

# Shivaji University, Kolhapur

## Department of Statistics

### Census Data Research Workstation

<https://www.unishivaji.ac.in/cdrw/>

Census Data Research Workstation (CDRW) has been established at the Department of Statistics, Shivaji University, Kolhapur, in association with the Directorate of Census Operations, Maharashtra (DCOs) which is an Office under the Registrar General & Census Commissioner, India (ORG&CCI), Ministry of Home Affairs, Government of India. DCOs & ORGI is responsible for conducting decennial population census in India under the Census Act, 1948. CDRW aims to promote research using anonymized census microdata. It facilitates research using census data from 2001, 2011, and onwards. CDRW provides researchers with a protected environment to explore and analyze census data, fostering deeper insights into India's population trends and characteristics.

#### Details of the data available:

1. Census: 2001, 2011, & Onwards
2. Census Public Domain Data (well arranged/ordered)
3. Census Microdata Sample:

Level	Mode	Sampling Rate
National	India by States	1% Sample
State	State by Districts	5% or 10% Sample

Each mode offers two types of data,

- **Housing Census data(CIHMS)**
- **Population Enumeration data(SMCI)**

To see the list of variables please read the detailed brochure available on university website <https://www.unishivaji.ac.in/cdrw/>

#### Other Facilities & Resources:

- **Environment:** Fully air-conditioned, comfortable working environment
- **Equipment:** Network of computer terminals, Server for accessing data, UPS backup
- **Software:** SPSS, Excel for data analysis
- **Support:** Dedicated staff to assist with data access and research guidance

#### Data Access Procedure:

1. Interested candidates should submit a research proposal in the prescribed format to CDRW via email: [cdrw@unishivaji.ac.in](mailto:cdrw@unishivaji.ac.in) (format is available on website).
2. The submitted proposal will be reviewed by the Steering committee.
3. Once it is approved, the computer terminal and data will be made available for analysis.
4. Researchers will analyze data only using the software available at workstation and computer printouts of generated tables will be allowed to taken out from workstation.
5. Researchers must submit copies of their final paper/thesis (hard & soft) to CDRW.

**Who is Eligible to Apply?:** The facility is open to all including those who are not enrolled or part of the University. UG/PG/Doctoral students, teachers, researchers, policymakers, & any other person undertaking research.

#### Contact:

1. **Dr. S. B. Mahadik**, Professor & Head, Department of Statistics, and Sole In-charge of CDRW, Shivaji University, Kolhapur.
2. **Dr. S. D. Pawar**, Assistant Professor, Department of Statistics, Shivaji University, Kolhapur. **Phone:** 0231-2609243, **Email:** [cdrw@unishivaji.ac.in](mailto:cdrw@unishivaji.ac.in)
