Guidelines for Conducting On-line Practical Examination

The practical examination to be conducted in online mode in view of the Covid-19 circumstances for Third Year of B. Sc. Computer Science (Optional), B. Sc. Computer science (Entire), BCA at institute level is as follows:

1) Soft copies of the hand written or typed submissions of laboratory programs may be done on Google classroom or any LMS

2) Industrial visit: Technical person from the industry may be invited to deliver a talk to provide information about their working system/ Product. College should keep the record of a session. Student should prepare a report based on the lecture and it should be submitted to the college before the examination.

3) Practical exam by the examiners appointed by the college authorities.

4) Marks scheme and other detailed methodology for setting questions papers etc. previously approved by university authorities will remain the same.
