Respected Geographers

Kindly take note of the scheduled meeting by GU and try to attend. If the name is not mentioned in the Univ. notice and you have something concrete to suggest, kindly make it convenient at your own personal level to attend the meeting and contribute your intellectual suggestions for the good health and reputation of the subject. In case of any difficulty even for this, pl. communicate your suggestion/s to be considered at the meeting in view of the Draft ordinance of GU for CBCS approved by EC and AC,

In addition, Hon. Vice Chancellor has called a meeting of the Chairpersons of BoS on 28/02/17 at 3 p.m. Hence, I invite your valuable input for that meeting only in signed writing through attached mail or hard copy so that I can place those before the concerned Official or VC during that meeting. Kindly post your suggestion on or before 26 to enable me to incorporate those valuable matters.

Last year, around the same time, Through GAG, I had intimated for a work shop to every one through mails. The response was Nil. Hence, I learnt a lesson that such matters of purely academic interest should not and need not be touched by GAG Secretariat.

Looking Forward to either see you all soon or get things in writing.

With warm regards to all.

Dr. Prabir Kumar Rath
