▪ **Organizational Chart and Processes**

As per Maharashtra State University Act, 2016 Shivaji University, Kolhapur is having Organizational Chart and Processes as follows:

http://www.unishivaji.ac.in/about_suk/Organization-Structure

- **Nature and Extent of Involvement of Faculty and Students in Academic Affairs/Improvements:**

Apart from regular lectures, following activities are conducted for overall development of students and faculties. The activities are curricular, co-curricular and extracurricular like:

Inclusion of Research in curriculum: The students generally acquire only theoretical knowledge through lectures in classrooms as far as commerce stream is concerned. This limits the students to face real life problems in industry. Hence, the adoption of scientific approach to study a specific problem and acquiring applied knowledge becomes essential for students.

Value added course: This course is introduced to build various skills and motivate the students to reach to their full potential.

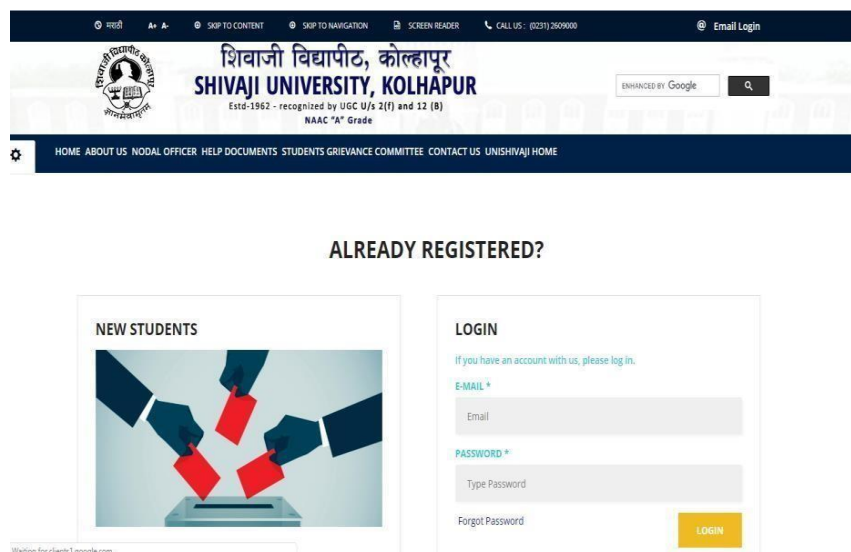

Pre-Placement Workshops: These workshops train students over writing an impressive resume and tactics to use in the personal interview.

Trade Fair: Bring out the hidden entrepreneurial skills among students and give them experiential learning.

Innovation Cell:

As a part of SUK's commitment towards carving Innovation Ecosystem, an incubation centre under the title "Shivaji Centre for Innovation, Incubation and Linkages (SCIIL)" has been established. **Prof. (Dr.) M. S. Deshmukh** is entrusted the task to look after the SCIIL in the capacity of Director. The vision of SCIIL is "to promote and realize product oriented innovative and executable ideas and concepts from students, faculties, and members of the society with a focus on enhancing the quality of life through entrepreneurship development and help them to realize the ideas into products, processes or services for the benefits of society as well as industry". The SCIIL is funded by Maharashtra State Innovation Society (MSInS), with seed grants of Rs. 5 Cr. MSInS is a nodal government agency to boost innovation-driven entrepreneurial ecosystem in the state of Maharashtra established under Department of Skill Development and Entrepreneurship.

It is committed to create an engaged atmosphere where start-ups can successfully plan launch and grow their businesses from conception, enabling them to simultaneously extend into the marketplace and establish brand name by following ethical practices.

SCIIL is contributing by way of Competitiveness, job creation, supporting SMEs with high growth potential, stimulating entrepreneurial spirit and innovation promotion. SCIIL is also identifying, exploring and enhancing links between universities/colleges, research institutions and the business community. It contributes to the growth and success of emerging technology businesses, assessment of company's risk profile, transfer of knowledge and better leverage intellectual property from academia and research institutes.

SCIIL is currently partnering with cluster of more than 25 academic institutes across all disciplines and supported by 8+ industry associations. SCIIL is aiming to become an efficient incubation centre in the region, with thrust area of “ICT Empowered Product Design, System Integration and Manufacturing”. SCIIL is positioning strongly to support innovators and SME across region. In addition to this, two incubation centres on the campus have been established by Shivaji University, Kolhapur. The Incubation Centre at Zoology Department works towards nurturing start-ups in Honey Processing, Sericulture and Agricultural Products. The Incubation Centre at Botany Department works with start-ups on Alternative Medicines and herbal products. The section-8 company is being formulated and SPV mechanism is utilized to work with industry partners. Around 25+ start-ups are already working under SCIIL. The students of various departments had participated. Students learn to develop Business Plan, Material Planning as well as Entrepreneurship and Marketing Skill.

4) Practice -

There is lot of expectations from higher education in India. Present Students who are perusing their higher education basically they are 2nd or 1st generation of their family who are going for higher education. In the era of globalization, the qualification and skills both are required by business organization. In focus of this, MBA Unit is carrying out such practices which are unique at their places majority of students of department are from Rural Maharashtra and most of them having their graduation from Marathi Medium. These student centric programmes help students to enhance their English communication and other soft skills which are required while working in industry.

The activity like Industry – Institute Interaction provides the knowledge of recent trends as well as expectations of industries Moreover, when students communicate with the higher authorities of various industries or organization, they get inspiration and develop a focus regarding their career.

Sinhavalokan enhances team building among students. Students of Department are planning for the event, organizing resources for event (e.g. Sponsorship, Registration, etc.), coordinating various events at a time at different venues and also controlling the participants. In the context of higher education in India the practices like ‘Sinhavalokan’ Plays important role among the development of Youth. In Sinhavalokan students organize various management events like Business Plan, Case Study, Ad- Astra, Mock Recruitment, Best Sales executive

etc. Programs like Sinhavlokan enhance the Skills of not only Students of department but also of participating college students.

Due to Social Outreach activity students get aware about their social responsibilities. Moreover the sense of belongingness towards society gets developed into them. In a corporate world so many CSR activities are carried out. Students get knowledge of that as well as they enhance the sensitivity towards the needy people. Blood Donation and Organ Donation are the Practices carried out by the department.

From Pre- Placement workshop and trade – fair students get focus towards their career. Department invites trainers for specific management skill development. Moreover because of trade fair students learn about entrepreneurial skills which plays an important role in formation of start – ups.

5) Evidence of Success -

Many students have completed their internship project in those industries whose authorities have been invited for Industry Institute Interaction. Because of Social outreach activities department has developed close bonding with CPR hospital and its blood bank. 33 people from university campus have registered for organ donation. About 100 bags of blood have been collected through blood donation camps and donated to Government Hospital of Kolhapur. For Sinhavlokan about 200+ students participated in different activities every year. MBA students are organizing this event which enhances their managerial skill. Due to which the employability of students gets enhanced.

6) Problems Encountered -

All these programs are conducted on self-supporting basis. I.e. departmental budget head, Sponsorships and students participation fees. Infrastructure necessary for the conduct of these programmes is available at university campus.
