

## One Week Faculty Development Programme

On

### “Innovations in Biotechnology for Sustainable Future”

(for all Sciences disciplines)

27/01/2025 to 31/01/2025

Jointly Organized by

Department of Biochemistry, Shivaji University, Kolhapur,

Under

PM-USHA Scheme: Soft Component

In association with

Malaviya Mission Teacher Training Programme (MM-TTP)  
of University Grants Commission (UGC)

#### Chief Patron:

Prof. (Dr.) D. T. Shirke  
Vice Chancellor

Prof. (Dr.) P. S. Patil  
Pro-Vice Chancellor

Dr. V. N. Shinde  
Registrar

Ms. Suhasini Patil  
Finance and Accounts Officer

Prof. (Mrs.) S. H. Thakar  
Dean, Faculty of Science & Technology

#### Organizing Committee

Prof. (Dr.) K. D. Sonawane - Head, Dept, of Biochemistry

Prof. (Mrs.) J. P. Jadhav – Head, Dept. of Biotechnology

Dr. P. K. Pawar – Head, Dept. of Microbiology

Prof. (Mrs.) P. B. Dandge – Coordinator

#### Member:

Dr. S. S. Kale

Dr. N. H. Nadaf

Dr. S. A. Patil

Dr. N. M. Kumbhar

Dr. D. N. Kurhe

Dr. S. O. Pustake

Mr. H. B. Kamble

Mrs. S. R. Umape

- The program has only **30 seats** for participants.
- Food and accommodation will not be provided
- The organizing committee reserves the rights to select participants based on the submitted information.
- Participants must upload a No Objection Certificate (NOC) and a relieving letter from their institute.
- Certificates will be given after successful completion of program with w.r.t assignment/ feedback submission as per UGC guidelines.

#### About the Faculty Development Programme

This Faculty Development Programme (FDP) is designed to provide participants with the latest insights and advancements in the field of Biochemistry, Biotechnology, Microbiology, Bioinformatics and Medical Informatics. Over the course of one week, participants will engage with expert-led sessions, and discussions on emerging technologies and research trends. The FDP aims to enhance teaching and research skills, fostering a deeper understanding of innovative applications and interdisciplinary approaches that are shaping the future of these dynamic fields.

#### Topics to be covered

- Biochemistry/Microbiology/Biotechnology
- Clinical research/ Drug designing/Bioinformatics
- Nanomaterials/ Nanobiotechnology
- Cancer Biology/ Env. Biotechnology
- Pharmaceutical Sciences / Tissue culture

#### Resource persons:

- Prof. K. M. Kodam
- Dr. U. B. Sonawane
- Dr. Meghnad Joshi
- Prof. N. B. Gaikwad
- Dr. Anil Ghule
- Prof. Altaf H. Nadaf
- Prof. Rajesh Gacche
- Dr. K. D. Pawar
- Dr. M. S. Nimbalkar
- Prof. A. A. Deshmukh
