Respected Sir,

I found following website and it is very useful for linux training .
Following news I already posted on moodle .

<http://www.webminal.org/>

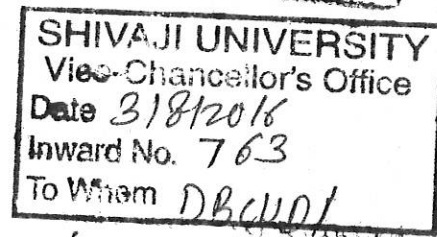

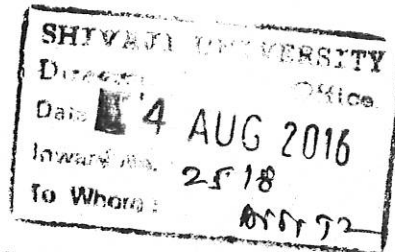

Refer above link for the free GNU/Linux Online Terminal

Webminal provide an unique free online learning platform where you can learn about Linux, practise, play with Linux and interact with other Linux users. Fast Facts! Users from 125 different countries practised more than 1.5 Million commands. Webminal also helped Professors and Students from 117 universities around the world to learn Linux in their classrooms.

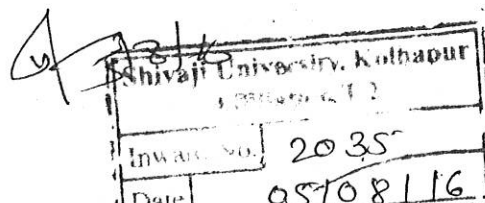

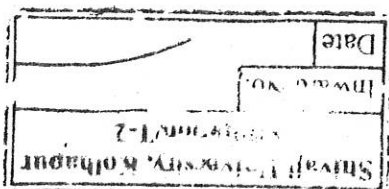

This is for your kind information.

Thanks & Regards,
