## Message of The Director, Sports & Physical Education

This is a proud moment for me and my University that the Sports Department of Shivaji University is releasing its brochure containing the Profile and the Report of achievements of our Department for the year 2022-23.

In fact, from the past century Kolhapur District is very famous especially for Wrestling and other sports events like Football, Swimming, Shooting and Hunting, as it was liberally patronised by the late King of Kolhapur Sansthan Rajarshi Chhatrapati Shahu Maharaj. The people of Kolhapur District are very healthy, wealthy, fit and sportive and so we observe that they play a number of different modern games. A similar situation exists in other districts in its vicinity also. Hence, this university receives a lot of students naturally talented in different sports and games and it helps us to mold and polish them in a short period and help them participate in Inter-University competitions and tournaments where they perform extraordinarily well and bring laurels for this University. The Department of Sports has produced more than 300 sports persons of national and International repute.

I take this opportunity to propose my heartfelt gratitude to all the office bearers of this University and those who have supported me in all ways directly or indirectly to conduct various activities of sports and games in the university and also to participate in Inter University competitions and tournaments,

Thank you,
