Can perform and access research based practices through the application of information literacy, inquiry, and research methods including data discovery, analytics and qualitative measures.</li></ol>		
<b>Course Outcomes: ( Semester-I)</b>		
Course code:  72132	Course title:  <b>Foundation of Library &amp; Information Science</b>	<ol style="list-style-type: none"><li>1. To make the students aware about types of libraries and their functions.</li><li>2. To acquaint the students with fundamental laws, legislations and associations.2.</li></ol>

Course code: 72133	Course title: <b>Information and Communication Technology (ICT): Basics</b>	<ol style="list-style-type: none"> <li>1. To provide knowledge about basic of ICT.</li> <li>2.To introduce students with network technology, library automation and software packages.</li> </ol>
Course code: 72134	Course title: <b>Knowledge Organization: Classification and Ontology</b>	<ol style="list-style-type: none"> <li>1. To make the students acquainted with the process of knowledge Organization.</li> <li>2. To train students about the tools and techniques of knowledge Organization.</li> <li>3. To develop acquaintance with the Ontologies and folksonomies.</li> </ol>
Course code: 72135	Course title: <b>Archival, Museums and Archeological Information System</b>	<ol style="list-style-type: none"> <li>1 To introduce the students with historical development of archives and museums in India.</li> <li>2. To make the students acquainted with collection, organization and management of archives and museums.</li> <li>3. To familiarize the students with preservation of archives &amp; rehabilitation of documents.</li> </ol>
Course code: 72136	Course title: <b>Public Library System</b>	<ol style="list-style-type: none"> <li>1. To make the students aware about public library system and their functions</li> <li>2. To acquaint them with the services and user education.</li> </ol>
Course code: 72137	Course title: <b>Academic Library System</b>	<ol style="list-style-type: none"> <li>1. To make the students aware about academic library system and their functions.</li> <li>2. To acquaint the students with the academic library services and user education.</li> </ol>
Course code: 72138	Course title: <b>Classification of Documents</b>	<ol style="list-style-type: none"> <li>1.To provide practical training about classification of the documents using the latest edition of Dewey Decimal Classification (DDC) scheme.</li> </ol>

Course code: 72139	Course title: <b>Information &amp; Communication Technology</b>	<ol style="list-style-type: none"> <li>1. To make the students aware about the MS-Office</li> <li>2. To give practical Hands on training about creation of database and library automation software.</li> </ol>
Course code: 72140	Course title: <b>Library Sectional Work and Seminars</b>	<ol style="list-style-type: none"> <li>1 To increase the knowledge and skills of recent graduates</li> <li>2. To upgrade their skills in a specific area of information services</li> <li>3. To train them in order to boost their efficiency for each sections</li> <li>4. To expose the students with the real working environment of a library operations</li> <li>5. To train them in preparing the state-of-the art report on the library</li> </ol>
BLISc- II Semester		
Course code: 72141	Course title: <b>Management of Libraries and Information Centres</b>	<ol style="list-style-type: none"> <li>1. To make the students acquainted with the basic concepts of management.</li> <li>2. To introduce the students with the basics of library administration &amp; management.</li> <li>3.To familiarize students with the library housekeeping operations.</li> <li>4. To create understanding about financial management.</li> <li>5. To acquaint students with the recent trends in library management.</li> </ol>
Course code: 72142	Course title: <b>Knowledge Organization: Cataloguing and Metadata</b>	<ol style="list-style-type: none"> <li>1. To be acquainted with the process of Library Cataloguing and metadata and its standards</li> <li>2. To understand Bibliographic Formats and Standards, deriving subject headings</li> <li>3.To have hands on practice of cataloguing of different</li> </ol>

		types of documents
Course code: 72143	Course title: <b>Information Sources and Services</b>	<ol style="list-style-type: none"> <li>1. To provide in-depth knowledge about information services and products.</li> <li>2. To familiarize students with various information services, information repackaging and consolidation.</li> <li>3. To introduce the nature and purpose of reference and other services.</li> </ol>
Course code: 72144	Course title: <b>Skills for Library and Information Science Professionals</b>	<ol style="list-style-type: none"> <li>1. To develop various skills among LIS students.</li> <li>2. To give information about various teaching methods.</li> <li>3. To provide opportunity to practice various skills.</li> </ol>
Course code: 72145	Course title: <b>Information Policies and the Laws</b>	<ol style="list-style-type: none"> <li>1. To be acquainted with the Information Policies</li> <li>2. To disseminate knowledge about various Laws related to information, use of contents etc.  about the Industrial Information Sources, products and services.</li> <li>3. To develop acquaintance with fair use of reading materials.</li> </ol>
Course code: 72146	Course title: <b>Information Literacy</b>	<ol style="list-style-type: none"> <li>1. To acquaint the students with the Information Literacy skills</li> <li>2. To introduce the students about Models, Standards and Programs of Information Literacy</li> <li>3. To orient student about library resources and services.</li> </ol>
Course code: 72147	Course title: <b>Cataloging of Documents According to AACR-II</b>	<ol style="list-style-type: none"> <li>1. To provide practical training about cataloguing of the documents using the latest edition of AACR-II.</li> </ol>

<p>Course code: 72148</p>	<p>Course title: <b>Information Sources and Services</b></p>	<ol style="list-style-type: none"> <li>1. To make the students aware about latest Information Sources.</li> <li>2. To give practical hands on training on Information searching from various sources.</li> </ol>
<p>Course code: 72149</p>	<p>Course title: <b>Internship and Study Tour</b></p>	<ol style="list-style-type: none"> <li>1. To increase the knowledge and skills of recent graduates</li> <li>2. To upgrade their skills in a specific area of information services</li> <li>3. To expose the students with the real working environment of a library operations</li> <li>4. To train them in preparing the state-of-the art report on the library</li> </ol>
