**Sub: Inviting Research project proposals by Agricultural Extension Division of ICAR – for funding under ICAR Extramural Research Projects–reg.**

The Indian Council of Agricultural Research (ICAR) New Delhi has launched a scheme to sponsor and support short-term result-oriented Extramural Research Projects to resolve problems limiting production and value addition in agriculture. The projects can be submitted by ICAR institutes, State Governments, Agricultural and other universities, public, quasi-public and private institutions capable of undertaking research in the identified thrust areas, and fulfilling the criteria as laid down in the guidelines. Researchers (Professor / Principal Scientist / Associate Professor / Senior Scientist / Assistant Professor / Scientist with Ph. D. or M. Sc.) with three years of research experience are eligible to submit proposals. The detailed guidelines, eligibility criteria and proforma of application for grant of extramural research projects can be downloaded from the ICAR website <http://www.icar.org.in/en/node/8175>

Following are the thrust areas for consideration of project proposals for funding:

1. Mapping of socio-economic and socio-personal patterns in different agro-ecosystems
2. Institutional innovations, dynamics of convergence and linkages in extension
3. Skill Gap Analysis and Capacity development of stakeholders
4. ICT-led Knowledge Management, usage patterns and impact
5. Nutrition Extension: Awareness, Dietary pattern, designing suitable interventions for nutria-smart villages
6. Value chain analysis, marketing-led extension and agri-business models
7. Gender Partnership in Agriculture and Gender Sensitization
8. Technology and resource mapping for optimized use and suitable extension interventions
9. Extension interventions for Climate smart agriculture
10. Adoption and Impact assessment of NARS technologies
11. Developing tools and methodologies in extension research
