I. Introduction

The Department strives for the holistic development of the students through various activities in affiliated colleges, recognized institutes and all the Departments on the campus. These activities are designed to discover and nurture the hidden talents of the students. The Department of Students' Development creates a conducive environment for the students to learn and grow in their field of interests. The department also initiates different schemes and activities for the welfare and betterment of the students, such as

- i) Students, Parents, Teachers and Administrative Staff Welfare Fund scheme
- ii) Centre for Leadership Development
- iii) Centre for Career Guidance and Psychological Counseling
- iv) Beti Bachao Abhiyan
- v) Organ Donation Awareness.

Moreover, the Department provides a platform for the students to participate in various cultural activities from University level to International level. The Department of Students' Development ensures that the students have ample opportunities for their development beyond their regular studies. The university authorities are committed to providing quality academic programs as well as fostering self-reliance and confidence among the students through its planned activities. The Department of Students' Development caters to all the students enrolled in various UG and PG academic programs on the campus and 276 affiliated colleges under the University Jurisdiction.

Objectives:

- To plan and supervise the various cultural and welfare activities of the students in Colleges, Institutions and University Departments.
- To develop and operate the mechanism of grievance redressal of students and prevention of sexual harassment and ragging of students.
- To implement schemes of career guidance, psychological counselling and rehabilitation and upliftment of differently-abled students
