Dear Sir / Madam,

You are aware that one of the activities promoted by the Academy under Continuing Medical Education Programme in the area of Health Manpower Development is the “Exchange of Medical Scientist” at junior and middle level. The junior and middle level biomedical scientists/teachers are sponsored for the purpose of receiving specialized training at well established centres in India. Kindly note that:-

1. The period of training may be two to four weeks. Selected nominees are eligible for reimbursement of travelling expenses (limited to actual II class AC rail fare) and D.A @ ₹ 300/- per diem during the training period, subject to a maximum of ₹ 5000/- . The expenditure on TA/DA will be met by the Academy.
2. The Academy does not provide course details to the candidates requiring training. The same is to be arranged by the candidates themselves as to where and in which area, he/she wants to undergo for specialized training. The accommodation during training has also to be arranged by the candidates themselves.
3. It is requested that after assessing your needs, as Head of the Institution, you may nominate suitable candidates, who can be spared and deputed for undergoing specialized training. The particulars of each candidate, together with your recommendations, as per format enclosed, may please be sent to the Academy for consideration.
4. While sending nominations, the candidates may be asked to attach a copy of the Consent Letter from the Institution, where he/she would like to undertake the training. It may be mentioned that without the Consent Letter from the Host Institution, where training is desired, the application of the candidate will not be processed.
5. In exceptional case, an application/nomination may be submitted without a Consent Letter from the host institution. However, in such a situation the consent letter may be sent within two months of submission of the application.
- 6.. Nominations of the candidate(s) recommended for training during the year April 2015 to March 2016 may be sent to the Academy latest by **31st August, 2015**. Nominations received after this date will not be considered.
7. Prior permission/sanction of the Academy is necessary before the Continuing Medical Education training is undertaken in the host institution.

Yours sincerely,

(Deep Narayan Srivastava)
