RETROSPECTION

Prof. (Dr.) Digambar Shirke
Vice-Chancellor

I am pleased to present the 62nd Annual Report of Shivaji University. Named after the great visionary and epoch-maker Chhatrapati Shivaji Maharaj, the University was established on 18 November 1962 and was inaugurated by the then President of India, Dr. Sarvepalli Radhakrishnan. Since its inception, the University has consistently scaled new heights of excellence and distinction, making a significant contribution to the advancement of higher education in South Maharashtra. Today, Shivaji University enjoys a strong reputation not only at the national level but also holds recognition in the international academic arena.

During the year under report, the University mourned the loss of several distinguished personalities, including former Acting Vice-Chancellor Dr. A. A. Dage, former Pro-Vice-Chancellor Dr. V. M. Chavan, Management Council Member Dr. Jagdish Sapkale, and former Dean Dr. V. S. Patil, along with several former teachers, administrative staff members, and their family members. I pay my heartfelt tributes to all of them.

The jurisdiction of Shivaji University extends over the districts of Kolhapur, Satara, and Sangli, with a total of 297 affiliated colleges. The University is also associated with 19 research institutions. It has 19 autonomous colleges, of which 7 enjoy empowered autonomous status. The University comprises 34 departments, 2 schools, 19 centres for studies and research, and 15 chairs. Approximately 2,50,000 students are enrolled across four faculties, pursuing undergraduate, postgraduate, and research-level programmes.

The University, certified under ISO 9001:2015, has been accredited with an 'A++' grade by the National Assessment and Accreditation Council (NAAC), Bengaluru, in its fourth cycle of re-accreditation, with a CGPA of 3.52. The University Grants Commission has also conferred 'Category-I' status upon Shivaji University. During the period under report, 19 affiliated colleges of the University have secured 'A++', 'A+', and 'A' grades. The multifaceted progress of the University has significantly benefited its researchers, faculty members, and students. Shivaji University has been ranked in the 601–650 band among BRICS nations in the QS World University Rankings 2025 and has secured the 187th position among South Asian Countries. In the NIRF Rankings 2024, the University has retained its place among the top 200 universities in India and has been placed in the

51–100 rank band among State Public Universities.

A significant event during the year under report was the celebration of the Golden Jubilee of the grand equestrian statue of Chhatrapati Shivaji Maharaj in the University campus on 1 December 2024. On this occasion, a special ceremony was organized, during which the family members of the sculptor, Late B. R. Khedkar, were felicitated by the University. Informational plaques about the statue, along with a plaque displaying the University anthem, were also installed in the campus premises.

In alignment with the National Education Policy, the University has initiated the development of its own Learning Management System, through which new online courses are being introduced. The University has also taken a significant decision to develop its own textbooks for various programmes. Accordingly, the Boards of Studies have undertaken the preparation of textbooks in the mother tongue, and their publication is being carried out in a phased manner. Under the series titled "Life and Work of Eminent Personalities," the University is also developing a range of courses dedicated to the study of great personalities.

More than 10,345 research papers by scholars of Shivaji University have been published in national and international journals. These publications have received nearly one seventy-five lakh citations, leading to the University attaining an H-index of 144. Fourteen scientists from the University have been featured among the top two percent of global scientists, as identified by Stanford University, USA. Additionally, 96 researchers have been included in the global AD Scientific Index rankings. In this manner, faculty members, research fellows, college teachers, and researchers of the University continue to receive consistent recognition in global academic rankings. These achievements reflect the University's research-conducive environment, its commitment to modernity, and its sustained emphasis on academic excellence. The University also strives to translate research into societal benefit through technology transfer, innovation and product development, and consultancy in collaboration with industry and business sectors.

During the academic year, the University's researchers, faculty members, and students have demonstrated remarkable achievements. Under the leadership of the Innovation, Incubation and Linkages Centre, a total of 35 patents—both national and international—were secured within a span of just six months. Among these achievements, Gayatri Gokhale, a student from the Faculty of Technology, was appointed by the University as a Patent Ambassador. To date, the University's researchers have been granted more than 140 patents. Notably, these include significant research contributions addressing various types of cancer and other human health-related challenges. Fundamental research in the area of nanotechnology-based solar devices also forms a key component of these accomplishments. These achievements reflect the University's strong commitment to socially relevant research and its dedication to addressing critical societal needs through innovation.

During the academic years 2022–23 and 2023–24, the University distributed a total

grant of ₹25 lakh to nine affiliated colleges celebrating their Silver, Golden, Amrit, and Centenary milestone years. Through the Affiliation Section, facilities have been provided to affiliated colleges for the online submission of Academic Audit, Academic and Administrative Inspection, and Local Inquiry Committee (LIC) reports. During the period under report, a total of 1,161 teachers from University departments and affiliated colleges were granted promotions under the Career Advancement Scheme (CAS).

Shivaji University has successfully operationalised its own online receipt portal for fee collection. As a result, all financial transactions have been transitioned to an online mode, and cash transactions have been completely discontinued. The University's Computer Centre has taken a leading role in developing various software-based systems. Through the Online Student Facilitation System, students are provided with seven types of certificates online, including the degree certificate, provisional degree certificate, duplicate marksheet, passing certificate, rank certificate, merit certificate, and special certificate—a facility introduced in the previous year.

During the current year, the Computer Centre has internally developed dedicated online systems for a wide range of processes, including postgraduate admissions; the entire Ph.D. process—from admission to receipt of expert reports; college affiliation and teacher approval; recruitment processes; as well as procedures related to meetings and elections. In addition, comprehensive systems have been developed for the Examination Section, covering SRPD, pre-examination processes, centralised evaluation, and post-examination procedures. These initiatives have not only enabled the University to make significant financial savings but have also accelerated its progress towards comprehensive digitalisation. Furthermore, the Finance and Accounts Department organised a special workshop to guide administrative staff on procurement of materials and equipment through the Maha e-Tendering system, as well as on availing services through contractual procedures.

For the overall development of the University and the advancement of research activities, faculty members and researchers across various departments have been making sustained efforts, resulting in the University securing substantial funding from premier financial institutions in India. The University has also actively participated in European Union–sponsored projects such as EQUAMBI and EDUREFORM. Researchers of the University have received financial support for research projects from several national funding agencies, including DST, DAE-BRNS, UGC, CSIR, DRDO, AICTE, MoEF, DBT, ICSSR, NBHM, UNICEF, and PM-UShA. During the year under report, grants amounting to ₹1,00,64,594 were sanctioned by SERB, New Delhi; ₹17,98,099 by the Sangli District Planning Committee; and ₹50,00,000 by RGSTC, Mumbai. Additionally, the Kolhapur District Planning Committee sanctioned ₹1.5 crore for the construction of the Sharan Sahitya Chair building. Under the University Strengthening component of the Prime Minister's Higher Education Mission (PM-UShA), funded by the Ministry of Education, Government of India, a grant of ₹20 crore was approved for the University, of which ₹2 crore has been received during the reporting period.

Through the I-STEM portal developed by the Department of Science and Technology, Government of India, the University's Central Facility Centre (CFC) has been effectively integrated with research institutions across the country. As a result, the University's advanced scientific instrumentation has been made accessible to universities, research institutions, and industrial research organisations nationwide. The availability of real-time information regarding equipment status, processing timelines, and usage charges has led to a significant increase in researchers availing these facilities from across the country. Consequently, the University has generated revenue amounting to ₹58,30,300 through this initiative during the past year. In addition, the Centre is actively engaged in conducting one-week skill-based certificate courses and providing on-the-job training, thereby contributing to capacity building and practical skill development.

The University's Centre for Innovation, Incubation and Linkages and the SUK Research and Development Foundation have been accorded the status of a Section 8 Company. They have also been recognized as an "Emerging Centre" by the Maharashtra State Innovation Society, Government of Maharashtra. Furthermore, the Centre has been designated as a Host Institution by the Ministry of Micro, Small and Medium Enterprises (MSME), Government of India. Under this framework, several impactful initiatives have been undertaken to promote innovation and entrepreneurship, including Startup Yatra, Monthly Innovation Challenge, the "Startup Sutra" lecture series, and Innovation Meets, all of which have received an encouraging response. More than 50 startup projects across sectors such as Information Technology, Food Processing, Education, Healthcare, Transportation, Chemical Technology, Agriculture, and Biotechnology have been registered with the Centre, many of which have received financial support from various agencies. These initiatives have also contributed significantly to employment generation.

The University has extended substantial support to emerging entrepreneurs by providing free workspace facilities without any associated costs. In addition, these startups are offered need-based mentoring and access to essential services such as laboratory testing and analysis, intellectual property rights (IPR) assistance, trademark facilitation, and other technical support systems.

Under the HUB-SPOKE initiative of the Anusandhan National Research Foundation (ANRF), Ministry of Science and Technology, Government of India, a research proposal submitted by Shivaji University has been selected by the premier Indian Institute of Science (IISc). The selection of Shivaji University from among numerous universities and institutions across the country by IISc underscores the high quality and academic merit of the University's research endeavours.

To encourage researchers within the University jurisdiction to produce high-quality research publications, the University regularly publishes its own Journal of Science and Technology and Journal of Humanities. In order to foster research interest and curiosity among young faculty members from University departments and affiliated colleges, a Research Promotion Scheme has been implemented since the academic year 2017–18, funded through the University's internal resources. Under this scheme, during the period

under report, financial assistance amounting to ₹55,54,000 was sanctioned to 44 research projects undertaken by teachers from affiliated colleges. Additionally, under the Research Strengthening Scheme, a grant of ₹3,83,000 was provided to three research projects from University departments.

During the year, the University's Space Centre at Panhala received scientific equipment worth approximately ₹6 crore free of cost under a Memorandum of Understanding with the Physical Research Laboratory, Ahmedabad, an institution under the Department of Space, Government of India, for the establishment of an Aeronomy Observatory. Over the past year, the Centre's facilities have been visited and reviewed by senior officials from institutions such as IUCAA, the Indian Institute of Geomagnetism, and BARC, along with delegations from foreign universities. These institutions have also expressed their willingness to extend support for further strengthening and upgrading the Centre's infrastructure. The Centre regularly organises space observation activities and awareness programmes.

Having already achieved water self-sufficiency, the University has now initiated steps towards energy self-sufficiency. In this direction, the installation of a 500 kW solar power plant is currently in progress.

During the year, the Department of M.A. Mass Communication introduced B.A. (Film Making) after Class XII—the first and only undergraduate programme in Film Studies of its kind in the State. The programme has received an encouraging response from students. In addition, several new undergraduate and postgraduate programmes have been launched, including B.B.A.–M.B.A. (Integrated), B.Com. (BFSI), B.Sc.–M.Sc. (Artificial Intelligence and Machine Learning), and B.Sc.–B.Ed. (Four-Year Integrated). A Postgraduate Diploma in Process Safety and Management, as well as certificate courses in Basic Braille Foundation and Ability, Skills and Healthy Attitudes, have also been introduced. The previously launched B.A. (Sports) programme has likewise continued to receive a positive response.

The University has made significant and positive strides in the field of distance and online education, particularly for students who are unable to participate in the conventional mode of education due to various constraints, as well as for those pursuing education alongside employment. The University Grants Commission has granted approval for a period of five years to a total of 13 programmes offered by the University's Centre for Distance and Online Education. Shivaji University is the first public non-agricultural university in the State to introduce an online MBA programme. In addition, new programmes such as M.Com., M.Sc. (Mathematics), and M.Sc. (Computer Science) have been launched in the online mode. During the year under report, self-learning materials for a total of 267 subjects were developed in accordance with the revised curricula of B.A., B.Com., M.A., and M.Com. programmes.

During the period under report, Shivaji University entered into Memoranda of Understanding with several reputed institutions. These include national organisations such as the Gandhi Research Foundation (Jalgaon), the Institute of Chartered Accountants

of India (New Delhi), the Gokhale Institute of Politics and Economics (Pune), the BFSI Sector Skill Council of India, Flamma Technologies Pvt. Ltd. (Pune), Bahá'í Academy (Panchgani), Chhatrapati Shahu Maharaj Research, Training and Human Development Institute (SARTHI), Avalon Power Pvt. Ltd., the Indian Air Force (New Delhi), the National Association of Software and Service Companies (NASSCOM), and the deAsra Foundation (Pune). The University has also established international collaborations through agreements with Mid Sweden University (Sweden) and National Dong Hwa University (Taiwan).

Recognising the importance of value-based education in human life, the University has, under a Memorandum of Understanding with Gandhi Teerth at Jalgaon, initiated a programme to send students annually for residential camps. The first batch successfully completed its camp during the year. Similarly, under the agreement with Mid Sweden University, a research project on the highly significant theme of hydrogen generation has been sanctioned to Shivaji University. As part of this collaboration, researchers from both universities will also work towards developing supplementary technologies.

During the year under report, two significant appointments were made. Shri Sudhir Purushottam Kulkarni, Retired Principal District and Sessions Judge, was appointed as the first Lokpal (Ombudsperson) of the University, and Shri Sachin Menon was appointed as the Chairman of the University's Advisory Council by the Hon'ble Governor.

Furthermore, during the year, the University granted initial affiliation to 10 new colleges. Autonomy has been granted to four University departments—Physics, Botany, Zoology, and Economics. In addition, one college has been conferred autonomous status, while four colleges have been granted the status of empowered autonomous institutions. The online academic audit of all affiliated colleges of the University has been successfully completed, with the next phase scheduled to commence in the academic year 2025–26. Furthermore, a comprehensive Five-Year Perspective Plan for the period 2024–25 to 2028–29 has been prepared and submitted to the Government.

To provide a platform for students of the University departments to showcase their cultural talents, Shivaji University organizes the annual Shivspandan Cultural Festival competitions. This year's festival featured eight Art Forms, including Group Dance, Skits, Mime, Indian Group Singing, Solo Folk Instrumental Performance, Mimicry, Light Music, and Solo Dance. The Department of Music and Drama secured the Overall Championship Trophy. Similarly, in the Shivspandan Sports Festival, around 2,500 students from the campus participated in various team and individual sporting events. The Faculty of Technology emerged as the overall winner of the competition.

On the occasion of the 75th anniversary of India's Independence, a unique musical instruments festival was organized at the University. As part of this initiative, performances featuring 75 traditional instruments from different parts of the country were held across various locations on the campus during the morning session. This was followed by an exhibition of all 75 instruments, along with detailed information, at the

Rajmata Jijau Saheb Multi-Purpose Hall. The event received an overwhelming response from the public.

Shivaji University launched its community radio station "Shivvani" on 15th August this year. Broadcasting on 89.6 MHz FM, the programmes are aired from 8:00 to 9:30 a.m. and 6:00 to 7:30 p.m., reaching listeners in Kolhapur and surrounding areas. The platform disseminates information on socially relevant initiatives and activities, while also providing opportunities for community stakeholders engaged in public welfare to participate and share their work.

In line with contemporary needs, an E-waste Management Centre has been established in the Department of Electronics. Additionally, the Department of Zoology has set up a Freshwater Pearl Cultivation, Research, and Production Centre. The first pearl produced at this centre was presented to the Hon'ble Governor of Maharashtra, Shri C. P. Radhakrishnan.

Shivaji University is implementing a Special Concession Scheme for students from the Maharashtra–Karnataka border region. To promote awareness of this initiative, University faculty members conduct outreach workshops annually at various locations in the border areas of Karnataka. The scheme has received an encouraging response, with a growing number of Marathi-speaking students from Karnataka opting for higher education at Shivaji University—an important and noteworthy development.

A major infrastructure project connecting the eastern and western sections of the University campus through underground and service roads has been successfully completed, owing to the initiative of the Hon'ble Minister of Higher and Technical Education, Shri Chandrakantdada Patil. The Government of Maharashtra sanctioned ₹8 crore 41 lakh 81 thousand for this project. The facility has been inaugurated by the Hon'ble Minister and is now operational for regular use. On the occasion of the Post-Centenary Golden Jubilee Birth Anniversary of Rajarshi Chhatrapati Shahu Maharaj, an international-standard wrestling complex was constructed within a short span at the Karmayogi Meghnath Nageshkar Sports Complex of Shivaji University. A separate hostel equipped with modern facilities for sportspersons is also being developed. Construction work is underway for independent buildings for the Faculty of Commerce and Management, as well as the Yashwantrao Chavan School of Rural Development. The construction of a Youth Hostel under the Department of Student Welfare has commenced, while expansion works of the Departments of Geography and Statistics have also been initiated. The development of Dr. Appasaheb Pawar Hall and the Padmashri (Late) Dr. G. G. Jadhav Chair building is progressing rapidly. Additionally, the construction of a dedicated gymnasium within the student hostel premises is in progress.

In a notable philanthropic contribution, former Head of the Department of Geography, Dr. Ram Pandurkar, along with his wife, donated ₹60 lakh in two phases in memory of their daughter, Adv. (Dr.) Rupali Pandurkar. Through this generous contribution, a spacious two-storeyed study hall has been established in the girls' hostel

campus, providing significant academic support and benefit to female students.

Under the proposed "Loksamruti Girls' Hostel" scheme, initiated by the University to provide accommodation for around one hundred female students, there has been an overwhelming philanthropic response. Contributions have been received from a wide spectrum of donors, including present and former University employees, teachers, their relatives, distinguished citizens, as well as local, national, and international companies. Through this collective generosity, approximately ₹90 lakh has been raised. The construction of the Loksamruti Girls' Hostel is currently progressing at a rapid pace.

Shivaji University has emerged as a frontrunner in water conservation and environmental sustainability. With a rich green cover of around 13,000 trees, the University campus has become the "lungs" of Kolhapur city, attracting thousands of citizens daily for walking and recreation. The campus, particularly its gardens, has earned national recognition. The University's Garden Department has consistently secured top positions in Garden Club flower exhibition competitions, and this year too, it achieved the overall championship along with 46 different awards.

During the year under report, the University also published several significant books. A comprehensive 500-page historical volume titled Hirak Mahotsavi Shivaji University (1962–2021), documenting the remarkable journey of the University, was released on the occasion of its 62nd Foundation Day. Other notable publications include *Com. Datta Deshmukh: Speeches in the Legislature, Vol. I* by Dr. Prakash Pawar and Atul Dighe; *Lokmanya and Mahatma* by Dr. Bharati Patil; *Swarajya and the State System* by Prof. Ram Bapat; and *Survey Research in Political Science in India* by Prof. V. M. Sirsikar.

Additionally, the Dr. Babasaheb Ambedkar Research Centre published *Dalit Aesthetics: A Theoretical Framework of Dr. Babasaheb Ambedkar's Thought* by Shri Sudhakar Gaikwad. Under the Late R. N. Godbole Chair of The United Western Bank, publications such as *Business Correspondent Model and Its Role in the Banking Sector* by Dr. Shrikrishna Mahajan and *Leadership in Banking Sector* by Dr. Raju Shravasti were released. Furthermore, the first volume of the five-volume historical series on Kolhapur, titled *Kolhapur: Historical and Natural* by eminent historian Dr. Jayasingrao Pawar, was also published.

The University's Examination Section is undertaking several technological reforms to enhance efficiency and transparency. Through the in-house SRPD (Secured Remote Paper Delivery) system, jointly developed by the Examination and Computer Departments, question papers for all scheduled examinations are securely delivered to examination centres. Since last year, the University has also initiated the online issuance of various certificates. During the year under report, a total of 26,781 documents were distributed through this system. Certificates such as duplicate degree certificates and provisional degree certificates have also been made available online, with 5,545 such certificates issued during the reporting period. For the academic year 2024–25, answer sheets for postgraduate and Ph.D. entrance examinations were provided in OMR format along with carbon copies, ensuring greater convenience for candidates.

The University has continued its tradition of declaring examination results within the stipulated time. The results of the winter session examinations were announced in an average of just 13.99 days, marking a notable achievement. Additionally, the University has introduced the practice of awarding Ph.D. certificates to candidates on the very day of their viva voce examination. At the 62 ndConvocation Ceremony of Shivaji University, a total of 51,492 degree certificates were conferred, of which a significant 28,595 recipients were women. From this convocation onwards, the University introduced the practice of awarding bilingual degree certificates in both Devanagari and English. Moreover, students from affiliated empowered autonomous colleges were also granted joint degree certificates, making the convocation a historic milestone.

The National Academic Depository (NAD) Cell, established at Shivaji University in 2020, has facilitated the digital archiving of academic records. A total of 10,03,190 degree and postgraduate certificates (covering the 37th to 60th Convocation Ceremonies, i.e., from 2001 to 2024) have been uploaded on the NAD portal. Additionally, 1,75,082 mark sheets as of March 2024 have been uploaded. Under the Academic Bank of Credits (ABC) system, IDs have been created for 2,56,271 students, further strengthening the University's digital academic infrastructure. Efficiency in the examination evaluation process was further enhanced through the introduction of On-Screen Marking (OSM) for the assessment of answer scripts of postgraduate programmes (M.A., M.Com., M.Sc.) during the October/November 2024 session. This initiative received strong support and cooperation from teacher examiners and supervisors.

While an attempt has been made here to briefly highlight some of the key developments of the year under report, the report also presents a comprehensive account of several other significant activities and achievements. It is expected that this report will offer readers a clear and substantive understanding of the University's progressive trajectory, and that it will be received with due academic interest and appreciation.

A WORD FROM THE PRESIDENT OF BOARD OF DEANS

It is with great pleasure that I present the 62nd Annual Report of Shivaji University. Since its establishment, the University has consistently demonstrated sustained and commendable progress, attaining significant milestones in the advancement of education while making meaningful contributions to the fields of arts, sports, culture, and social development.

On behalf of the Student Development Department, a total of ₹96 lakh was disbursed to 107 beneficiaries under the Shivaji University Student, Parent, Teacher and Administrative Staff Welfare Fund Scheme during the period from April to December 2024. Additionally, financial assistance amounting to ₹1.5 lakh was provided to three students under the Student Accident/Medical Assistance Fund Scheme.

In the 37th Western Zonal Youth Festival held at Rashtrasant Tukadoji Maharaj Nagpur University, the University team secured prizes in a total of nine categories. In the 37th National Youth Festival held at Punjab Agricultural University, Ludhiana, the University team participated in five competitions and achieved distinctions in all five events.

The District Level Youth Festival 2024–25 was organized at Jaysingpur College, Jaysingpur (Kolhapur District); Annasaheb Dange College of Engineering and Technology, Ashta (Sangli District); and D. P. Bhosale College, Koregaon (Satara District). The Central Youth Festival 2024–25 was held at Ajra College, Ajra, featuring competitions in 13 team and 22 individual categories. The Folk Art Rotating Cup was awarded to Padma Bhushan Vasantrao Dada Patil College, Kavathe Mahankal, while the Folk Dance Rotating Cup was jointly awarded to Vivekananda College, Kolhapur, and Shikshan Maharshi Dr. Bapuji Salunkhe College, Miraj. The First Vice-Chancellor Late Dr. Appasaheb Pawar Individual Competition Award and the Abhijitdada Kadam Team Competition Award were secured by Vivekananda College, Kolhapur.

On the occasion of the centenary celebrations of Willingdon College, the Rotating Glory Cup was awarded, with participating institutions including Vivekananda College (Kolhapur), Sadguru Gadge Maharaj College (Karad), Government College of Engineering (Kolhapur), and Smt. Kusumtai Rajarambapu Patil Girls' College (Urun-Islampur). Dr.

Punjabrao Deshmukh Agricultural University, Krushinagar (Akola) won the rotating trophy of the overall champion and the overall runner-up in the music section at the State Level Indradhanushya Yuva Mahotsav 2024-2025.

In the District-Level Avishkar Research Competition 2024–25, New College, Kolhapur (Kolhapur District), Rajarambapu College of Pharmacy, Kasegaon (Sangli District), and Sadguru Gadge Maharaj College, Karad (Satara District) secured first positions in their respective districts. A total of 349 students participated in the University-Level Avishkar Research Competition 2024–25, in which Rajarambapu College of Pharmacy, Kasegaon, won the Overall Championship Rotating Trophy.

On the occasion of Shivrajyabhishek Day, a Raigad Fort Cleanliness Campaign was organized from 2 to 8 June 2024 in collaboration with the National Service Scheme and the Department of Technology of the University. A total of 300 volunteers participated in the initiative, removing plastic waste and debris from the fort and conveying a strong message of environmental conservation and preservation of heritage sites.

As in previous years, the "Panhala–Pavankhind Shivpavan Prerna Padbhramanti Campaign" was also organized in collaboration with the National Service Scheme and Deshbhakta Anandrao Balwantrao Naik College, Chikhali. The campaign witnessed the participation of 300 volunteers along with 50 teachers, administrative officers, and staff members.

On the occasion of the birth anniversary of Bharat Ratna Dr. A. P. J. Abdul Kalam, the University and all its affiliated colleges simultaneously conducted a reading of a specially prepared text describing the coronation ceremony of Chhatrapati Shivaji Maharaj, commemorating the 350th anniversary of the historic event.

Under the campaign "Let's Know the River," an eight-day padyatra was organized along the banks of the Krishna River in Sangli district. The initiative witnessed participation from a wide cross-section of society, including government officials, educational institutions, socially conscious groups, and students. As part of the campaign, "River Friend" associations were established in villages, and awareness was created regarding the issues affecting the river and their possible solutions.

Campus cleanliness has become an integral part of the University's institutional culture. Cleanliness drives were regularly organized through Shram Sanskar camps on various occasions, including Mahatma Gandhi Jayanti, contributing to making the campus plastic-free. During the year, the NSS Cell also implemented a social reform initiative for the eradication of caste. In collaboration with the Kolhapur Andhashraddha Nirmulan Samiti, the matted hair of three women working as contract employees in the University was successfully removed.

Under the National Service Scheme, voter awareness campaigns and new voter registration drives were organized at various locations. University volunteers actively participated in the "Lokshahi Marathon" organized by the Kolhapur District Collectorate under the slogan "Run for Vote," and also assisted the administration in crowd and traffic

management. Volunteers further rendered their services during the Lok Sabha and Maharashtra State Assembly elections held during the year, contributing as polling station volunteers and assisting the police as "Police Mitra" in ensuring the smooth conduct of the electoral process.

Under the "Yuva Samvad 2027" initiative organized by the Union Ministry of Youth Affairs and Sports, eminent dignitaries interacted with 150 volunteers from the University. Similarly, a district-level Youth Parliament programme was organized in collaboration with Nehru Yuva Kendra, in which 150 participants were guided by MLA Shri Prakash Abitkar.

In addition the NSS unit of the University successfully implemented several activities of national importance on the campus, including the Reading Resolution of Maharashtra, National Reading Day, Nirmal Wari, "Har Ghar Tiranga" Cycle Rally, Tiranga Run, Sadbhavana Day, World Anti-Terrorism Day, Rajarshi Shahu Maharaj Centenary Golden Jubilee commemorations, National Integration Camp, and Constitution Week.

Shivaji University athletes delivered notable performances during the year under report. Six players (one male and five female) represented the University in the Indian Universities Rugby Team at the World Inter-University Rugby Championship held in France. Wrestler Amruta Shashikant Pujari secured the prestigious Maharashtra Kesari title in the open women's category and also won a silver medal in the 72 kg weight category while representing India at the Senior Asian Wrestling Championship. Anushka Dattatreya Patil was selected to represent India in the Junior World Athletics Championship to be held in Lima (Peru America). In recognition of their achievements, five athletes from the University were conferred the Shri Shiv Chhatrapati Award by the Government of Maharashtra. These include Vaishnavi Patil (Rugby), Shridhar Nigde (Rugby), Shahu Mane (Shooting), Pratik Patil (Cycling), and Nandini Salunkhe (Wrestling). On the occasion of National Sports Day, a two-day exhibition showcasing the sporting career of Olympic medalist Khashaba Jadhav was organized at the University's new wrestling complex.

The University team secured third position in the Western Zonal Inter-University Kabaddi (Men) Tournament and qualified for the All-India Inter-University Tournament. In the All-India Inter-University Cross Country (Men) Tournament, Pradhan Kerulkar won a silver medal, while Abhishek Devkate secured a bronze medal. The women's team also secured third position. In the South-Western Inter-University Judo (Women) Tournament, the University players achieved the overall runner-up position, winning one gold and two silver medals. Similarly, in the South-Western Inter-University Weightlifting (Women) Tournament, the University secured one gold, two silver, and one bronze medal.

Ranjit Rajmane, who secured the overall runner-up position in the South-West Inter-University Judo (Men) Championship, was selected for the All-India Inter-University Championship. The University won a bronze medal in the South-West Inter-University Weightlifting (Men) Championship, and seven players from the team were selected for the All-India Inter-University Weightlifting Championship. In the All-India Inter-University Archery Championship (Men and Women), the University secured one gold, four silver, and

one bronze medal. These players were subsequently selected for the Khelo India Championship. In the All-India Inter-University Swimming Championship (Men and Women), the University won one silver and one bronze medal, and these players were also selected for the Khelo India Championship.

The Department of Music and Dramatics of the University revived the "Rajarshi Shahu Sangeet Rajni" this year after a gap of 22 years. The programme, held at the Ram Ganesh Gadkari Auditorium, Pethala, received an overwhelming response from the Kolhapur audience. The Principal Dr. Balkrishna Lecture Series was also introduced during the year under report. In addition, an innovative online initiative titled "Photo of the Week" is organized regularly for students, teachers, and staff, and has been receiving an encouraging response.

A number of conferences, workshops, and symposia on significant academic themes were organized at the University during the year. The Department of Physics conducted national workshops on "Contemporary Issues in Astronomy and Astrophysics" and "Atmosphere–Ionosphere Dynamics: Observations and Data Analysis." The Department of Lifelong Learning and Extension organized national workshops on "New Aspects in Yoga Naturopathy" and "Early Education: Direction of Change." The Department of Botany conducted workshops on "Plant Systematics: A Phylogenetic Approach" and "Molecular Phylogenetics," while the Department of Statistics organized a workshop on "Statistical Exploration of Real Problems." The Department of Law conducted a national workshop on "The New Criminal Laws in India." In addition, several national and international conferences and workshops on diverse contemporary issues were organized across affiliated colleges.

In this manner, the report presents a comprehensive overview of the all-round progress of Shivaji University, and it is expected that it will be received with appreciation by all stakeholders.

A WORD FROM 62 ndANNUAL REPORT SUBCOMMITTEE PRESIDENT

Prof. (Dr.) Mahadev S. Deshmukh
Dean, Faculty of Humanities

I am delighted to present the 62nd Annual Report of Shivaji University. It gives me great pleasure to place before you a comprehensive account of the developments, initiatives, progress, and achievements of the University during the academic year from 1 July 2024 to 30 June 2025. This report provides a detailed overview of the University's rapid progress in research, enhancement of academic standards, commitment to social responsibility, notable achievements in cultural and sports activities, and the significant contributions made by various departments.

The Annual Report is being published after receiving the final approval of the Management Council and the Senate under Section 136 (1) of the Maharashtra Public Universities Act, 2016. The information contained herein has been compiled and carefully edited based on inputs received from affiliated colleges, academic departments, and administrative units within the University. While every effort has been made to ensure completeness and accuracy, the comprehensiveness of the report is dependent upon the information provided by the respective colleges and departments. It is hoped that this report will serve as a valuable reference for government agencies and other stakeholders.

This report is not merely a record of events during the academic year; it reflects the University's overall progress, demonstrates its administrative commitment, and provides direction for its future development. As Chairman of the Report Committee, I am extremely proud to present this report.

During the year, the University has undertaken significant initiatives in quality enhancement, student-centric development, research promotion, environmental sustainability, and social outreach. The planned, consistent, and innovative efforts undertaken in these areas are truly commendable. These accomplishments are the result of the collective contributions of the University's officers, faculty, staff, and students.

The Report Committee has prepared this document after thorough scrutiny of

the information received from all sections, adhering to the principles of accuracy, transparency, and objectivity. This effort has been made possible through the cooperation and dedication of all the members of the Report Committee.

On this occasion, I express my heartfelt gratitude to the Hon'ble Vice-Chancellor, Hon'ble Pro-Vice-Chancellor, Hon'ble Registrar, Members of the Senate, Members of the Management Council, Members of the Academic Council, and the Heads of various departments of the University for their valuable guidance and support.

I also extend my sincere thanks to the staff of the Seminar Section for diligently undertaking the important task of compiling and producing this report, and to the staff of the Shivaji University Press for publishing it in an attractive and professional manner. I am equally grateful to all those, known and unknown, who have contributed directly or indirectly to the preparation of this Annual Report.

Thank you.

Position of the University regarding NAAC assessment:

Quality assurance in higher education is crucial, particularly in light of educational development within higher education systems, as well as the challenges faced by developing countries. In accordance with the recommendations of the National Education Policy (1986) and under Section 12 of the University Grants Commission (UGC) Act of 1956 (CCC), the National Assessment and Accreditation Council (NAAC) was established in Bangalore in 1994 by the University Grants Commission.

In November 2002, the NAAC department was established at the university with the aim of enhancing the standards of higher education. This was in response to the growing competition from foreign universities due to globalization and the need to improve the quality of community-oriented education and student-centric research.

To ensure consistency in the quality of higher education, in line with the Academic Development Policy, guidelines were set for universities, affiliated colleges, and

recognized institutes accredited by NAAC, Bangalore to establish an Internal Quality Assurance Cell (IQAC). In accordance with these guidelines, the university formed a Quality Advisory Council (QAC) committee under the IQAC. Over time, as per the changing guidelines, a revised committee has been formed, with regular meetings organized for its members.

The university underwent its first NAAC accreditation in 2004, followed by a re-accreditation in 2009, a third re-accreditation in 2014, and a fourth re-accreditation in 2021. In these assessments, the university received the ratings of 'B+', 'B', 'A', and 'A++' respectively.

NACC / NBA related College Status

The number of affiliated colleges and recognized institutes under the university that have undergone accreditation or re-accreditation by NAAC, along with the respective grades received, is reported below:

Particulars of NAAC Accreditation	**Grantable**			**Government**		**Non-Grantable**			**Total**

Internal Quality Assurance Cell (IQAC)

The preparation of the Annual Quality Assurance Report (AQAR) for the university is managed by the Internal Quality Assurance Cell (IQAC). This report is submitted to NAAC, Bangalore annually. Regular meetings of the IQAC committee are conducted in accordance with the guidelines set by NAAC.

Efforts are continuously made to address the issues identified during evaluations, and necessary improvements are communicated to the administration or relevant authorities for timely resolution. All affiliated colleges of the university are regularly updated on NAAC evaluations and re-evaluations. In addition, guidance is provided through workshops organized for principals and directors by various university departments. Furthermore, all government directives related to NAAC evaluation for colleges are promptly communicated to the concerned institutions.

The University IQAC's Documentation Center is regularly visited by principals, teachers, or the college-level committees responsible for NAAC accreditation at affiliated colleges and recognized institutions. During these visits, attendees are provided with guidance on how to effectively present key documentation to the NAAC Peer Review Committee and are advised on the necessary preparations for the accreditation process. Additionally, representatives

from other universities also visit to observe the documentation practices followed by our institution.

Shivaji University underwent evaluation through the Internal Quality Assurance Cell (IQAC) as part of the National Institutional Ranking Framework (NIRF) assessment. As per the NIRF 2024 rankings, the university has been placed in the 151–200 rank band in the Overall University Category and in the 51–100 rank band among State Public Universities.

Lead College Scheme:

Most of the colleges affiliated with Shivaji University are located in rural areas. The Lead College Scheme, initiated in 2005, aims to bridge the gap between rural and urban educational experiences. The objective is to provide students from rural areas exposure to the resources and technologies available in urban colleges, while also encouraging students from urban areas to gain insights into the rural education system.

The guidelines for the scheme have been developed, and all activities are carried out accordingly. Under this initiative, there is a Leading College Apex Committee, which organizes regular meetings to oversee the progress and implementation of the scheme. Additionally, a variety of activities are conducted in colleges under this scheme, benefiting students, faculty, non-teaching staff, and the wider community.

In the financial year 2024-25, 90 percent of the fees collected by the affiliated colleges were allocated to the leading colleges to support and carry out various activities under the Lead College Scheme.

Important Events:

1. The department is actively engaged in social research on Jaggery. Over the last decade, significant research has been carried out and recently one patent has been filed.

2. The research project on Jaggery has vast social, economic, and technical importance. The project focuses on the biochemical analysis of jaggery and hygienic production of jaggery powder, which will help boost the jaggery market in India.

2	Dr. S. G. Ghane	Best Paper Award	32nd International Multidisciplinary Excellence Conference, Poznan, Poland

Important Events:

1. On 16 May 2024, the Department of Botany organized an academic program for the release of the book "Commelinaceae of India" authored by Dr. Mayur Nandikar and Prof. Dr. Rajaram Gurav.
2. July, 2024 Dr. S. R. Yadav, Prof. Dr. V. D. Jadhav, Dr. N. B. Gaikwad, Dr. M. M. Lekhak, Dr. S. A. Patil, Shridhar Otari, Akanksha Jeswani and Rupali Chougule participated in the 20th International Botanical Congress Madrid, Spain (IBC 2024) from 21 to 27 July 2024.
3. Dr. S. G. Ghane participated in the 32nd International Conference on Multidisciplinary Excellence held at Poznan University of Life Sciences, Poland from 24th to 25th May 2025.
4. The Lead Botanical Garden of the Department, which is recognized by the Ministry of Environment and Forests, serves as a living laboratory for research and conservation. It serves as a field gene bank for various species and promotes the use of wild plants as ornamentals, which has economic potential in the nursery and landscaping sectors. Last year, a total of 3742 students, including 1173 students from 22 schools and 2569 students from 60 colleges, visited the Lead Botanical Garden.
5. The work of the Department of Social Development extends beyond research and makes a strong social impact through community engagement and education.
6. Conservation and Awareness: With a focus on the conservation of endemic and endangered plants and species of the Western Ghats, the department plays a vital role in preserving the unique biodiversity of the region. It organizes awareness programmes, seminars, and workshops for students and the general public, instilling a sense of environmental responsibility.
7. Water Conservation: The department is involved in significant water conservation efforts including the excavation of wells and farm ponds to maintain its botanical garden on the university campus. This initiative serves as

a model for sustainable water management.

8. Knowledge Dissemination: The department actively provides advice, services to various agencies and provides plant and pathogen identification services to the public. They organize popular lectures and write articles in regional languages to increase scientific awareness, which is important for rural communities.

Significant Activities:

1. An International Conference titled *"Advances in Statistical Methods, Data Science and Official Statistics (ICASDO 2025)"* was successfully organized. The conference received external financial support amounting to ₹18.0 lakhs from multiple agencies, including the Ministry of Statistics and Programme Implementation (MoSPI) (**₹** 6.5 lakhs), Reserve Bank of India (₹2.0 lakhs), National Board for Higher Mathematics (**₹** 5.0 lakhs), and Science and Engineering Research Board (**₹** 4.5 lakhs).

2. A one-day workshop on *"Statistical Exploration of Real Problems"*, sponsored by PM-UShA, was organized for undergraduate students, with participation of approximately 250 students.

3. More than ten students from the Department have successfully secured positions in government services.

4. Twenty students from the Department qualified the SET/NET examinations.

5. The Department organized more than four guest lectures on contemporary topics such as *Machine Learning for Time-Series Data*, *AI for Agriculture*, and *Optimization and Analytics using PySpark*, delivered by experts from IISc Bangalore, AgriPlus Technologies, and The Parker Avery Group, Pune.

6. The *Centre of Excellence in AI for Sustainable Development (CoEAISD)* was inaugurated on 30th August, 2024. The inaugural lecture titled *"From AI to GenAI: Opportunities and Challenges"* was delivered by Prof. Shirish Shevde, IISc Bangalore.

7. Dr. S. D. Pawar, Assistant Professor, conducted a data-driven study in Sagav village (Taluka Shirala, District Sangli), analyzed socio-economic factors and the implementation of government schemes in collaboration with the Gram Panchayat.

8. In collaboration with SUSTA, the Department organized a one-day workshop on *"Statistical Insights: Exploring Practical Applications and Career Prospects"* for B.Sc. Part I students from four districts.

Significant Activities:

1. Capacity Building Programme on Biodiversity Studies

A two-day *Capacity Building Programme on Biodiversity Studies* was organized on 7th February, 2025. The programme was inaugurated by Shri R. M. Ramanujam, Chief Conservator of Forests, Kolhapur, in the presence of scientists from the Zoological Survey of India (ZSI). The programme was coordinated by Prof. S. M. Gaikwad, who outlined its objectives and schedule, while Prof. M. V. Walvekar introduced the dignitaries. Dr. Aparna Kalavate elaborated on the role of ZSI and the significance of biodiversity studies.

The programme was presided over by the Head of the Department, Prof. S. R. Yankanchi, who emphasized the need for research collaborations and integration of biodiversity studies within the curriculum. The academic sessions included expert lectures by Dr. S. S. Talmale on the diversity and taxonomy of Indian mammals, Dr. Aparna Kalavate on Lepidoptera diversity and taxonomy, and Dr. Sameer Patiya on taxonomic principles and classification.

The programme incorporated extensive hands-on training sessions, including the installation and use of camera traps and light traps, identification of specimens, classification based on mammalian skull morphology, and studies on spider diversity and classification. The practical sessions culminated in the observation of wildlife activity, including the capture of a fox image through camera traps.

A total of 68 participants, including M.Sc. and Ph.D. students, attended the programme, along with three international students from the Department of Environmental Science. The programme concluded with a valedictory session, where participants shared their feedback, followed by a vote of thanks proposed by Dr. A. D. Gofane.

2. Hands-on Training Programme on "Laboratory Animal Handling"

Under the PM-USHA scheme, the Department of Zoology organized a two-day hands-on training programme on *"Laboratory Animal Handling"* on 18th and 19th October, 2024, under the soft skills component.

The programme featured expert sessions by Dr. Ravindra Kulkarni, who discussed the historical evolution of laboratory animal use, and Dr. Shabbir Pendhari, who highlighted the role of animal studies in preclinical trials. The training included practical demonstrations on animal care and management, cage design, nutritional supplementation, deworming, handling techniques, injection methods (intraperitoneal and intramuscular), oral drug administration through the gavage method, dose determination, anesthesia (demonstration), and blood collection techniques.

On the second day, Prof. A. A. Deshmukh elaborated on animal house design and standard operating procedures (SOPs), while Prof. M. V. Walvekar discussed regulatory guidelines and approval processes as per the Committee for the Control and Supervision of Experiments on Animals (CCSEA). Prof. N. A. Kamble demonstrated the identification of the estrous cycle in rats and explained its significance in reproductive studies.

The programme witnessed active participation from 97 M.Sc. and Ph.D. students, thereby enhancing their practical competencies and research preparedness in laboratory animal sciences.

18. Board of Innovation, Research and Linkages

The SUK Research and Development Foundation (SUKRDF), functioning under Shivaji University, Kolhapur, serves as the University's official incubation and innovation body. Established on 28th August, 2021, SUKRDF operates in close collaboration with the Shivaji Centre for Innovation, Incubation and Linkages (SCIIL) to promote research-driven innovation, start-ups, and entrepreneurial development within the University ecosystem.

During the academic year 2024–2025, SUKRDF demonstrated significant progress across multiple dimensions. A total of over 105 start-ups were supported under incubation, reflecting an 845% increase compared to the previous year. Among these, 63% start-ups have been formally registered, while 51% are in the active operational phase. Additionally, more than 55 products have reached market readiness, 11 start-ups have successfully graduated from incubation, and approximately 12 to 15 patents have been filed. These initiatives have collectively generated over 250 employment opportunities, while start-ups have attracted external funding exceeding ₹2.5 crore. Furthermore, seed funding amounting to ₹50 lakh has been disbursed.

To strengthen capacity building, SUKRDF organized more than 80 workshops and training programmes, 25 industry interactions, and 20 institutional study tours. Key initiatives such as the Monthly Innovation Challenge, Start-up Sutra Lecture Series, IDEA to Funding Workshop (under the PM-UShA scheme), MSME Hackathon 5.0, and the Academia–Industry–Government Conclave 1.0 have directly benefited over 22,500 participants, including students, researchers, and aspiring entrepreneurs.

From a financial management perspective, ₹ 23.18 lakh was effectively utilized for programme implementation, ₹ 3.5 lakh for infrastructure development, ₹ 40 lakh was allocated to support student and faculty start-ups under the PM-UShA scheme, and ₹3.68 lakh was expended on public awareness initiatives.

The University's innovation ecosystem has also gained national recognition. The start-up VG Software received support under prestigious schemes of C-DOT and STPI, while AVN Agrobharat Pvt. Ltd. secured a national-level award in the Start-up Grand Challenge 3.0 organized by the Ministry of Food Processing Industries (MoFPI) and NIFTEM, Thanjavur.

Looking ahead, SUKRDF aims to further strengthen and sustain the University's innovation ecosystem by establishing a Skills, Innovation, Startups and Entrepreneurship Centre under the PM-USHA scheme during the period 2025–2027.

Overall, the initiatives undertaken by SUKRDF are significantly contributing towards positioning Shivaji University, Kolhapur as a prominent hub for research-based innovation and start-up development, thereby enhancing its socio-economic impact.

The hostel system consists of four hostels and three messes, offering quality food at reasonable rates. During the academic year 2024–2025, a total of 1,254 students were accommodated. The students enrolled in the hostel pursue courses such as M.A., M.Com.,

M.Sc., M.C.A., M.B.A., M.Ed., Ph.D., LL.M., MSW, M.Lib., and B.C.A. The three messes are operated on a club system by students under the 'Earn and Learn' scheme, ensuring cost-effective and participatory management.

The hostel provides comprehensive residential amenities, including 24-hour water supply, television with DTH, hot water through geyser and solar systems, and purified drinking water through Aqua-guard. Each wing is equipped with public address/speaker systems. Additional facilities include 24×7 security, emergency medical services, gymnasium, yoga facilities, and Wi-Fi connectivity, ensuring both safety and holistic development of students. Various academic, cultural, and personality development programmes are regularly organized.

During the academic years 2024 and 2025, various academic, cultural, and awareness programmes were organized in the Girls' Hostel to promote holistic development and social awareness among students.

Important Events and Activities:

25.5. Dr. Appasaheb Pawar Vidyarthi Bhavan ('Earn and Learn' Scheme):

The Dr. Appasaheb Pawar Vidyarthi Bhavan 'Earn and Learn' Scheme was initiated in 1968 by the founding Vice Chancellor, Late Dr. Appasaheb Pawar, for postgraduate students studying on the university campus. The primary objective of this scheme is to support students from underprivileged, economically weaker sections, and marginalized backgrounds by integrating them into the higher education system.

Under this scheme, students enrolled in postgraduate programmes who face financial constraints are given priority for admission. Every year, 50 male and 50 female students are enrolled. The Vidyarthi Bhavan hostel consists of 54 rooms with a capacity to accommodate approximately 100 students, along with a separate facility for female students.

This scheme is distinctive in that it provides comprehensive support, including free accommodation, meals, tuition fee concessions, examination fee concessions, and access to medical facilities through the University Health Centre. In return, students are required to work for three hours daily across various university departments, study centres, and service units such as the Xerox centre and water distribution centre. The remuneration earned is utilized to sustain the scheme.

The scheme functions as an administrative support system rather than an academic programme; therefore, it does not involve direct teaching-learning activities.

Beneficiaries under the 'Earn and Learn' Scheme:

Sr. No.	Facility / Hostel	Number of Students
1	Boys Vidyarthi Bhavan Hostel	81
2	Girls Vidyarthi Bhavan Hostel	109
	Total	**190**

Rector and Staff (Earn and Learn Scheme):
The university appoints a Rector and supporting staff to administer the scheme effectively.

Important Events and Activities:

1. The birth anniversary (5th May) and death anniversary (30th December) of Late Dr. Appasaheb Pawar are observed annually. The scheme also participates in commemorating important national and state-level personalities.

2. An additional initiative titled "Work on Demand" enables any student within the university campus to undertake part-time work and receive financial assistance, thereby preventing dropout due to economic hardship.

25.6. Internet Unit:

Established : March 1999

Coordinator : Mr. Kalyan Devrukhkar (Network Administrator)

Location : Room No. 328, Main Administrative Building of Shivaji University, Kolhapur

Objective : To provide technical support and promote the use of ICT in teaching, learning, and administrative processes.

Structure : The Internet Unit operates through two specialized divisions:

Internet Unit	
Network Cell	**Website Cell**
Responsible for maintenance, repair, upgradation of campus network, internet services, and Wi-Fi facilities.	Handles development, updating, maintenance of the university website, web applications, and user support.
Operations	
Contract Employee (3) + Annual Rate Agreement	Full-time employee (1) under annual rate contract as well as remote services

Information Technology (IT) infrastructure under the supervision of the Internet Unit:

Internet Leased Lines Capacity in Mbps	
NKN Scheme	1000 Mbps
BSNL Line for Website	500 Mbps
BSNL Line for Web Applications	500 Mbps
BSNL (Emergency)	100 Mbps

The campus and other departments are connected by a total of 20 km of Optical Fiber-Cables:

Departments	45
Administrative Sections	16
Hostels	7
Guest Houses	2
Official Residences	3

Network Inventory on Campus:

HP 48-Port Layer 2 Gigabit Switches	48
24-Port Layer 2 Gigabit Switches	46
Unmanaged 48-Port Switches	05
Unmanaged 24-Port Switches	11
Total Wired Network Points	4000+

4000+ Network Points are available in the Campus using the above Network Switches.

WiFi Facility (This facility is well established with funds received from RUSA and UGC.):

Indoor Units	59
Outdoor Units	4

Wi-Fi connectivity is available across academic departments, hostels, guest houses, library, study rooms, and auditoriums, ensuring comprehensive digital access throughout the campus.

E-mail Facility (Google G-Suite): Institutional e-mail services are provided through Google G Suite to research students, faculty members, officers, and all affiliated colleges. Mail groups are created on demand to facilitate efficient and rapid communication across departments and administrative units.

Moodle Learning Management System: The university operates an online learning platform accessible at *https://moodle. unishivaji.ac.in*. This platform is extensively used by almost all departments for conducting online courses, internal assessments, and examinations. During the lockdown period, Moodle served as a primary medium for teaching and learning activities. The Internet Department is responsible for its management, maintenance, and technical support.

Online Meeting Platforms (Webex / Google Meet): Online platforms such as Webex and Google Meet are actively used for academic teaching, administrative meetings, and institutional events. The Internet Department manages scheduling, provides user training, and ensures technical support. These platforms have been instrumental in organizing major university events such as convocation ceremonies, university anniversary functions, prize distribution programs, and events conducted in collaboration with the Ministry of Higher and Technical Education. Many of these programs are also streamed through the university's official YouTube channel *"Shivvarta."*

Website Cell: The official university website (*www.unishivaji.ac.in*) was established on 20th May, 2002. The Website Cell is responsible for the design, development, regular updating, maintenance, and troubleshooting of the website, as well as the development of web-based applications. The website comprises more than 500 web pages and serves as a central information portal for stakeholders. It regularly publishes – University examination results, Circulars and notifications for affiliated colleges, Invitations for academic and administrative programs, Annual reports of the university, Tender documents and procurement notices, Advertisements for admissions and recruitment and Various application forms and student-related services.

2. UCIC (CFC) is equipped with fourteen analytical instruments, through which sample analysis services are provided to research scholars from postgraduate science departments, as well as students from affiliated colleges, other universities, external research institutes, and industrial organizations. To date, a total of 6,421 samples have been analyzed, generating revenue amounting to Rs. 42,76,533/-.
3. An awareness programme on analytical instruments is implemented under USIC for postgraduate science students and students from affiliated colleges. Under this initiative, visits for 876 students have been organized to date, aimed at familiarizing them with advanced instrumentation and their applications.
4. UCIC (CFC) organized a workshop on modern analytical techniques along with practical skill development and three job-oriented training programmes. A total of 80 students from across India participated in these four programmes.
5. Under the annual maintenance and repair program, repair and maintenance work has been carried out on printers in various departments and divisions of the university through USIC.

25.11. Shivaji University Central Co-op Consumers Stores Ltd.:

As per the recommendations of the University Grants Commission, Shivaji University was included in a scheme aimed at promoting cooperative stores at the university level under the guidance of the Central Government during 1966–67. Accordingly, the Shivaji University Central Co-operative Consumers Stores Ltd. was established in March 1967.

The organization has been consistently supplying food grains, provisions, clothing, and other essential commodities to students, faculty, staff, and hostels within the university campus at reasonable prices. The primary objective of this initiative is to ensure that all stakeholders residing on campus have easy access to essential goods at affordable rates without inconvenience. The organization has continuously strived to provide efficient services and improved facilities to its customers.

In line with modernization and service enhancement, new departmental stores have been established under the name “Shiv Bazaar”, as suggested by the Hon’ble Vice-Chancellor. This initiative has significantly enhanced the availability of goods and improved service delivery for students, faculty, staff, and other customers within the University Campus.

26. Shivaji University Magazine Competition

A platform is provided for students to express their latent talents, nurture creativity, and promote literary expression through the publication of annual college magazines. To further encourage such creative endeavours, Shivaji University conducts an Annual College Magazine Competition. Initiated in 1970, this scheme aims to motivate students engaged in literary pursuits and to enhance the quality of college magazine publications. The scheme is presently known as the "Shivaji University Affiliated College Magazine Competition."

In the academic year 2023–2024, a total of 52 non-professional colleges and 13 professional colleges participated in the competition. From both categories, three colleges each were adjudged as winners under the General Winner Award on the basis of merit ranking.
