University plans 100 new courses, satellite centres

SUK Senate Gives Green Signal To Five-Year Master Plan

TIMES NEWS NETWORK

Kolhapur: The senate members of the Shivaji University have approved the five-year master plan in which over 100 new courses will be introduced across colleges in the division.

The green signal to the plan was approved in a senate meeting held in the university campus on Tuesday.

According to the master plan, satellite centres will be installed in remote areas across the division that will give an easy access to the study material for students from these areas.

Pro vice-chancellor of SUK D T Shirke told TOI, "The management and the academic council have already approved the said plan. We will now forward the plan to the state government."

Explaining the details of the plan, Shirke said that SUK had conducted individual meetings with the stakeholders and separate committee members across Sangli, Satara and Kolhapur. The meetings were conducted in the month of May where stakeholders such as the industrialists, teachers, principal and even parents were present.

We have recorded their suggestions and we will take

HIGHLIGHTS OF THE PLAN

➤ The framework of the proposals was laid down by educationist Narendra Jadhav, the head of the master plan committee in 2015

➤ The plan caters to the major academic requirement of the university for the next five-years

➤ Skill based courses and employment generation are the topmost agenda of this plan

➤ SUK has received over 100 proposals for new courses, colleges and faculties

“During a meeting with the stakeholders, we received over 100 proposals for starting new colleges, courses and faculties across the division. Unfortunately, we cannot address and implement all these suggestions. Of all, these recommendations must comply with the perspective plan put forward by educationalist Narendra Jadhav, who had laid the foundation stone for a five-year master plan

D T Shirke | PRO VICE-CHANCELLOR OF SUK

a final call in consideration with their suggestions.

"We have received over 100 proposals for starting new colleges, courses and faculties

across the division. Unfortunately, we cannot address and implement all the recommendations. Of all, these recommendations must comply

with the perspective plan criteria put forward by the veteran educationalist Narendra Jadhav, who had laid the foundation stone for creating a master plan for five years. Criteria such as financial requirement, geographical requirement, faculty availability, expertise were taken in consideration while finalising the plan," he said.

He added, "During the meeting, we found out that the division needs courses that involve skill-based training, courses in relation with tour and tourism and the ones with fruit processing, leather technology and sugar technology."

An SUK official said, "The academic requirements for the next five years should be first complied. The employability of students and creation of skill-based courses are one of the other major topics of the master plan."

It has to be noted that due to rise in HSC result in the past two years, more students are willing to get enrolled in conventional courses such as arts, commerce and science resulting in admission crisis.

"With the help of master plan, the division will see rise in the number of under-graduate seats, new innovative and skill-based courses," he added.

SUK to help Mumbai university in evaluation

TIMES NEWS NETWORK

Kolhapur: The Shivaji University, Kolhapur has decided to help the Mumbai University for online evaluation of its summer examination papers.

The University of Mumbai has to complete the evaluation before the July 31 deadline set by chancellor C Vidyasagar Rao. The university was in trouble after it failed to evaluate over 22 lakh answer books. It was only after being pulled up by the chancellor that it actually started evaluation work on a war-footing.

Mahesh Kakade, director of the board of examination and evaluation, SUK, said the process is highly technical and both sides need to follow certain norms as per the Maharashtra Public Universities Act, 2016.

"We have arranged around 1,000 computers for the online evaluation system – around 200 machines from Kolhapur city, over 500 in Satara and the rest in Sangli. A meeting with principals of the affiliated colleges was conducted, wherein it was asked to provide evaluators for this assistance," he said.

Kakade further said, "Officials from the University of

Pre-guidance entrance exams on Aug 16

Shivaji University, Kolhapur (SUK) will conduct entrance tests on August 16 for admission to its pre-guidance centre, which offers coaching in competitive exams.

The university circular on July 26, stated that interested candidates will have to submit their applications by August 5 at the pre-guidance centre in the humanities building in the campus.

An official from the centre said that the university's pre-service centre offers coaching to students hailing from backward and minority communities. It was started from the year 2004. Students from reserved categories, and minority communities like Muslim, Christian, Sikh, Buddhist, and Jain are eligible for admission. According to the official, application forms for the

same are available at the Humanities department in the campus.

The centre receives financial aid from the University Grants Commission (UGC) for its functioning. The centre provides coaching for civil service exams like the Union Public Service Commission (UPSC) and Maharashtra Public Service Commission (MPSC) along with banking and other competitive examinations. Another university official said that the centre offers expert lectures or coaching on personality development and skill enhancement at the centre for the duration of one year. Classes are held daily for three hours. The focus remains mainly on group discussions. "From the year 2005 to 2014, over 90 students have qualified for the exams," said the official. TNN

Mumbai will come and check the computers and install their online evaluation software in them to ensure the standards of the university."

These evaluators will get remuneration as per the norms of the University of Mumbai. In SUK, the evaluators get Rs10

per paper, while for the University of Mumbai the remuneration is Rs 20 per paper, he said.

Kakade said the Shivaji University, Kolhapur has drawn results of 550 of the 621 summer examinations, started in March. The remaining results to be announced this month.

‘मुंबई’च्या पेपर्सची शिवाजी विद्यापीठात तपासणी

प्रतिनिधी

कोल्हापूर

मुंबई विद्यापीठामधील प्रलंबित उत्तरपत्रिका तपासण्याची प्रक्रिया शिवाजी विद्यापीठाने गुरुवारपासून सुरु केली. कोल्हापूर, सांगली, सातारा या तीन जिल्ह्यांमध्ये तीन केंद्रावर हे पेपर ऑनस्क्रिन तपासले जाणार आहेत. यामध्ये वाणिज्य, व्यवस्थापन, विधी शाखेच्या उत्तरपत्रिकांचे मूल्यांकन केले जाणार आहे.

मुंबई विद्यापीठाने राबवलेल्या ऑनलाईन उत्तरपत्रिका तपासणीचा पुरता बोजवारा उडाला आहे. त्यामुळे गेल्या पंधरा दिवसापासून गोंधळाचे वातावरण आहे. परिणामी विद्यार्थ्यांचे शैक्षणिक नुकसान होणार आहे. त्यामुळे विद्यार्थी हित लक्षात घेऊन राज्यपालांसह शासनाने दखल घेत इतर विद्यापीठाला पेपर

तपासणीचे आदेश दिले आहेत. या आदेशानुसार शिवाजी विद्यापीठासह महाराष्ट्रातील इतर विद्यापीठ मुंबई विद्यापीठाच्या मदतीला धावली आहेत. शिवाजी विद्यापीठाने सायबर इन्स्टिट्यूट, सांगली येथील संजय भोकरे इन्स्टिट्यूट आणि सातारा येथील यशोदा टेक्निकल इन्स्टिट्यूट येथे वाणिज्य, व्यवस्थापन, विधी शाखेच्या उत्तरपत्रिकांचे ऑनस्क्रिन मूल्यांकन केंद्र निर्माण केले आहे.
