions, students received valuable tools and advice for career planning, enhancing their professional preparedness. The significant rise in the number of individual

counseling sessions reflects a growing demand for these services, while the expansion of group workshops on stress management, emotional regulation, and communication skills further supported students in navigating both academic and personal challenges. These efforts underscore the increasing recognition of counseling services as integral to fostering students' overall well-being and career success at the university.

World Mental Health Day Report:

World Mental Health Day, celebrated annually on October 10, serves as a reminder of the critical importance of mental well-being in personal, academic, and professional success. In 2024, the theme of the day focused on "Workplace Mental Health," emphasizing the importance of mental peace, stress management, and overall mental healthcare in the workplace.

To mark this occasion, Shivaji University, in collaboration with the Department of Psychology and the Business Guidance and Psychological Counseling Center, organized a Mental Health Week. The activities during this week were approved by the university administration and aimed at raising awareness about mental health, promoting emotional well-being, and fostering a supportive environment for students and staff.

Mental Health Week Activities:

A series of programs were conducted throughout the week, as outlined below:

Sr. No.	Day and Date	Time	Program
1	Friday, 4/10/2024	10:30 am to 11:30 am	Screening of a short film on mental health followed by the discussion.

During the Poster Presentation Competition, students showcased creative and informative posters on various mental health issues. Dr. Kashmiri Badbade, a developmental pediatrician from Ichalkaranji, Kolhapur, and Dr. Bharat Naik, former professor at Mahaveer College, Kolhapur, evaluated and guided the students' presentations. Dr. Badbade provided in-depth insights into child mental health, its challenges, and solutions, while also sharing business

opportunities in psychological counseling. Dr. Naik discussed the impact of mental health on academic development, highlighting its significance in students' personal and academic lives.

On October 11, 2024, World Mental Health Week concluded with a prize distribution ceremony for the poster presentation competition, attended by Prof. Dr. D. T. Shike (Vice-Chancellor), Prof. Dr. P. S. Patil (Pro-Vice Chancellor), Dr. V. N. Shinde (Registrar), and other dignitaries. The students' exceptional posters were recognized, encouraging creativity and mental health awareness.

The event culminated with a powerful street play performed by students in front of the university's main building, raising awareness about mental health, stress management, and societal misconceptions. The rally, inaugurated by Prof. Dr. D.T. Shike, spread across the university, reaching six different locations to promote mental health awareness throughout the campus.

22. National Service Scheme:

National Service Scheme Activities:

I. Sanctioned Number of Students for National Service Scheme (NSS):

For the academic year 2023-24, the government has sanctioned a total of 27,000 students for the National Service Scheme (NSS) regular program and 13,500 students for the special camp program at Shivaji University, Kolhapur.

In the year 2023-24, NSS units have been established in approximately 163 colleges under Shivaji University, covering the districts of Kolhapur, Sangli, and Satara. The activities and initiatives undertaken by all affiliated NSS units are being conducted with great success, contributing significantly to the community and fostering a spirit of social service among students.

2. Seven-Day Residential Special Camps:

During the academic year 2023-24, seven-day residential special camps were successfully organized in approximately 141 adopted villages across the Kolhapur, Sangli, and Satara districts through the National Service Scheme (NSS) under Shivaji University, Kolhapur. A total of 12,500 student volunteers from NSS-affiliated colleges actively participated in these camps. The camps focused on addressing the immediate needs of the adopted villages and made a significant contribution toward sustainable rural development. Activities were planned and executed in alignment with the specific requirements of each village, promoting community engagement, environmental awareness, health, sanitation, and capacity-building initiatives.

3. Voter Awareness Initiatives:

As part of its Public extension efforts, the National Service Scheme (NSS) Unit of Shivaji University has entered into a Memorandum of Understanding (MoU) with Social SAFF, a social organization, along with the District Collector's Offices and District Election Offices of Kolhapur, Sangli, and Satara. The MoU aims to collaboratively implement voter awareness programs, new voter registration drives, and election literacy initiatives.

As a key outcome of this collaboration, Election Literacy Forums have been established in 150 colleges across Satara district. These forums play a vital role in educating students about the democratic process and encouraging informed and active participation in elections.

4. Pulse Polio Vaccination Drive:

During the academic year 2023-24, a total of 1,325 children were administered Pulse Polio vaccination across the Kolhapur, Sangli, and Satara districts. This public health initiative was carried out with the active participation of 795 student volunteers from colleges affiliated with Shivaji University under the National Service Scheme (NSS). The campaign contributed significantly to national efforts aimed at eradicating polio and promoting child health.

5. Disaster Management Workshops:

In the academic year 2023–24, a total of four major workshops on disaster management were organized—three at the district level (Kolhapur, Sangli, and Satara) and one at the university level. These workshops saw the active participation of approximately 1,200 students and student volunteers from across the three districts.

The training sessions focused on equipping participants with essential skills and knowledge related to disaster preparedness, response, and recovery. As a result of these workshops, trained disaster management groups were successfully formed to assist in emergency situations and community resilience efforts.

6. Health Camps:

During the academic year 2023–24, a total of 130 health camps were organized across the districts of Kolhapur, Sangli, and Satara. These camps were conducted with the active participation of approximately 14,500 student volunteers under the National Service Scheme (NSS) of Shivaji University.

The camps focused on hemoglobin screening, basic health check-ups, primary health care training, and health awareness initiatives aimed at promoting strong and sustainable health practices among the local population. These efforts contributed meaningfully to community well-being and preventive healthcare education.

7. Tree Plantation Programme:

As part of the environmental sustainability initiatives for the academic year 2023–24, a total of 15,656 saplings were planted across college premises, adopted villages (*Dattak Khedegaon*), and surrounding areas in the Kolhapur, Sangli, and Satara districts. The programme witnessed enthusiastic participation from approximately 19,200 student volunteers under the National Service Scheme (NSS) of Shivaji University.

This large-scale plantation drive aimed to promote ecological balance, increase green cover, and raise awareness about environmental conservation among students and local communities.

8. Cleanliness Mission:

Under the National Service Scheme (NSS) of Shivaji University, a large-scale Cleanliness Mission was carried out during the academic year 2023–24. A total of 559 comprehensive sanitation drives were organized across 33 cities, including:

- 12 talukas of Kolhapur district (including Kolhapur city)
- 10 talukas of Sangli district (including Sangli city)
- 11 talukas of Satara district, with a special focus on the Krishnakath area of Satara city

These initiatives saw the active participation of 16,770 NSS volunteers. Through these coordinated efforts, significant public awareness was generated on the importance of cleanliness, hygiene, and community responsibility, contributing to the Swachh Bharat Abhiyan and sustainable urban living goals.

9. Fort Cleaning and Conservation Activity:

As part of the fort conservation and beautification initiative, a dedicated *Gadkot* cleaning and preservation drive was undertaken during the academic year 2023–24. Around 600 students and volunteers from various colleges in the Kolhapur, Sangli, and Satara districts actively participated in the initiative.

The activity involved the cleaning and maintenance of historic forts such as Panhala and Raigad, along with other nearby historical structures and tourist sites. This initiative aimed to promote heritage conservation, environmental awareness, and a sense of historical responsibility among students and the community.

10. Road Safety Programme:

A Road Safety Programme was conducted during the academic year 2023–24 with the active participation of 5,500 students and volunteers from the Kolhapur, Sangli, and Satara districts. The initiative aimed to raise awareness about road safety and accident prevention through educational activities and community outreach.

As part of the programme, awareness drives were conducted on traffic rules, safe driving practices, and pedestrian safety. Additionally, tree plantation activities were carried out along roadside areas to promote environmental sustainability and enhance visibility and safety on roads.

11. Swasthya Bharat Abhiyaan:

Under the Swasthya Bharat Abhiyaan, student volunteers from National Service Scheme (NSS) units of affiliated colleges in Kolhapur, Sangli, and Satara districts actively conducted health awareness initiatives in 158 adopted villages.

As part of the campaign, health leaflets were prepared and distributed, and comprehensive surveys were conducted to assess general health conditions and identify malnourished children. The initiative aimed to promote awareness about balanced nutrition, hygiene, and preventive healthcare. A Malnutrition-Free Village Campaign was also implemented to support healthier rural communities.

12. Beti Bachao Beti Padhao Programme:

National Service Scheme (NSS) units in colleges affiliated with Shivaji University in the Kolhapur, Sangli, and Satara districts actively participated in the *Beti Bachao Beti Padhao* Programme during the academic year 2023–24. The programme focused on raising public awareness about the prevention of female feticide, promoting the importance of female education, and encouraging the empowerment of girls.

Various activities were organized, including road plays, poster competitions, and informational sessions, to highlight the significance of increasing the female birth rate and educating communities about government schemes designed to support and uplift girls.

13. New Education Policy 2020 Public Awareness Program:

As part of the initiative to raise awareness about the New Education Policy (NEP)

2020, the National Service Scheme (NSS) units under Shivaji University organized a teacher awareness program across the Kolhapur, Sangli, and Satara districts. The program aimed to familiarize educators with the key aspects of the new policy, its impact on students' future, and the changes introduced in the educational framework.

A total of 179 teachers from colleges affiliated with Shivaji University participated in the program, which featured key mentors who shared insights on the effective implementation of the NEP and how it can shape the educational landscape in India.

25.2 Garden Section :

During the year under review, all gardening and maintenance activities were carried out with the support of gardeners and postgraduate students under the "Earn and Learn" scheme. The department successfully maintained and enhanced the aesthetic appeal of several key locations including the Central Circle, Guest House premises, officers' and staff residences, Library premises, the Karmaveer Bhaurao Patil statue garden, and Krantivan.

As part of routine operations, flower pots, floral arrangements, and ornamental flower bunches were regularly supplied for various university-level meetings, ceremonies, and departmental events. In addition, the department generated revenue through the sale of grass and fruits such as tamarind and coconut.

The university nursery cultivated and maintained a wide variety of ornamental and flowering plants during the year, including Acalypha, Raat Rani, Alamanda, Mogra, Jaswand, Lantana, Hadga, and Bougainvillea. Fruit-bearing and ornamental trees such as Jambhul, Tamarind, Jackfruit (Fanas) and others were also nurtured.

A total of 1,200 trees, including wild and fruit-bearing species like Umber, Tamarind, Banyan (Vad), Jambhul, Buch, Bahava, Bakul, Bottle Palm, Kadulimb, Sonchafa, Pimpal, and Vilayati Tamarind, were planted during the year.

A significant achievement for the year was the establishment of a Miyawaki Garden over a 55-guntha area, in collaboration with the Social Forestry Department and Shivaji University. Additionally, 100 saplings were planted under the Panchayat Forest Scheme in the Krantivan area, along with various ornamental plantings to enhance green coverage and biodiversity.

25.3 Boys' Hostel:

There are three boys' hostels on the university campus that provide residential facilities for postgraduate students enrolled in M.A., M.Com., M.Sc., M. Tech., M.Phil., and Ph.D. programs. The hostels collectively accommodate approximately 650 students. In addition to regular students, research scholars from other universities are provided accommodation, subject to room availability.

Facilities Provided in 2023-24:

1.	Entertainment and Reading: Television sets were installed for student entertainment, and daily newspapers were made available for reading.
2.	Basic Amenities: The hostels are equipped with a generator for power backup, a solar water heater system, RO water purifiers, ceiling fans, and tube lights for improved comfort and convenience.
3.	Outdoor Infrastructure: Cemented garden chairs were placed within the hostel premises for relaxation, while mercury halogen lamps were installed to enhance outdoor lighting. A wall compound was constructed to ensure the safety and security of the students.
4.	Internet and Wi-Fi: The hostels are equipped with internet facilities, and free Wi-Fi is available throughout the hostel campus, ensuring students can access necessary resources for academic purposes.
5.	Fitness and Exercise: A double bar and a single bar were provided for exercise. Additionally, a new open gym facility was introduced for the benefit of all boys' hostel residents.
6.	Sports Facilities: Sports materials, including equipment for cricket, volleyball, and a carom board, were made available for recreational activities.
7.	Expansion of Accommodation: A total of 26 rooms (13x13 ft each) were built above the mess buildings of Hostel No. 2 and 3, thus providing additional accommodation for 52 students.
8.	Reading and Study Facilities: A modern reading room, with a seating capacity for 350 students, was established on the third floor above Hostels No. 2 and 3, providing students with a dedicated space for study and research.
9.	Dining Facilities: A club mess system was introduced across all hostels. Additionally, the mess facilities in Hostels No. 1 to 4 were renovated to provide better dining services to students.
10.	Research Hostel Under RUSA Program: A new hostel accommodating 120 research students was created under the RUSA program, with a modern mess facility set up to cater to their needs.
11.	Campus Beautification: A new lawn was developed on the opposite side of Hostel No. 3, further enhancing the aesthetic appeal of the hostel campus.

25.5 Dr. Appasaheb Pawar Vidyarthi Bhavan – “Earn and Learn” Scheme:

The “Earn and Learn” Scheme was established in 1968 by the visionary founder and first Vice-Chancellor of Shivaji University, Late **Dr. Appasaheb Pawar**. Instituted to support students from economically disadvantaged backgrounds, marginalized communities, and women, the scheme was named “**Vidyarthi Bhavan**” and continues to operate as a flagship student support initiative of the University.

The primary aim of this scheme is to **enhance access to higher education** for students whose financial limitations might otherwise prevent them from pursuing postgraduate studies. Students enrolled in various postgraduate departments of Shivaji University are given preference for admission to Vidyarthi Bhavan based on economic need and social criteria.

Each year, **50 male and 50 female students** are enrolled under the scheme. The facility comprises **54 rooms**, with a capacity to accommodate approximately **100 students**. In addition, a separate residential facility for female students is provided under the name **Vidyarthini Bhavan**.

This scheme is unique to Shivaji University in that it provides enrolled students with:

- **Free accommodation and meals**

- **Concessions in tuition and examination fees**
- **Access to medical services** at the University Health Centre

In return, students are expected to work for **3 hours per day** in various departments, administrative offices, service centers (such as the Xerox centre and water distribution unit), and study centers across the campus. Their work contributes to the functioning of the University while also instilling a sense of responsibility and dignity of labor.

The honorarium/remuneration earned through this work is credited to various budget heads of Vidyarthi Bhavan and used to support the operational expenses of the scheme. The following table provides the details of students admitted under the scheme for the academic year 2023–2024:

Sr. No.	Name of the Hostel	Number of students	Total
1	Vidyarthi Bhavan	74 (Boys)	183
2	Vidyarthini Bhavan	109 (Girls)	

Rector and Staff:

The Vidyarthi Bhavan facilitates the “Earn and Learn” Scheme for students from various departments of the university campus. To ensure smooth operation and effective student support, the university appoints a Rector and an Additional Rector to oversee the scheme.

The following are the details of the appointed officials:

Sr. No.	Name of the Rector/Staff	Position and Period

Password based at some locations		

Campus Wi-Fi Project executed under RUSA and UGC funds. Each department is now having common Wi-Fi zone in addition to this all hostels, Guest house, Reading Hall, meeting halls.

Email services, supported by GSuite, are provided to faculty members, research scholars, affiliated colleges, officers, administrative units, and academic departments. Dedicated email groups have been created to facilitate efficient and swift communication.

Moodle user management and system maintenance are handled by the Internet Unit. The platform, accessible at <http://moodle.unishivaji.ac.in>, is extensively used by almost all academic departments for disseminating course materials and conducting online tests.

Webex Scheduling and Usage Training:

Webex services have been extensively utilized by university authorities and administrative officers for conducting significant online meetings. Faculty members also leveraged the platform for online teaching, workshops, conferences, and seminars. Post-lockdown, this service has proven especially beneficial for individuals preferring remote participation or work-from-home arrangements.

The Internet Unit is responsible for scheduling Webex meetings on request and provides user training to ensure effective participation and operation. It also supports the functioning of apex body meetings. In addition to academic use, Webex has been instrumental in hosting major university events such as the Convocation Ceremony, University Foundation Day, Award Functions, and events conducted by the Ministry of Higher Education. These events are also live-streamed via the university's official YouTube channel, *Shiv-Varta*.

Website Cell:

The Website Cell is responsible for maintaining the official websites of Shivaji University: www.unishivaji.ac.in and intranet.unishivaji.ac.in.

These websites serve as an essential source of up-to-date information for all stakeholders, both within and outside the campus. The Website Cell regularly updates the sites, while users are also granted access to update relevant information pertaining to their respective departments or sections.

Hosted at the campus Data Centre, the websites currently feature over 500 pages of comprehensive content. The Website Cell ensures the availability of crucial information, including examination results, circulars, syllabi, details about university functions, tenders, job recruitment advertisements, admission forms, and the *Shiv-Sandesh* monthly e-bulletin, which is updated as needed.

In the financial year 2022-2023 alone, a sum of ₹ 2,50,000/- was allocated to this fund. To enhance operational efficiency and ensure prompt, accurate service, the organization has implemented modern computerized software systems for all sales and purchase transactions. This digitization has streamlined daily operations and enabled efficient accounting processes.

Furthermore, the organization successfully underwent a government audit for the financial year 2022-2023 and was awarded an 'A' grade, reflecting its sound financial management and adherence to regulatory standards.

25.12 UGC Scheme for Persons with Disabilities:

Head of Department: Prof. Dr. Pratibha Desai

Under the UGC Scheme for Persons with Disabilities, the department conducted several impactful programs aimed at promoting awareness, inclusion, and opportunities for individuals with disabilities in higher education:

1. A one-day workshop on "*Implementation of the Rights of Persons with Disabilities Act, 2016*" was organized on December 4, 2023, to mark the World Day of Persons with

Disabilities. The workshop focused on legal provisions and institutional responsibilities under the Act.

2. On January 4, 2024, a Poster Presentation Competition was held to commemorate World Braille Day, encouraging students to creatively engage with themes related to visual impairment and accessibility.
3. A one-day National Seminar titled "*Opportunities and Challenges before Persons with Disabilities in Higher Education*" was conducted on February 3, 2024. The seminar provided a platform for dialogue among educators, policymakers, and students on inclusive practices in academia.
4. A special Science Exhibition for blind students and their teachers was organized on February 28, 2023, on the occasion of National Science Day. The event showcased accessible scientific models and aimed to promote interest in science among visually impaired learners.

26 Shivaji University Affiliated College Magazine Competition 2022-23

To encourage student creativity, nurture literary talent, and promote the publication of high-quality college magazines, Shivaji University has been organizing the *Shivaji University Affiliated College Periodical Competition* since 1970. This initiative aims to provide a platform for students to express their thoughts through literature and journalism. For the academic year 2022–2023, a total of 54 non-professional colleges and 12 professional colleges participated in the competition. As a result, 78 students from non-professional colleges and 179 students from professional colleges received individual awards for their contributions in various categories such as essays, poetry, and articles. The competition continues to play a vital role in fostering creativity and intellectual expression among students. General Winner Awards were also presented to select colleges for their outstanding overall performance in magazine publication.
