Since conducting Gender Audit of institute such as University is a stupendous task, we had to make certain changes/additions in the proforma of Gender Audit. The University has a gender sensitive policy & rules, incentives for gender equity, etc.. Further many awareness activities are conducted for educating girl students regarding Gender Equality.	
Policy created (yyyy)	2019	-
Comment	Constitution of India ensures gender equality to all citizens. However, It is observed that there are a number of gender related issues and problems obstructing the realization of this right. Gender affects and determines various aspects of life including education. Gender based constraints need to be removed for the smooth functioning of higher education institutions. To realize full potential of students, faculty members and non-teaching members, it is expected that gender does not pose as a detrimental factor. In order to ensure gender equality at Shivaji University, a well defined Gender policy is to be framed and implemented. This gender policy will serve as a guideline to all stakeholders of Shivaji University.
