I. Introduction

The Department of Students' Development of Shivaji University, Kolhapur is persistently engaged in developing the personality of the students in all spheres of life for which it undertakes various student-oriented programs. Sincere efforts are constantly taken for the all round development of the students. The Department executes various activities in affiliated colleges, recognized institutes and all the Departments on the campus for the benefit of the student community. It is believed that the opportunities bring out the hidden talents of the students. To unrayel the hidden talent in the students the Department of Students' Development provides the opportunity and a congenial environment for the students to explore themselves and excel in their careers. For the development and betterment of the students the department has initiated different schemes and activities such as- i) Students, Parents, Teachers and Administrative Staff Welfare Fund scheme, ii) Centre for Leadership Development, iii) Centre for Career Guidance and Psychological Counseling, iv) Beti Bachao Abhiyan, and v) Organ Donation Awareness. Nonetheless, the Department is fully engaged in providing a platform for the participation of students in various cultural activities from the University level to the International level.

Department of Students' Development through its many fold programs has left no stone unturned to provide ample opportunities for the development of the students apart from their day –to- day studies. The university authorities are always keen not only to provide standard academic programs but also to inculcate self-reliance and boost confidence among the students. The Department of Students' Development provides opportunities to all the students admitted to various academic programs on the campus along with 276 affiliated colleges.

Objectives:

- To plan and oversee the various cultural and welfare activities of the students in Colleges, Institutions and University departments.
- To devise and operate the mechanism of grievance redressal of students and prevention of sexual harassment and ragging of students.
- To implement schemes of career guidance, psychological counselling and rehabilitation and upliftment of differently-abled students.

II Executive Summary
