Lecture s should be conducted after receiving study material, due to this student can study t. Individually after that. And get time to study

All subjects it's good learn more about the sessions

Teaching Theory is excellent on line.START IT EARLIER WHEN TERM STARTS.Make it for 45 min max .otherwise no one is attending for long time,mentally not attentive.Solve the queries when students meet you in distance education dept with prior intimation.
Kindly arrange mathematical solutions programs(e.g finance accounting ,finance management) *off line* , according to conviniance of students e.g Sunday morning (when students and working men and women are getting free time from job and house work) these off line teaching on holiday (Sunday)will help a lot to clear ideas .THESE OFF LINE PROGRAMS MUST BE AT LEAST TWICE A MONTH.

Proper network issue and support for timing proper

The language used in the books is difficult, sometimes students can't understand the words or line.

Printing mistakes are not yet rectified in many books. Also, missing syllabus points need to added few books.

Required subjects to available for notes

Please provide soft copies of study material also because soft copies are easy to preserve.

Many questions in exam were out of syllabus which were not included in study material.

.

The study material is informative and well-structured, covering the topics well and offering a good learning experience. However, in some parts, the language could be simplified, avoiding heavy words or deep vocabulary, for easier understanding.

.

I was not included in the WhatsApp group of 3rd semester, even when i completed my admission process very early. Because of it my 3rd sem went in back and i had to cover all papers in the 4th sem. This communication gap needs to be eliminated, so in future no student has to go through it. I am not pointing towards any person, but a system flaw.

Yes

After the semester result minimum 4/5 months should be available for next exam preparation.

More specialization subjects need to be added considering industry requirements.

Previous year question papers need to be maintained in Drive properly and shared with students at starting of semester.

Instead of giving assignment in last two months, better to give in two parts. 4 assignments at starting of Semester and 4 assignment before 1.5 months of exam.

Improve the coordination between students

Please add any study center in satara city also, because currently nearby study center for satara residential student is SGM College, Karad.

Very nice faculty.

Re-evaluation process after the result is quite slow, however everything else is good.
