Any field select only Title for marathi, search By clicking on Search key-words box- click on – marathi script words by using-screen Keyboard and then click on GO

The screenshot shows the Shivaji University Online Catalogue search interface in Microsoft Internet Explorer. The browser address bar shows the URL: http://libproxy.unishivaji.ac.in:8080/opac/html/SearchForm. The page header includes the university logo and name, "Shivaji University, Kolhapur". The search interface is powered by LIBSYS and offers various search options: Simple, Advanced, Additional, Browse, ISBN No, Accession No, and Full Text. The search form includes a search word(s) input field, a "keypad" button, and a dropdown menu for "Any Field". Below the search form, there are sections for "Restrict By" (Database, Language, Type of Doc) and "Sort By" (Sort By Title, UnSorted). An "On-Screen Keyboard" window is overlaid on the search form, showing a virtual keyboard with Marathi script characters. The taskbar at the bottom shows the Start button and several open applications, including "Shivaji Univ., Kolhapu...", "Inbox (529) - Yahoo!", "OPAC-INSTRUCTION...", and "On-Screen Keyboard".

From Any field select only Title for marathi search By clicking on Search key-words box- click on – marathi script words by using- on screen Keyboard and then click on : GO
