Faculty of Commerce and Management

Master of Commerce (M.Com.)

(Structure and Syllabus in accordance with
National Education Policy to be implemented
from Academic Year 2023-24)

Syllabus of
M.Com. II

To be implemented from Academic Year 2024-25 (NEP 2.0)

Shivaji University ,Kolhapur

Master of Commerce (M.Com.)

Syllabus, Structure, Rules and
Regulations (in accordance with National
Education Policy
To be implemented from Academic Year 2023-24)

1. INTRODUCTION:

The stream of commerce education has gained lot of importance in the recent past. Due to globalization trade and aids to trade has not remained in the limited horizon. The facets of trade need to be studied beyond geographical barriers and culture. Therefore, the time has come to think commerce education from the perspective of global education .The domains falling in commerce like accountancy, costing, taxation as well as business administration have importance in every walk of life for an entrepreneur. The whole commerce education itself is an interdisciplinary in nature. Therefore, recent trends in those subjects and their applications in the business world need to be correlated. While restructuring this curriculum as per the National Education Policy 2020, more focus is on practical applications of various concepts being taught under the faculty of commerce and management.

2. PROGRAMME OUTCOMES:

PROGRAMME OUTCOMES (POs)

Trained professionals for industry and commerce

PO₁: To acquaint the learners with skills and capabilities to handle managerial and administrative responsibilities

PO₃: To demonstrate the decision-making ability by application of theories in real life business situations

Nature of Question Paper

M.Com.-II Sem-III

Innovation and Entrepreneurship

Marks 80

Duration 3 Hours

Instructions: 1. Question number 1 and 2 are compulsory 2. Attempt any three questions from question number 3 to 6 3. Use of calculator is allowed	
Q.1a. Choose the appropriate alternative	(10)
b. True or false	(6)
Q.2 Short Notes (any 4 out of 6)	(16)
Q.3 Long answer question/Practical Problem	(16)
Q.4 Long answer question/Practical problem	(16)
Q.5 Long answer question/Practical problem	(16)
Q.6.a. Short answer question/Short Practical problem	(8)
b. Short answer question/Short Practical Problem	(8)

Guidelines for Research Projects

M. Com. II, Sem. III (4 Credits)

A) For Research Students

1. Project Report shall be prepared by the students individually and under the guidance of the concerned teacher (Project Guide).
2. The Report can be prepared on any course (subject) under the faculty of Commerce (UG and PG).
3. The Report may be based on primary data or secondary data.
4. The Project Report which is to be prepared in M. Com. II, Semester III should be based on Case Study Method of Research.
- 5.

6. The outline of the Project Report should be as follows –

A) For the Research Project of M. Com. II, Semester III (**4 credits**)

The Project Report shall consist of at least typed **50** pages

Chapter I – Introduction and Research Methodology (3-5 pages) - Introduction, Statement of the Problem (Need of the study), Significance of the Study, Objectives of the Study, Research Methodology, Scope and Limitations of the Study

Chapter II – Conceptual or Theoretical Background or Framework (5-7 pages)

Chapter III – Profile of the organisation (3-5 pages)

Chapter IV – Analysis and Interpretation of Data – (30-35 pages). The data should be of at least five years.

Chapter V – Findings, Suggestions and Conclusion (2-4 pages)

7. The technical specifications for preparation of Project Report are

- Font – Times New Roman
- Font Size – Main Heading – 16, Heading – 14, sub-heading 12 Bold and writing – 12
- Line spacing – 1.5 inches
- Spacing when one point over and next point start – if required single enter.
- Page size – A4
- Margin – 1” to all sides
- Numbering – every point is to be numbered as 1.1, 1.2 etc. and sub-points as 1.1.1, 1.1.2 etc.
- Tables – every table must have title and number
- **Use front and back pages. Single side typed projects will not be accepted.**
- Colour Pages – only if required
- Content – for chapters, for table and for graphs & diagrams

8. Graphs should be drawn only the table includes three or more variables. **‘One variable – one table – one graph - one line analysis – one page’ format must be avoided.** To analyse the data more precisely and to interpret rightly students should try to accommodate two or more variables in one table.

9. The references or bibliography must be given at the end of the report. It should contain – Name of the Author, Title of the Book or Title of the Research Paper or Article, Name of the Publication or Name of the Journal and Year of the publication or issue and month of publication of journal. Generally, the references are sequenced in alphabetical order of the name of the author.

10. Every student should give Annexure at the end of the Project Report. It will include questionnaire, interview schedule, list of the sample respondents (if possible, provide mobile number, short address and their designation) and any other information or data which is important part of the study.

11. One copy of final typed Project Report should be submitted to the concerned department of the college on or before the date fixed by the concerned coordinator.

B) For Research Guides

1. All teachers teaching to the M. Com. Programme, whether they are appointed on CHB or Temporary or Contributory or Visiting or Full Time, are eligible for guiding for the Research Project. It is the responsibility of every teacher teaching to the M. Com. Programme to guide to the students allotted to them by the coordinator of M. Com. Programme of the concerned college.

2. The guide should check title and objectives of the study carefully and see that the objectives are set considering the title of the study.

3. The guide should check the questionnaire or interview schedule is designed in such a way that it will be able to collect data to satisfy the objectives.

4. The guide should check the presentation of data and analysis and interpretation of data satisfy the objectives of the study, findings are based on the data and suggestions are given on the basis of the data and findings.

C) For Panel of Experts

1. Every student will be evaluated separately for Project Report and Viva

2. The panel of experts will assess the Project Report on the basis of originality, research contribution, way of analysis and interpretation, findings etc.

3. Viva will be conducted for every student individually. The panel of experts will assess the knowledge of students by asking question orally on research process and project report. They will try to verify that the student has done the project on his own and also identify his/her insight in the research problem

concerned.

4. The panel of experts will consist of three experts. One of them will be chairman, second external examiner and third internal examiner.

5. All the experts will be appointed by the university. However, internal examiner will be from the concerned college. If any teacher from the concerned college is not eligible to appoint as an examiner, a teacher from the nearby college will be appointed as internal examiner.

6. The car is allowed to the external examiners. However, the experts should try to use one car for both of them, if the route is same or at least distance.

7. For the Research Project of M. Com. II, Semester III (**4 credits**), the total marks for research project will be 100. Out of these, 60 marks for Research Project and 40 Marks for Viva. Percentage of marks required for passing is 40% and the student should pass separately in Research Project and Viva.

8. The schedule for assessment of Research Project and Viva will be prepared by the university authority. However, it will be conducted preferably immediately after the theory examination or semester end examination.

Semester IV

Shivaji University,
Kolhapur Syllabus of
M.Com-II

Faculty of Commerce and Management
Syllabus in accordance with NEP 2020
Introduced from Academic Year 2024-2025
M.Com–II Semester-IV

Title of Paper-Advanced Accountancy -Paper XIII (DSC-13)
(MMA XIII) Course Outcomes

After Studying this course, students shall be able to:

1. Understand concept of Human Resource Accounting

Guidelines for Research Projects

M. Com. II, Sem. IV (6 Credits)

A) For Research Students

1. Project Report shall be prepared by the students individually and under the guidance of the concerned teacher (Project Guide).
2. The Report can be prepared on any course (subject) under the faculty of Commerce (UG and PG).
3. The Report may be based on primary data or secondary data.
5. The Project Report which is to be prepared in M. Com. II, Semester IV should be based on Survey Method of Research.
6. The outline of the Project Report should be as follows –
For the Research Project of M. Com. II, Semester IV (**6 credits**)
The Project Report shall consist of at least typed **75** pages
Chapter I – Introduction and Research Methodology (5-7 pages) - Introduction, Statement of the Problem (Need of the study), Significance of the Study, Objectives of the Study, Research Methodology, Sampling (sample size should at least 50), Scope and Limitations of the Study
Chapter II – Conceptual or Theoretical Background or Framework (5-7 pages)
Chapter III – Profile of the Study Area (5-7 pages)
Chapter IV – Analysis and Interpretation of Data – (50-55 pages)
Chapter V – Findings, Suggestions and Conclusion (3-5 pages)
7. The technical specifications for preparation of Project Report are
 - Font – Times New Roman
 - Font Size – Main Heading – 16, Heading – 14, sub-heading 12 Bold and writing – 12
 - Line spacing – 1.5 inches
 - Spacing when one point over and next point start – if required single enter.
 - Page size – A4
 - Margin – 1” to all sides
 - Numbering – every point is to be numbered as 1.1, 1.2 etc. and sub-points as 1.1.1, 1.1.2 etc.
 - Tables – every table must have title and number
 - **Use front and back pages. Single side typed projects will not be accepted.**
 - Colour Pages – only if required
 - Content – for chapters, for table and for graphs & diagrams
8. Graphs should be drawn only the table includes three or more variables. **‘One variable – one table – one graph - one line analysis – one page’ format must be avoided.** To analyse the data more precisely and to interpret rightly students should try to accommodate two or more variables in one table.
9. The references or bibliography must be given at the end of the report. It should contain – Name of the Author, Title of the Book or Title of the Research Paper or Article, Name of the Publication or Name of the Journal and Year of the publication or issue and month of publication of journal. Generally, the references are sequenced in alphabetical order of the name of the author.
10. Every student should give Annexure at the end of the Project Report. It will include

questionnaire, interview schedule, list of the sample respondents (if possible, provide mobile number, short address and their designation) and any other information or data which is important part of the study.

11. One copy of final typed Project Report should be submitted to the concerned department of the college on or before the date fixed by the concerned coordinator.

B) For Research Guides

1. All teachers teaching to the M. Com. Programme, whether they are appointed on CHB or Temporary or Contributory or Visiting or Full Time, are eligible for guiding for the Research Project. It is the responsibility of every teacher teaching to the M. Com. Programme to guide to the students allotted to them by the coordinator of M. Com. Programme of the concerned college.

2. The guide should check title and objectives of the study carefully and see that the objectives are set considering the title of the study.

3. The guide should check the questionnaire or interview schedule is designed in such a way that it will be able to collect data to satisfy the objectives.

4. The guide should check the presentation of data and analysis and interpretation of data satisfy the objectives of the study, findings are based on the data and suggestions are given on the basis of the data and findings.

C) For Panel of Experts

1. Every student will be evaluated separately for Project Report and Viva

2. The panel of experts will assess the Project Report on the basis of originality, research contribution, way of analysis and interpretation, findings etc.

3. Viva will be conducted for every student individually. The panel of experts will assess the knowledge of students by asking questions orally on research process and project report. They will try to verify that the student has done the project on his own and also identify his/her insight in the research problem concerned.

4. The panel of experts will consist of three experts. One of them will be chairman, second external examiner and third internal examiner.

5. All the experts will be appointed by the university. However, internal examiner will be from the concerned college. If any teacher from the concerned college is not eligible to appoint as an examiner, a teacher from the nearby college will be appointed as internal examiner.

6. The car is allowed to the external examiners. However, the experts should try to use one car for both of them, if the route is same or at least distance.

7. For the Research Project of M. Com. II, Semester IV (**6 credits**), the total marks for research project will be 150. Out of these, 90 marks for Research Project and 60 Marks for Viva. Percentage of marks required for passing is 40% and the student should pass separately in Research Project and Viva.

8. The schedule for assessment of Research Project and Viva will be prepared by the university authority. However, it will be conducted preferably immediately after the theory examination or semester end examination.
