Part - X: Innovative and Best Practices

10.1 Innovations introduced during academic year

1. Title of the Innovation Help Desk for Distance Learners Objectives of the Innovation 1. To provide required information to the Centre for Distance Education Learners through one portal. 2. To help the distance learners as per their requirements. The Context Most of the distance learners of the Centre for Distance Education, Shivaji University, Kolhapur are first generation learners. Even though the information is provided online they have some queries or they required human touch through e-mailing or through telephonically for assurance of the information regarding admission, examination and the study related and constantly they contacting the administrative and teaching/counseling staff. In this context Help desk is start at the Centre for Distance Education, Shivaji University, Kolhapur. Under one roof the essential information has been given to the learners. Learners through telephonically can take the information as well as they can take the information by visiting the Help desk. The Practice Information Officer co-ordinates the activity of the Help desk and everyday updates are communicated through it to the Centre for Distance Education learners. Evidence of Success Centre for Distance Education Learners calls to CDE staff decreased and CDE learners contacting the Help desk for various type of information.

10.2 Best Practices of the HEI

1. Title of the Practice Career Enhancement Programme for Learners. Objectives of the Practice 1. To enable under graduate and post graduate students to face NET/SET, M.P.S.C./U.P.S.C. and other competitive exams. 2. To enable UG and PG students to acquire the interview skills and face the interviews with confidence. 3. To provide the counseling facility to marginalized and deprived students to sustain in this competitive era. The Context Shivaji University Kolhapur (SUK) has external examination system from its beginning for those students who are not able to take conventional education. During the year 2005 from the grants of Distance Education Council (DEC) Indira Gandhi National Open University (IGNOU), New Delhi, University has established Centre for Distance Education (CDE) and its actual functioning started from the year 2007-2008, by offering Self Instructional Material, Contact Sessions etc. for fulfilling the students' academic needs. CDE offers two under graduate courses i.e. B.A. and B.Com. and five post graduate programmes. The distance learners opt different subjects and courses of their choice. For the learning of the CDE students, centre has developed 418 Self Instructional Materials (SIM) with the help of experts of the subjects within and outside of Shivaji University jurisdiction. On completion of the CDE courses distance learners become eligible for varies job, promotion in the present job or for appearing the competitive examinations. Thus Centre for Distance Education (CDE) is working in the area of Higher Education and take efforts to make higher education accessible to the deprived, disadvantaged and marginalized group of society and carry the social responsibility of Shivaji University, Kolhapur. The Practice The students of CDE are not regular mode students and they are also seeking the guidance and counseling for the SET/NET, MPSC, communication skills, interview skills etc. Hence Centre for Distance Education, Shivaji University, Kolhapur organized these guidance programmes for distance education learners. Along with these distance learners regular students also attended these sessions. These programmes are organized for regular and Distance Mode students without any registration fees. Evidence of Success Centre for Distance Education learners at large number joined these programmes along with regular learners. On completion of the CDE courses distance learners become eligible for varies job, promotion in the present job or for appearing the competitive examinations. Thus CDE is working in the area of Higher Education and take efforts to make higher education accessible to the deprived, disadvantaged and marginalized group of society. The Practice Centre for Distance Education develops SLM the instructional system designing principles such as user friendly, use of simple, motivational and interactive language, activity based worksheets/questions are provided for student progression etc. However considering these principles the SLM is developed as follows: I.Preparation and Approval of Syllabi (by BoS and AC) First of all concerned programmes Syllabus is approved by the Board of Studies and Academic Council. II. Unit Writers /Editors Identified After approval by the Unit Writers/Editors identified and those are called for the workshop. Those Unit Writers/Editors comprises regular faculty affiliated to Shivaji University, Kolhapur. III. Workshop on SLM Orientation During the SLM writers workshop the orientation regarding Self Learning Material and regarding the students needs etc. are given. IV. Preparation of Self Learning Material Self Learning Material is prepared by the authors by considering the instructional system designing principles. V. DTP- Editing and Proof Reading Then the first draft of the SLM goes under the process of DTP and Proof Reading. As per the first draft the corrections are done and the second draft is prepared after the approval of the second draft the final draft prepared and it is further processed for the printing and binding. VI. Printing and Binding of SLM with ISBN For the printing and binding the quality papers are used so students can able to use it easily. VII. Open Sale / Distribution to Distance Learners Such prepared material is given to distance learners as well as it is purchased by regular students and students from other universities for the study. Such SLM also make available to the students on online mode.
